Miranda Miller,1987 **At Millennium's End** Kevin Alexander Boon,2001-03-22 When I look back at my incredibly lucky career as a writer it seems that there was never time to think It was as though I were skiing down a steep and hazardous mountain slope When I look back at the marks my skis made in the snow on the way down I only now realize that I wrote again and again about people who behaved decently in an indecent society From the Foreword by Kurt Vonnegut At Millennium s End looks back over the body of Kurt Vonnegut s writing examining the novels essays and short stories of one of the century s most beloved and widely read authors and social critics It also looks forward projecting Vonnegut s relevance to the next millennium The essays by noted Vonnegut scholars and personal friends are each written from the perspective of someone familiar with Vonnegut s entire canon **Passport to the New World** Sunny Ayewanu,2001 **Psion: Agent of U. transforming distance and migration situations to resemble times gone by when travel was far more prohibitive and emigration felt more permanent At the same time expat lives were being thrown headlong into a new future shaped more profoundly than ever by digital means This work is a close examination of how Irish migrants in Germany construct their Irishness and in doing so maintain their belonging to Ireland across a geographic distance transformed by the pandemic This work seeks to draw out the underlying patterns and meanings in the day to day practices of Irishness by members of Ireland's putative diaspora in Germany by interweaving a multitude of ethnographic vignettes and rich interview material with relevant and interesting theoretical concepts Interlocutors see Ireland as a site of personal memory good bad and in between and of meaning making practices Ireland is deeply personal to them that understood their practices of belonging to Ireland are nonetheless embroiled in the political goal of making Ireland visible abroad
