But where there is violence peace does eventually follow but peace never lasts long. Three centuries after the great battle in Gamaliel peace begins to shrivel away as a new power hungry group called Maura seizes control over the nations. It seems that no one is able to stop them not even the governments. Corruption is one of the tools that Maura takes advantage of. But hope is not completely erased there is one who still has a strong will to fight off this new threat. Even as she struggles to understand herself and remember her past she falls into this cold world and finds that her past is somehow tied with Maura's. Now as she confronts the enemy and their victims she finds herself torn between her past and the present. Will she be able to confront her past that will help shape not only her destiny but the world's? Will she find this Legendary Ezekiel or find herself part of the old legend. *The Earthly Gods* Nick Brown, 2016-06-16.
