Pinto,2013-09-06 In this comparative study of contemporary Black Atlantic women writers Samantha Pinto demonstrates the crucial role of aesthetics in defining the relationship between race gender and location Thinking beyond national identity to include African African American Afro Caribbean and Black British literature Difficult Diasporas brings together an innovative archive of twentieth century texts marked by their break with conventional literary structures These understudied resources mix genres as in the memoir ethnography travel narrative Tell My Horse by Zora Neale Hurston and eschew linear narratives as illustrated in the book length non narrative poem by M Nourbese Philip She Tries Her Tongue Her Silence Softly Breaks Such an aesthetics which protests against stable categories and fixed divisions both reveals and obscures that

which it seeks to represent the experiences of Black women writers in the African Diaspora Drawing on postcolonial and feminist scholarship in her study of authors such as Jackie Kay Elizabeth Alexander Erna Brodber Ama Ata Aidoo among others Pinto argues for the critical importance of cultural form and demands that we resist the impulse to prioritize traditional notions of geographic boundaries Locating correspondences between seemingly disparate times and places and across genres Pinto fully engages the unique possibilities of literature and culture to redefine race and gender studies Samantha Pinto is Assistant Professor of Feminist Literary and Cultural Studies in the English Department at Georgetown University In the American Literatures Initiative

*Wedding, Gender, and Performance in Ancient Greece* Andromache Karanika,2024-09-11 Wedding Gender and Performance in Ancient Greece traces the wedding song tradition its imagery and its tropes as a genre that became crystallized throughout the ages It explores how wedding poetics permeates ancient Greek literature It first analyzes how explicit or implicit matrimonial references shape archaic epic diction and become an integral part of epic discourse orally circulating texts such as wedding songs could have a life of their own but beyond their original context could also become an integral part of a different genre especially epic and drama This author discusses the multiple platforms that enrich the wedding song tradition including children s songs hymns paeans and ululations arguing for a combination of ritualized discourse with ludic childhood poetics With an approach from cognitive and trauma studies such references can be more revealing of the female experience than previously acknowledged This book resists the idea that a wedding constitutes an initiation ritual arguing that what on the surface may seem like a transition to a new phase reveals other underlying trends that work against the concept of a passage It further considers how emotion is staged and revisits the poetics of return by looking at patterns such as the eloping returning failed and dead bride Finally the theme of separation and return as an exemplification of a distinct female nostos is revisited in female authored poetry which helps us decode the complex interweaving of wedding performances and lamentation among other types of performance *How to Take Great Digital Photos of Your Friend's Wedding* ,2007-02-01 Armed with a digital camera wedding attendees can create snapshots of the their friend s big day with the camera lighting posing and composition skills taught in this step by step manual Beginning with a discussion of digital capture basics and how to ensure the best possible exposure by selecting the appropriate ISO settings photographers learn how to create the setting that produces the best results under any lighting conditions Posing is
