So Many Rivers to Cross Celia Alia Brooks, 2009-04

THE HUMAN BEING ... an actor having so many contradictory roles Adrian Gabriel Dumitru, We have the chance but also the duty to play lots of roles during this life time We like some of those roles and maybe even adore it but also dislike many of the things we have to do as actors on the stage of reality If i would analyse myself into an honest way i would even dare to say that i played one million roles being an angel but also many times a devil Like all the others i've played so so contradictory roles that into the end i would not even know how to define myself So was i a good person Or was i a bad person Hmm The most ridiculous conclusion was that most probably i was a positive but also a negative character on the stage of reality I was just dominated by duality I had to accept it and also that there is no real definition for myself I was good bad neutral and Every definition could be true or false for myself And all i had to do was to accept that as part of the scenario called my life

Why We Have So Many American Problems James C. Barnes, 2008-05 Seventeen year old Jason Hilliard

plays a dual role since his father's death and his mother's return to work. Along with handling his own problems as a teenager, he also must deal with the roller coaster emotions of his thirteen-year-old sister Tia. Jason is attracted to Celia Miramontes, a seventeen-year-old with close family ties in the Latin community. With mixed feelings, Jason sees Celia taking time she otherwise would spend with him to help his little sister through a series of problems. Will it always be the two of us, and Tia? he wonders. Couldn't she just get a little lost now and then? But when Tia actually does get lost in the mountains while on a picnic with Celia's family, Jason moans. That wasn't what I meant when I said to get a little lost, Tia. This is a smoothly written, entertaining novel of family life and the gentle blossoming of first love. School Library Journal. This is an easy-to-read school story which has sprightly up-to-the-minute conversation carrying it briskly along. With his widowed mother now working, Jason has had to take on the additional responsibility of his thirteen-year-old sister Tia. Problems with Tia erupt regularly as Jason tries to cope with her as well as with his own maturing and his first real girlfriend. Positive family relationships are portrayed.

So Many Snakes, So Little Time Rick Shine, 2022-07-05 Snakes are creatures of mystery, arousing fear in many people but fascination in a few. Recent research has transformed our understanding of the behaviour and ecology of these animals, revealed their important roles in diverse ecosystems and discovered new and effective ways to conserve their populations and to promote coexistence between snakes and people. One of the leading contributors to that scientific revolution has been Prof. Rick Shine. Based in Australia, whose snake fauna is diverse and often dangerous, his experiences and anecdotes will inspire a new generation of serpent scientists. Spellbinding stories highlight the challenges, frustrations, and joys of discovery and give the reader a greater appreciation of these often slandered, slithering reptiles. Key Features: Documents the important role played by a preeminent herpetologist. Focuses on research conducted in Australia, especially on snakes. Summarizes highly influential conservation studies. Explores the ways in which research has deepened our understanding of snakes.

Why So Many Christians Have Left the Faith Michael L. Brown, 2023-03-07 FROM THE BEST SELLING AUTHOR OF JEZEBEL'S WAR WITH AMERICA, HYPER GRACE, AND THE REAL KOSHER JESUS At a time when the Bible and Christianity are considered untrustworthy, will we choose faith or follow the culture? This book will provide you with the facts and understanding you need to respond to difficult questions biblically and stay rooted in your faith even when others seem to be abandoning theirs. We are living in unprecedented times when Christian leaders are renouncing their faith and large numbers of believers are falling away. Is this the final apostasy prophesied by Jesus and Paul? And can we do anything to help those struggling with their faith? In *Why So Many Christians Have Left the Faith*, Dr. Michael L. Brown confronts the problem of Christian deconstruction with solid faith-building answers and honest responses to difficult questions. He addresses what the Bible says about an end-time falling away and whether that is what we are seeing in our day. How solidarity with and sympathy for the LGBT movement has brought with it a rejection of biblical values. The effect of leadership scandals on the credibility of the gospel. How the me-centered gospel is contributing to the current faith crisis by
