Rhys, 1983 **HeartSpills** Yasmin Khan, Heartspills is a book inked by soulfull writers who spilled their hearts out and
weaved their words in the form of articles poetries poems short stories and quotes Everybody here owns a unique writing
style for they are from different parts of India thus representing the diversity The theme is open and contains potrayal of love
heartbreak art freedom travel expression nature and everything inbetween This anthology undoubtedly provides a platform
to the budding writers to telecast their talents and gives wings to their dreams of being a published co author *Journeying
and Journalling* Giselle Bastin, 2010 In December 2004 the town of Penneshaw Kangaroo Island provided the backdrop for an
international conference titled Journeying and Journalling The conference created a space for creative and critical
meditations on travel writing Collectively the essays in this collection provide a snapshot of current directions and
preoccupations in contemporary travel writing scholarship They function as a reminder of the work that has been done on
representations of Indigeneity and of writing marginalised narratives into the travel canon However these chapters also
remind us of the important work that remains particularly in relation to travel writing as form of reconciliation for example
between Indigenous people and colonisers and between colonisers and neo colonials Scholars also bear the responsibility of
considering the complexities of representing culture and place in a post colonial even post traumatic world This collection
includes essays by Tim Youngs Helen Tiffin and Paul Sharrad and many other leading writers in the field of travel writing

Wounded Images Kristine M. Whaley, 2024-03-27 This volume works through deconstructing traditional models of the
imago Dei in search of a more inclusive understanding of the doctrine one that allows for literature to bring important
questions to bear Brief analyses of Karl Barth and Paul Tillich and then growing dissatisfaction with the two in various
liberation theologies brings to light the problems of a perfected image of God An exploration of four novels by Jean Rhys
between 1928 and 1939 then follows the footsteps of Katie Cannon and others who include literature in their theological
work The Rhys novels follow tragic stories of women who are wounded both by others and by their own inability to see
themselves as worthy Through the questions these women ask about themselves and God the reconstruction of the imago Dei
is set up This reconstruction centers trauma wounds and a non contrastive transcendence that Kathryn Tanner defines
Ultimately it is not in how we are perfect but rather through our risks our wounds and even our grief that we connect to God

Virginia Woolf and Heritage Jane deGay, Tom Breckin, Anne Reus, 2017-06-08 This collection situates Woolf in relation to the past exploring her rich and varied heritage from a variety of fields while also assessing her own literary and biographical legacy

The Recovering Leslie Jamison, 2018-04-03 From the New York Times bestselling author of *The Empathy Exams* comes this transformative work showing that sometimes the recovery is more gripping than the addiction With its deeply personal and seamless blend of memoir cultural history literary criticism and reportage *The Recovering* turns our understanding of the traditional addiction narrative on its head demonstrating that the story of recovery can be every bit as electrifying as the train wreck itself Leslie Jamison deftly excavates the stories we tell about addiction both her own and others and examines what we want these stories to do and what happens when they fail us All the while she offers a fascinating look at the larger history of the recovery movement and at the complicated bearing that race and class have on our understanding of who is criminal and who is ill At the heart of the book is Jamison's ongoing conversation with literary and artistic geniuses whose lives and works were shaped by alcoholism and substance dependence including John Berryman Jean Rhys Billie Holiday Raymond Carver Denis Johnson and David Foster Wallace as well as brilliant lesser known figures such as George Cain lost to obscurity but newly illuminated here Through its unvarnished relation of Jamison's own ordeals *The Recovering* also becomes a book about a different kind of dependency the way our desires can make us all as she puts it broken spigots of need It's about the particular loneliness of the human experience the craving for love that both devours us and shapes who we are For her striking language and piercing observations Jamison has been compared to such iconic writers as Joan Didion and Susan Sontag yet her utterly singular voice also offers something new With enormous empathy and wisdom Jamison has given us nothing less than the story of addiction and recovery in America writ large a definitive and revelatory account that will resonate for years to come

Critical Perspectives on Jean Rhys Pierrette M. Frickey, 1990 Rhys acclaimed author of *Wide Sargasso Sea* Quartet and other novels treating the alienation of a woman from the Caribbean living in European settings has been a focus of interest both as a feminist writer and in the context of Caribbean literature

Virginia Woolf, Jean Rhys, and the Aesthetics of Trauma P. Moran, 2007-01-08 This is a study of modernism sexuality and subjectivity in the work of two leading women modernists Each confronted the aspects of her culture and personal history that resulted in a degraded sense of female sexuality and explored how traumatic childhood sexual experiences informed their relationship to female corporeality and fiction writing

Jean Rhys Elaine Savory, 1998 Jean Rhys has long been central to debates in feminist modernist Caribbean British and postcolonial writing Elaine Savory's study first published in 1999 incorporates and modifies previous critical approaches and is a critical reading of Rhys's entire oeuvre including the stories and autobiography and is informed by Rhys's own manuscripts Designed both for the serious scholar on Rhys and those unfamiliar with her writing Savory's book insists on the importance of a Caribbean centred approach to Rhys and shows how this context profoundly affects her literary style Informed by contemporary arguments on

