The background is a dark, textured wall. The text "THAT IS A TEMPTING OFFER" is overlaid at the bottom in a bold, white, sans-serif font with a black outline.

Beiser,2024-04-16 After a long struggle Jewish emancipation was formally completed in Germany in 1871 when Wilhelm I abolished religious discrimination across the entire Reich Yet the very same decade witnessed a new wave of antisemitism one more vicious and virulent than anything before At its centre was what is known as The Berlin Antisemitism Controversy How can this rise of antisemitism be explained when further liberal reform was expected Can it help us understand the tide of antisemitism that was to engulf Germany fifty years later In this outstanding book by a leading scholar of German philosophy Frederick C Beiser argues that to understand modern antisemitism we must go back in history Beginning with the background of the controversy and examining the most important antisemitic thinkers of the 1870s and 1880s he brilliantly analyses the beginnings of modern antisemitism in Germany Beiser challenges received scholarship that the rise of antisemitism was caused by a failure of the Jews to assimilate and criticises the view held by Hannah Arendt that antisemitism was at its peak when Jews were perceived to be powerless and had lost their roles in government and finance He argues instead that it was fuelled by a fear of Jewish domination that took multiple forms Exploring antisemitism from both a historical and philosophical perspective he situates antisemitism in relation to such fundamental questions as the conditions for citizenship in the modern state what is meant by nationality and what role religion should play in the state He also vividly and expertly analyses the writings and arguments of those involved in the antisemitism crisis of the 1870s including Wilhelm Marr Constantin Frantz and Adolf Treitschke and thinkers who are here examined in English for the first time The Berlin Antisemitism Controversy sheds much needed light on an episode whose shockwaves resonate today It is a superb account of a crucial period of not only German but also European and Jewish history and essential reading for anyone interested in the causes and roots of antisemitism in Germany and beyond **The Diplomatic Relations of Portugal with France, England, and Holland from 1640 to 1668** Edgar Prestage,1925 Survivor Howard Horne,2022-11-03 Dropped behind enemy lines in 1943 Howard Horne spends two years with a group of Italian Partisans observing German and Italian troop movements while avoiding capture A A life and running career at Penn State is interrupted by World War II as Howard Horne is thrust into a world of basic training flight school and OCS training in preparation for deployment overseas After being recruited for a special mission he crosses the Mediterranean by submarine and goes ashore behind enemy lines in Northern Italy His mission begins with nothing but a radio a gun a group of people he has never met and instructions to stay alive Little did he know this would only be the beginning of his journey *The Marriage Curse* Carolyn Andrews,2011-07-15 A ghost was one thing a curse was another Mattie Farrell s restaurant had a ghost one who played the harpsichord and opened the front door to a few select people Her gorgeous landlord Grant Whittaker was one of them And he was very much alive The ghost was his great aunt he said and her curse had driven everyone of marrying age out of Barclayville Everyone but him and her Mattie refused to believe it Why
