

SKY MARSHAL BADGE

A counter-terrorist agent on board a commercial aircraft to counter aircraft hijackings. Sky Marshals are usually appointed on deputation for a period of 2 years from the National Security Guard (NSG) - Special Action Group (SAG).

Sky marshals were introduced by Indian Airlines in December 1999, following the hijacking of Indian Airlines Flight 814 in Kandahar. Following the September 11 attacks, private operators like Air Sahara also introduced sky marshals on some flights and stated plans to increase these.

Sky Marshals:

Sky Marshals Mark T. Beyer, 2003 Readers go undercover to get top secret information on the history missions training regimens and futures of these exciting branches of law enforcement

Air Marshals Kate Rogers, 2015-12-15 Air marshals are heroes in the skies and readers will enjoy learning what it takes to join the ranks of those who've chosen this career Detailed text informs readers of the duties skills and training required of air marshals Additional fact boxes and a graphic organizer enhance readers knowledge of this exciting career path This volume includes full color photographs of air marshals hard at work protecting people on airplanes and on the ground Examples of the heroism of real air marshals show readers what this important career is all about

Airport and Aviation Security Bartholomew Elias, 2009-09-14 The response of the U S federal government to the events of September 11 2001 has reflected the challenge of striking a balance between implementing security measures to deter terrorist attacks while at the same time limiting disruption to air commerce Airport and Aviation Security U S Policy and Strategy in the Age of Global Terrorism is a co

One Marshal's Badge Louie McKinney, 2009-09-30 While many people are familiar with the U S Marshals Service's reputation from frontier days when legendary lawmen such as Wyatt Earp and Bat Masterson enforced the Wild West the agency's modern exploits are less well known One Marshal's Badge sheds light on the service's valuable role in current national and international affairs through the intriguing figure of Louie McKinney the agency's former director McKinney's life is an inspirational story of personal fortitude and professional achievement Growing up a sharecropper's son in the segregated South McKinney rose to become the first career deputy to lead the Marshals Service Prior to his promotion McKinney contributed to the agency in many groundbreaking ways including helping to restore order to the skies after a rash of airline hijackings in the early 1970s guarding prisoner John Hinckley the man who attempted to assassinate President Ronald Reagan as a yearlong assignment transporting criminals to trial and to prison in his own car before the creation of Con Air enforcing the integration of Southern public schools as a black deputy marshal and heading an innovative sting operation that netted hundreds of fugitives by enticing them with free football tickets One Marshal's Badge offers a rare glimpse into the Marshal Service's inner workings especially its witness protection program and elite SWAT team and is an eyewitness account of the social turbulence that defined American history in the late twentieth century

Air Marshals Kate Rogers, 2015-12-15 Air marshals are heroes in the skies and readers will enjoy learning what it takes to join the ranks of those who've chosen this career Detailed text informs readers of the duties skills and training required of air marshals Additional fact boxes and a graphic organizer enhance readers knowledge of this exciting career path This volume includes full color photographs of air marshals hard at work protecting people on airplanes and on the ground Examples of the heroism of real air marshals show readers what this important career is all about
