Leopold the Lion Denise Brennan-Nelson,2015-09-01 When Jack and Ella come across a friendly and talented lion in their backyard they are thrilled to take him in as their pet And they re positive they know just how to care for their new pet ignoring Grandpa s cheeky asides But soon Leopold the Lion grows despondent and chubby Even the circus who lost him won t take him back Do Jack and Ella know what to do to get Leopold healthy again A sweet story with a subtle commentary on making healthy choices      *Sketching Stuff* Charlie O'Shields,2018-11-22 Charlie O Shields is the creator of Doodlewash

founder of World Watercolor Month in July and host of the Sketching Stuff podcast Every single day for over three years he created a watercolor illustration and wrote a short essay about whatever came to mind that day and posted it on his blog These are some of the collected favorites along with some brand new musings With over 180 illustrations this book is part personal memoir and sometimes just a randomly fun romp through the sillier bits of this crazy world we all inhabit Written to take on the impossible task of inspiring creativity unleashing your inner child and instilling hope it will at the very least make you smile and touch your heart      Winter Is My Middle Name Don Rayner,2017-10-09 Join Danny and his friends as they

have many misadventures in a southwestern Pennsylvania steel town during the late 1950s and early 60s The story has many memorable and odd characters It was a much simpler time there were no cell phones computers or video games People still gathered around the radio to listen to Superman and Fiber Magee and Molly If they were lucky enough to have a TV it was black and white and all kitchen appliances were white There was no Internet The closest thing to Amazon was the Sears Catalog where you could order anything from a toy train to a Craftsman House Sputnik Echo and who knows what were circling the earth The local dump provided everything kids needed to keep them occupied There were areas in town that still had outhouses They were poor but didn t know it Kids could roam the neighborhood without any worries Their parents would tell them Come home when the streetlights come on If you are looking for a book like War and Peace or Moby Dick then look somewhere else This book is more like Jean Shepherd s A Christmas Story if it were a movie it would be rated G for general audiences Whether you are 12 or 112 I am sure you are going to enjoy this book as much as I enjoyed writing it
