## So Sure Of Life:

**Home Life; a Journal** Elizabeth Missing Sewell, 1867      The Little Ball O' Fire; or, the Life and ures of John Marston  
Hall G. P. R. James, 2016-09-10 My father was a gentleman of small estate in Lincolnshire whose family possessions under a  
race of generous ancestors had dwindled from splendid lordships to bare competence His blood which was derived from as  
noble a source as that of any in the land had come down to him pure through a number of knights and nobles who though  
they were little scrupulous as to the means of spending their riches were very careful not to augment them by cultivating any  
but the somewhat barren field of war He made a love match with a daughter of the second Lord Wilmerton and in order that  
his wife might not draw unpleasant comparisons between the station of her husband and that of her father he frequented the  
court and lived beyond his means He was already in difficulties when I was born but like a brave man he resolved to meet  
them boldly and after some solicitation obtained a small military appointment which increased his revenue without adding to  
his expenses Loyalty with him was a passion which like love in other men prevented him from seeing any faults in its object  
and of course as the court well knew that no benefits could make him more loyal than he already was it showered its favours  
upon persons whose affection was to be gained leaving him to struggle on without further notice      *The Panorama of Life*

With a portrait** Luigi CORNARO (Author of the "Discorsi della vita sobria."), 1830      Man's Imitation of Life and Desire David J. Poplstein, 2012-04-16 The book you are holding in your hands is Part Two of my poetry It revolves around real life events and people I know and love It is also about those I have met and friends I have found along the way Some poems are about domestic abuse Christianity and God some are about love hurt and pain romance I hope you enjoy these poems I have written and that you can relate to what I am saying through them All for the love of Poetry Best wishes David J I am including a very deep poem here It is called A Woman of Strength I need to tell you a story about a woman I know Listen closely to this story as I let it flow Alone in her room in the dark as the tears fall Thinking about

her life and how she gave it her all Her mind has been so abused along with her face With the black and blue marks her swollen eyes leaving only a trace The hurt and pain from his hand leaving the scars within The tears fall from her eyes leaving her with nothing How she tries to smile but the pain gets in the way So many times Ive tried to tell her not to stay But she stayed anyway thinking everything would be fine Knowing hed be home soon as she walked that thin line Finally he came home and again she started to shake So scared as you thought how much more can you take He raised his hand to you once again as you hid with fear Wishing so hard it would all stop including the tears Once again alone in your room with your head in your hands As the blood dripped down your face right where you stand This time it went too far as you fell to the floor As you stood up looking at him face to face You told him to go to hell walking out and forever closing the door A serious call to a devout and holy life. with an intr. essay by D. Young William Law,1853 *Peaceful Life* An LianBiAnHua,2020-06-30