race gender class and nationality Savory explores Rhys's stylistic innovations her use of colours her exploitation of the trope of performance her experiments with creative non fiction and her incorporation of the metaphysical into her texts This study offers a comprehensive account of the life and work of this most complex and enigmatic of writers *Jean Rhys at "World's End"* Mary Lou Emery, 2014-01-30 The Caribbean Islands have long been an uneasy meeting place among indigenous peoples white European colonists and black slave populations Tense oppositions in Caribbean culture colonial vs native white vs black male conqueror vs female subject supply powerful themes and spark complex narrative experiments in the fiction of Dominica born novelist Jean Rhys In this pathfinding study Mary Lou Emery focuses on Rhys's handling of these oppositions using a Caribbean cultural perspective to replace the mainly European aesthetic moral and psychological standards that have served to misread and sometimes devalue Rhys's writing Emery considers all five Rhys novels beginning with *Wide Sargasso Sea* as the most explicitly Caribbean in its setting in its participation in the culminating decades of a West Indian literary naissance and most importantly in its subversive transformation of European concepts of character From a sociocultural perspective she argues persuasively that the earlier novels *Voyage in the Dark* *Quartet* *After Leaving Mr Mackenzie* and *Good Morning Midnight* should be read as emergent Caribbean fiction written in tense dialogue with European modernism Building on this thesis she reveals how the apparent passivity masochism or silence of Rhys's female protagonists results from their doubly marginalized status as women and as subject peoples Also she explores how Rhys's women seek out alternative identities in dreamed of magically realized or chosen communities These discoveries offer important insights on literary modernism Caribbean fiction and the formation of female identity

I Used to Live Here Once: The Haunted Life of Jean Rhys Miranda Seymour, 2022-06-28 Enthralling Seymour powerfully evokes the world from which Rhys never really escaped one of prejudice abuse and abuse's shamefaced offspring complicity James Wood *The New Yorker* An intimate profoundly moving biography of Jean Rhys acclaimed author of *Wide Sargasso Sea* Jean Rhys is one of the most compelling writers of the twentieth century Memories of her Caribbean girlhood haunt the four short and piercingly brilliant novels that Rhys wrote during her extraordinary years as an exile in 1920s Paris and later in England a body of fiction above all the extraordinary *Wide Sargasso Sea* that has a passionate following today And yet her own colorful life including her early years on the Caribbean island of Dominica remains too little explored until now In *I Used to Live Here Once* Miranda Seymour sheds new light on the artist whose proud and fiercely solitary life profoundly informed her writing Rhys experienced tragedy and extreme poverty alcohol and drug dependency romantic and sexual turmoil all of which contributed to the Rhys woman of her oeuvre Today readers still intuitively relate to her unforgettable characters vulnerable watchful and often alarmingly disaster prone outsiders women with a different way of moving through the world And yet while her works often contain autobiographical material Rhys herself was never a victim The figure who emerges for Seymour is cultured self mocking unpredictable and shockingly contemporary Based on new research in the Caribbean a wealth of never before seen papers

journals letters and photographs and interviews with those who knew Rhys I Used to Live Here Once is a luminous and penetrating portrait of a fascinatingly elusive artist **Phyllis Shand Allfrey** Lizabeth Paravisini-Gebert,1996 Phyllis Shand Allfrey is the first biography of one of the Caribbean s most intriguing writers and politicians Allfrey 1908 1986 is best known as the author of *The Orchid House* a fictionalized account of her early life that was turned into a highly acclaimed film for British television Born to a prominent family of formerly wealthy sugar planters in Dominica Allfrey followed an unexpected path a rising novelist who is often paired with Jean Rhys in critical discussion and Fabian socialist in England and the United States she returned to Dominica to organize the peasantry and estate workers into the island s first political party Ostracized by the white elite into which she was born she led the Dominica Labour party to power and became the West Indian Federation s only woman and only white minister only to find herself expelled from the party when the rise of black nationalism made it expedient The biography recreates Allfrey s life as it unfolds against the background of twentieth century Caribbean political and literary history from the decline of the planter class through the rise of party politics and the efforts to join the anglophone West Indies into a federation to the troubled sixties and seventies decades marked by racial violence and the emergence of the former British territories from colonial control This volume includes five autobiographical stories that have long been out of print **Writing Displacement** Akram Al Deek,2019-03-08 Uses the Palestinian exilic displacements as a tool and compass to find intersecting points of reference with the Caribbean Indian African Chinese and Pakistani dispersions Writing Displacement studies the metamorphosis of the politics of home and identity amongst different migrant nationals from the end of WWII into the new millennium **Transnational Jean Rhys** Juliana Lopoukhine,Frédéric Regard,Kerry-Jane Wallart,2020-12-10 This volume investigates the frameworks that can be applied to reading Caribbean author Jean Rhys While *Wide Sargasso Sea* famously displays overt forms of literary influences Jean Rhys s entire oeuvre is so fraught with connections to other texts and textual practices across geographical boundaries that her classification as a cosmopolitan modernist writer is due for reassessment Transnational Jean Rhys argues against the relative isolationism that is sometimes associated with Rhys s writing by demonstrating both how she was influenced by a wide range of foreign especially French authors and how her influence was in turn disseminated in myriad directions Including an interview with Black Atlantic novelist Caryl Phillips this collection charts new territories in the influences on of an author known for her dislike of literary coteries but whose literary communality has been underestimated **Enchanted** Shivangi Gajwani Jain, It is always wonderful to see new talent Enchanted is not just a book of poems but also a compilation of philosophical musing of great minds Certainly a book you would visit again and again My praise for Shivangi Jain for going beyond the rigors of medical profession and exploring the magic of poetry Catalog of Copyright Entries.
