Sir Edwin Lutyens Country Houses:

Sir Edwin Lutyens Daniel O'Neill, 1980 **Edwin Lutyens** Gavin Stamp, 2001 Presenting a stunning collection of the architectural designs of Edward Lutyens throughout the many phases of his acclaimed career this beautifully presented study includes examples of his Surrey vernacular style early arts and crafts houses and his carefully composed classical houses

The Architecture of Sir Edwin Lutyens: Country-houses Arthur Stanley George Butler, 1984 **Edwin Lutyens** Gavin Stamp, 2009-06-16 Gavin Stamp's authoritative introduction places Lutyens firmly among the giants of architecture an architect of rare genius and humanity Stamp selected twenty two houses representing all phases of Lutyens's career two hundred beautifully reproduced photographs combined with Stamp's illuminating essay provide a unique survey **Houses & Gardens by Sir Edwin Lutyens, R.A.** Sir Lawrence Weaver, 1913 The Architecture of Sir Edwin Lutyens A.S.G. Butler, 2023-04-28 The quality of the reprint is nearly perfect with a good selection of papers for the three sequential parts of the book the texts the drawings and the black and white photographs Text and drawings are on matte heavyweight pages while the photos are on glossy paper The inks make everything read well in particular the drawing reproductions are exquisite Archidose Edwin Lutyens one of the most famous architectural names of the 20th century died in 1944 As a memorial three large volumes of his drawings and photographs were commissioned from the thousands found in his office and were published by Country Life All three volumes will be republished in 2023 The first volume contains his own plans elevations and copious details of the finest examples of his domestic buildings on which his huge reputation principally rests The book embodies the quintessence of the man and his work the variety of style and design seen in the houses brings together in one volume the many strands of Lutyens's fertile mind Two further volumes will include his corporate and public buildings The genius of Lutyens is now universally recognized In the work featured in this book we can now see not just the professionalism of a great architect but also the loving care with which he set down the most minute detail with the result that this is one of the few books in existence that can be used to provide working drawings **Houses and Gardens by Sir Edwin Lutyens** Sir Edwin Landseer Lutyens, Lawrence Weaver, 1913 **Houses and Gardens by Sir Edwin Lutyens, R.A.** Lutyens, 1925 The Country House Revealed Dan Cruickshank, 2012-07-31 Spanning the architectural history of the country house from the disarming Elizabethan charm of South Wraxall the classical rigour of Kinross in Scotland the majesty and ingenuity of Hawksmoor's Easton Neston the Palladian sweep of Wentworth Woodhouse with over 300 rooms and frontage of 600 feet the imperial exuberance of Clarendon through to the ebullient vitality of Lutyens Marshcourt the stories of these houses tell the story of our nation All are the buildings of the greatest architectural interest each with a fascinating human story to tell and all remain private homes that are closed to the public But their owners have opened their doors and allowed Dan Cruickshank to roam the corridors and rummage in the cellars as he teases out the story of each house who built them the generations who lived in them and the families who lost them Along the way he has uncovered tales

of excess and profligacy tragedy comedy power and ambition And as these intriguing narratives take shape Dan shows how the story of each house is inseparable from the social and economic history of Britain Each one is built as a wave of economic development crests or crumbles Each one s architecture and design is thus expressive of the aims strengths and frailties of those who built them Together they plot the psychological economic and social route map of our country s ruling class in a rich new telling of our island story The Architecture of Sir Edwin Lutyens A. S. G. Butler, 1950
