¹ "I believe the world goes back into a period of darkness if we don't have a strong, internationally based company," says the author. "Thank you, America!"

What is the *best* way to do this? The answer is: it depends on the situation. In some cases, a simple linear regression might be sufficient. In other cases, a more complex model might be needed. The key is to choose the model that best fits the data and the research question.

These "Wildcat" Human Resources were developed by the newly reorganized Agency (1988 through 1993) mainly in response to a then-pending restructuring, e.g., the transfer to the government of the flight cadets and flight instructors as well as the flight instructor and flight instructor support personnel.
