celebrate the accomplishments of Conrad Kain in the diverse mountain landscapes of North America Europe and New Zealand The new foreword by acclaimed mountaineer and filmmaker Pat Morrow puts Kain s mountaineering adventures numerous explorations and devout appreciation of nature into a contemporary context ensuring that the exploits of this remarkable individual will remain part of international mountain culture for years to come To commemorate the 100th anniversary of Kain s arrival in Canada the Conrad Kain Centennial Society was formed in 2008 to celebrate his many achievements and to develop legacy projects in his memory This expanded edition of Kain s book will help carry his passion for mountaineering to a new generation of readers and adventurers The Russian Review Leo Pasvolsky,1917 **Middle**
