Juliet James, 2017-01-30 *Revisiting Vietnam* Julia Bleakney, 2013-09-13 This book explores the memorializing practices of American veterans of the Vietnam War at several of the most significant contemporary sites of memory in the United States and Vietnam. These sites include veterans' memoirs, museum exhibits, replicas of the National Vietnam Veterans Memorial, and tourism to Vietnam. Because war memorializing has since the late 1960s shifted focus from national soul searching to personal identity and recovery, I emphasize how contemporary narratives of the war shaped more by memory than by history, often are detached from the specific history of the war and its political controversies. Drawing on trauma and cultural memory scholarship as well as empirical data gathered during field research in the U.S. and Vietnam, the author examines how veterans' memorializing practices have become increasingly individualized, commodified, and conservative since the early 1980s.

Feelers Brian M. Wiprud, 2025-10-16 Morty Martinez is known in the industry of estate liquidation as a feeler. If you were to look him up in the Brooklyn yellow pages, he would be listed under home content removal, but his real job is looking for stashes of cash crammed into tin cans that have been left out of wills, kept out of banks, and hidden away for decades by the frugal, elderly, suspicious of ATMs and the IRS. When Morty hits upon the biggest score of his life, over 800,000.00, he knows that news travels fast and he must operate quickly and carefully to safeguard his booty, his life, and his destiny as patrician of a seaside Mexican village. But what he doesn't know is that there are others after the same buried treasure, including the recently paroled prison assassin Danny Kessel.

Wolfville Alfred Henry Lewis, 1897 The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post-WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting, and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English; slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean; emphasis on post-World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge; commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK, and Australia; New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources, and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning; it's rude, it's delightful, and

it's a prize for anyone with a love of language The Come-By-Chance Western Romance Series - Books 9-12 Juliet James, The conclusion to this much loved series over 100 000 copies sold where strong women risk everything to rise above their desperate circumstances find true love and wed real men who'll treat them right This final box set contains Books 9-12 in the Come By Chance series Most folk prefer to start with Box Set 1 the blue one and Box Set 2 the pink one Like most series they are better read in order Ava Ina Two weddings Two evil outlaws Two more Come By Chance women in the family way Lillie A precious girl with a fragile heart A beau with a bad case of wanderlust Preacher Ernest James Coy the Come By Chance townsfolk are in for a terrible shock Pearl A man shy woman A wedding shy man A preaching shy preacher And one conniving outlaw with plans take over the town then the Territory Jane A wild and fun Modern Miss A Preacher with a mighty pair of conundrums An outlaw turned politician who's out of control Don't miss the exciting conclusion to the Come By Chance saga What readers are saying about the series I wish I could move there too I just love all the characters I can't wait to see if that mean old outlaw gets what he deserves I would recommend this book and the whole series to any who enjoy clean exciting western historical fiction That kind of originality earned my respect and a fourth star Nice going Juliet I am addicted to all of them so far They are sweet funny and romantic Love the town of Come By Chance Feel like I know the folks Drama romance mystery it has it all Selling Your Services Robert W.
