Parnell.,2017-10-24 Born in London England in 1922 Anthony Parnell s interest in aeroplanes took hold of his imagination at an early age He became a plane spotter with his friend at Croydon Aerodrome

As his love grew his dream was that one day he would fly Becoming a pilot in the RAF fulfilled that dream On March 28 1942 leaving at dawn on a Top Secret Mission Anthony s flight came to an abrupt end when he made an emergency landing with his crippled plane on a beach he believed was on the English coast He and his crew were taken prisoner and thus began his WWII experience as a Prisoner Of War in Stalag V111B This book tells the story of Anthony s experience during that suspenseful and hopeless time including his attempts at escape and the 1 000 kilometres walk across Europe in winter conditions that would later become known as The Death March Per Ardua ad Astra Through Adversity to the Stars that is the RAF Motto and the motto that Anthony Parnell would attempt to follow in his struggle for survival Breaking Out Laura Fairchild Brodie,2010-02-24 On July 26 1996 the United States Supreme Court nullified the single sex admissions policy of the Virginia Military Institute the last all male military college in America Capturing the voices of female and male cadets administrators faculty and alumni Laura Brodie tells the story of the Institute s intense planning for the inclusion of women and the problems and triumphs of the first year of coeducation Brodie takes us into the meetings where every aspect of life at VMI was analyzed from the perspective of a woman s presence housing clothing haircuts dating and the infamous Ratline the months of physical exertion minimal sleep and verbal harassment to which entering cadets are subjected Throughout the process the administration s aim was to integrate women successfully without making adjustments to VMI s physical standards or giving up its tradition of education under extreme stress No other military college had done so much to prepare But would it work With everyone on the Post we hold our breath as Brodie takes us through Hell Night the unrelenting months of the Ratline the fraternization hazing and authority issues that arose the furtive sexual encounters the resentments and for the women the daily difficulties of maintaining a feminine identity in a predominantly male world Despite the challenges we see the women ultimately making a place for themselves Though new problems continue to arise Brodie s lively and inspiring account makes it clear that VMI s story is an important and timely one of institutional transformation
