So Little Time:

Pieces of My Heart Virginia Midgett Richardson, 2013-05-28 About the Book Today with so many forms and styles of modern poetry it is refreshing sometimes to read the simple rhymes that one can understand without some kind of degree in reading poetry The poems between the covers of this book come from the very heart of the writer and describes so many feelings she has felt through the many years of her life Some are sad and some are hopeful and there are others that tell her story in rhyme that is simple and are written for ordinary people who often feel as she feels Maybe in some of the poems they can find a part of themselves or relive some memories they have long forgotten but would like to revisit May these words bring some joy to others and that is one reason the author has published this book **The Photographic Times**, 1911
