The Publishers' Trade List Annual, 1983. *The Street Smart MBA* by James Mangraviti, Steven Babitsky, 2014-03-01. Business schools have long enticed students into their MBA programs with the promise that after a short stint spent studying the ins and outs of the business world, they will be able to step right into the upper echelons of management or launch a business that soon has them flitting about the world in a private jet. Sounds great, you say. Sign me up. Not so fast. Sure, business school might prove a necessary prerequisite for those aiming to gain employment at a large financial institution, land a job with a consultancy, or accelerate their journey to managerial superstardom at a Fortune 500 company. But for aspiring entrepreneurs and established business owners alike, the truth of the matter is this: The ability to get a business off the ground and running successfully is not the byproduct of toiling away in a classroom learning esoteric subjects like the economics of competition. Rather, all it takes to start and run a truly successful business are a few sensible, time-proven techniques that have been needlessly forgotten in business innovators' haste to reinvent the wheel. That's why in *The Street Smart MBA*, Steve Babitsky and James J. Mangraviti Jr. encourage you to ditch class or better yet, ditch school altogether and go back to the business basics with a series of ten simple steps that will do more for your company than the letters M, B, and A ever will. There are no forays into game theory in *The Street Smart MBA*, no parables, and no intellectualizing. Instead, what you will find is a practical, easy-to-understand, step-by-step business strategy guide that encourages you to revive a handful of basic yet essential practices that many business owners have lost sight of, such as building a brand that is so synonymous with quality that you'll be able to maximize your company's profits in no time; turning your company's products and services into profits by finding your company's niche; working with deadlines and honoring your company's image above all else; dealing with customer complaints head-on so that you can turn gripes into opportunities; doing favors, mentoring, and sending gifts in order to grow your business network; and much more. With its emphasis on ten simple yet time-honored principles that lead to business success, *The Street Smart MBA* is all the business education that entrepreneurs with great ideas and business owners with the drive to succeed will ever need. *The Mammoth Book of Casino Games* by Paul Mendelson, 2010-05-27.
