Six Screenplays By Robert Riskin:

Six Screenplays Robert Riskin, 1997 Screenwriter Robert Riskin 1897 1955 was a towering figure even among the giants of Hollywood's Golden Age. Known for his unique blend of humor and romance, wisecracking and idealism, Riskin teamed with director Frank Capra to produce some of his most memorable films. Pat McGilligan has collected six of the best Riskin scripts: *Platinum Blonde* 1931, *American Madness* 1932, *It Happened One Night* 1934, *Mr Deeds Goes to Town* 1936, *Lost Horizon* 1937, and *Meet John Doe* 1941. All of them were directed by Capra, and although Capra's work has been amply chronicled and celebrated, Riskin's share in the collaboration has been overlooked since his death. McGilligan provides the backstory for the forgotten half of the team: indispensable counterpoint to the director's self-mythologizing autobiography and incidentally the missing link in any study of Capra's career. Riskin's own career, although interrupted by patriotic duty and cut short by personal tragedy, produced as consistent, entertaining, thoughtful, and enduring a body of work as any Hollywood writer's. Those who know and love these vintage films will treasure these scripts. McGilligan's introduction offers new information and insights for fans, scholars, and general readers.

Songs of Innocence and Experience

Magdalena Grabias-Zurek,2013-07-26 *Songs of Innocence and Experience* Romance in the Cinema of Frank Capra is a study of the director's chosen movies from the perspective of three types of comedies paradisaical purgatorial and infernal as assigned by Dante in his *Divine Comedy* Magdalena Grabias views Capra's films in two broader categories of innocence and experience where innocence represents Dantean paradisaical level and experience combines the levels of purgatory and inferno Such a division constitutes the means to interpret Capra's filmic universe and to describe the ever evolving directorial vision of Frank Capra The main purpose of the book is to demonstrate how in the light of the theory of literary romance as presented by Northrop Frye in his seminal works concerning the subject the films of Frank Capra fit into the genre of romance Romantic elements in Frank Capra's movies can be found in both innocence and experience categories and hence consequently in his paradisaical purgatorial and infernal comedies However in both categories and all three comedy types the romantic reality of each examined film is structured and developed in a different manner The book offers an insight into Frank Capra's films and the complex process of creating his multidimensional romantic universe within them

Frank Capra's Eastern Horizons Elizabeth Rawitsch,2014-10-16 Frank Capra has long had a reputation as being the quintessential American director the man who perfectly captured the identity and core values of the United States with a string of classic films in the 1930s and 40s including *It Happened One Night* *Mr Smith Goes to Washington* and *It's a Wonderful Life* However as Elizabeth Rawitsch argues Capra's construction of national identity did not occur within an exclusively national context She points out that many of his films are actually set in or include sequences set in China Latin America the Philippines and the South Seas Featuring in depth textual analysis supported by original archival research *Frank Capra's Eastern Horizons* explains that Capra's view of what constituted America changed over time extending its boundaries to embrace countries often far from the United States Complicating Edward Said's theory of Orientalism as a strict binary in which the West constructs the East as an inferior other it demonstrates that East and West often intermingle in films such as *The Bitter Tea of General Yen* and in Capra's orientation documentaries for World War II American servicemen Capra imagined a kind of global community albeit one with heavy undertones of British and American imperialism Investigating shifts in what Capra's America has meant over time both to Capra and to those who have watched and studied his films this innovative book offers a startlingly fresh perspective on one of the most iconic figures in American film history

Peasants, Populism and Postmodernism

Dr Tom Brass,2013-02-01 Tracing the way in which the agrarian myth has emerged and re-emerged over the past century in ideology shared by populism postmodernism and the political right the argument in this book is that at

the centre of this discourse about the cultural identity of otherness difference lies the concept of and innate peasant ness In a variety of contextually specific discursive forms the old populism of the 1890s and the nationalism and fascism in Europe America and Asia during the 1920s and 1930s were all informed by the agrarian myth The postmodern new populism and the new right both of which emerged after the 1960s and consolidated during the 1990s are also structured discursively by the agrarian myth and with it the ideological reaffirmation of peasant essentialism

Grant, 2018-12-04 With kaleidoscopic trenchant path breaking insights Elizabeth D Samet has produced the most ambitious edition of Ulysses Grant's *Memoirs* yet published One hundred and thirty three years after its 1885 publication by Mark Twain Elizabeth Samet has annotated this lavish edition of Grant's landmark memoir and expands the Civil War backdrop against which this monumental American life is typically read No previous edition combines such a sweep of historical and cultural contexts with the literary authority that Samet an English professor obsessed with Grant for decades brings to the table Whether exploring novels Grant read at West Point or presenting majestic images culled from archives Samet curates a richly annotated highly collectible edition that will fascinate Civil War buffs The edition also breaks new ground in its attack on the Lost Cause revisionism that still distorts our national conversation about the legacy of the Civil War Never has Grant's transformation from tanner's son to military leader been more insightfully and passionately explained than in this timely edition appearing on the 150th anniversary of Grant's 1868 presidential election

populism to its core premise giving people the power to govern themselves without any constraints imposed by those on the left or the right Beginning with explanations of what it means to vote and what makes one society better off than another Horn analyzes what makes for fair aggregation and appropriate deliberative representation Through his examination of the American government Horn suggests solutions to contemporary problems such as gerrymandering immigration control and campaign finance and offers answers to age old questions like why dissenters should obey the majority and who should have the right to vote in various elections *Screen* ,1997
