loss may yet be counted gain I drink to Fortune her minions to Francis Drake and John Hawkins and Martin Frobisher to all adventurers and their deeds in the far off seas I drink to merry England and to the day when every sea shall bring her tribute to England like Aphrodite new risen from the main Drink with me The tavern of the Triple Tun rang with acclamation and the windows being set wide because of the warmth of the June afternoon the noise rushed into the street and waylaid the ears of them who went busily to and fro and of them who lounged in the doorway or with folded arms played Atlas to the tavern walls Who be the roisterers within demanded a passing citizen of one of these supporters The latter made no answer he was a ragged retainer of Melpomene and he awaited the coming forth of Sir Mortimer Ferne a notable encourager of all who would scale Parnassus But his neighbor a boy in blue and silver squatted upon a sunny bench vouchsafed enlightenment     **Sir**
