Small Business Management And Entrepreneurship In Hong Kong:

Small Business Management and Entrepreneurship in Hong Kong Ali F. Farhoomand, 2005-01-01 The case studies are topically diverse and span a range of managerial functions and sectors This casebook is an anthology of 28 cases from the series The cases are written with a strong management perspective to offer a practical and interesting look at how successful entrepreneur managers in Hong Kong systematically generate innovations in the shape of successful new products services processes and technologies when faced with various organizational and environmental challenges They constitute a comprehensive self contained course of study each case can also be considered on its own *Chinese Entrepreneurship* Fu-Lai Tony Yu, Diana Kwan, 2015-07-24 After more than 30 years of reformations in agriculture manufacturing and trade and industry China's economy has grown to become the second largest in the world This book examines the contributions of dynamic entrepreneurs to the economic development of mainland China and Hong Kong an analysis that is largely lacking in existing studies China's economic stronghold This book adopts theories of entrepreneurship and market processes as major analytical frameworks to conclude that entrepreneurship is the true engine of growth in mainland China and Hong Kong Chinese Entrepreneurship focuses on the knowledge drivers and systemic challenges of these businesses to examine how entrepreneurs under uncertainty identify and pursue profit opportunities and how their efforts have enhanced China's economic dynamics This book offers vital insight to students teachers and researchers of Chinese business and economics along with Chinese culture and expanding economies *Asian Models Of Entrepreneurship - From The Indian Union And Nepal To The Japanese Archipelago: Context, Policy And Practice (2nd Edition)* Leo-paul Dana, 2014-06-13 In this book Leo Paul Dana makes it clear that much can be learnt about the nature of entrepreneurial activity when we delve into the unique characteristics of different nations of South Asia South east Asia and East Asia Through in depth analyses and comprehensive reviews of many Asian countries the profound differences both among and within countries of the region become vividly apparent Dana juxtaposes the explosion in entrepreneurial growth within China against the struggles to build an entrepreneurial community in Japan or the enlightened public policy leadership in Singapore against the crisis driven developments in Korea The range of factors identified within each of the 15 countries examined by Dana is not an example of random influences on the entrepreneurial process because they can be construed in more systematic and logical ways Thus the book uncovers the Chinese model of gradual transition the Royal Cambodian model and the Doi Moi model among many others The reader is challenged to grasp these different models and identify their commonalities and differences **Iranian Entrepreneurship** Shahamak Rezaei, Leo-Paul Dana, Veland Ramadani, 2017-05-14 This book presents a comprehensive state of the art portrait of entrepreneurship and small business management issues in Iran and among the Iranian Diaspora The major contributions in this book address topics such as innovation female entrepreneurship social entrepreneurship migrant entrepreneurship corporate entrepreneurship institutional support of entrepreneurial initiatives and more This book is the

outcome of an extensive research endeavor spanning several years and includes the latest contributions from highly respected authors and experts from Iran and beyond ICIE 2018 6th International Conference on Innovation and Entrepreneurship Dr. Denise A. D. Bedford, Dr. Elias G. Carayannis, 2018-03-05 These proceedings represent the work of researchers participating in the 6th International Conference on Innovation and Entrepreneurship ICIE 2018 which is being co hosted by Georgetown University and George Washington University and is being held at The University of the District of Columbia UDC on 5 6 March 2018 Journal of Small Business and Entrepreneurship ,1985 **Interdisciplinary and Practical Approaches to Managerial Education and Training** Carvalho, Luísa Cagica, Teixeira, Nuno, Pardal, Pedro, 2022-03-25 In the last decades the development of innovative practices has gained considerable interest New generations of students have grown up in a very different environment from their predecessors one influenced by information and communications technology ICT In a globalized world ICT is changing the way businesses create and capture value how and where we work and how we interact and communicate Thus some of the traditional teaching methods are rapidly becoming obsolete and unattractive to the new generation of students Despite the increase in the development of new teaching approaches in recent years relevant questions related to learning objectives suitable methodologies and impact assessment remain unanswered Interdisciplinary and Practical Approaches to Managerial Education and Training addresses the best practices laboratory methods policies protocols and practical approaches to managerial education and training Covering a wide range of topics such as training programs teacher education and online learning it is ideal for academics university teachers researchers students public and private institutions and professionals in managerial training education

Entrepreneurship and Entrepreneurial Skills in Europe Ileana Hamburg, Alexandra David, 2017-07-17 The labour markets and European societies as a whole are subject to constant change One way to face these challenges is the application of entrepreneurial skills like self motivation time management etc The authors give examples of entrepreneurship in the fields of digitalization social innovation and eco innovation and present special groups of entrepreneurs e g migrants and their entrepreneurial spirit Thus the readers get insight in how an innovative and competitive Europe can look like Chinese Culture, Organizational Behavior, and International Business Management Ilan Alon, 2003-02-28 The impact of Chinese culture can be felt in all areas of business and management in China from Chinese firms to Western companies This edited volume integrates contributions from multiple disciplines and countries including China Hong Kong Taiwan France Australia New Zealand Canada the United Kingdom and the United States More than merely a compendium of how to do business in China tips this book examines the influence of culture specifically Confucian values and Chinese traditions on foreign direct investment joint ventures management styles and theories and organizational behavior Alon and his contributors demonstrate that significant differences still exist between Chinese and Western cultures and that these differences require an adaptation on both sides Chinese firms will need to adapt to the way Western organizations do business as well as to

currents in Western management theory meanwhile Western firms will need to take Chinese cultural influences into account when formulating strategy Both sides can benefit from the insights contained in this volume which is relevant for scholars of international business cross cultural management and organizational behavior *New Strategy Models in Digital Entrepreneurship* Yazıcı, Ayşe Meriç, Albattat, Ahmad, Valeri, Marco, Hassan, Viana, 2024-08-09 The changing digital landscape has many organizations grappling with the challenge of adapting to unprecedented changes and innovation The absence of a universally accepted definition of digital strategy exacerbates the complexity leaving leaders uncertain about how to navigate this journey Inertia becomes an untenable response to the urgent questions organizations face in a digitized world how to seize digital opportunities mitigate threats and transform traditional values into digital assets *New Strategy Models in Digital Entrepreneurship* emerges as the definitive solution for academic scholars seeking clarity and guidance in the realm of digital strategy The book offers a comprehensive collection of papers that explore traditional paradigms contemporary approaches and innovative research methodologies It serves as a beacon for practitioners academicians postgraduate and undergraduate students and librarians providing a roadmap for formulating and executing robust digital strategies From theoretical foundations to the application of innovative business models the book presents a holistic approach to navigating the complexities of digital transformation **Comparative Entrepreneurship** D.
