Bissinger, 2008-04-03 *Da Capo* is a collection of stories plays poems and journals in which Tom Bissinger takes on his world whether reading Shakespeare to a blind bag lady observing three playwrights comically vying to destroy each other's career amidst the bustle of a Korean deli or meditating on his father in a Sao Paulo swimming pool Part autobiography part story telling part poetic explorations of dream world and part social satire Bissinger conveys the theatricality of so called ordinary existence by pulling his life towards him hungering for the nuggets of mirth and meaning ultimately owning it in original daring prose He takes on the challenge of staying awake in a troubled violent world while addressing his yearning for reverie and revelation

Selected Writings of Judith Sargent Murray Judith Sargent Murray, 1995 Includes selections from *The Gleaner* her major work and other publications As a novelist essayist dramatist and poet Judith Sargent Murray candidly and often humorously asserted her opinions about the social and political conditions of women in late eighteenth century America As a committed feminist she urged American women to enter a new era in female history yet published her own writings under a man's name in the hopes of more widely disseminating her ideas

Selected Writings of Elbert Hubbard Elbert Hubbard, 1922 *The Collected Writings of Samuel Lover: Poetical works* Samuel Lover, 1903

Selected Works of Edgar Wallace Edgar Wallace, 2020-09-28 AMBER sat in his cell at Wellboro gaol softly whistling a little tune and beating time on the floor with his stockinged feet He had pushed his stool near to the corrugated wall and tilted it back so that he was poised on two of its three legs His eyes wandered round the little room critically Spoon and basin on the shelf prison regulations varnished a dull yellow above these bed neatly folded he nodded slowly still whistling Above the bed and a little to the left was a small window of toughened glass admitting daylight but affording by reason of its irregular texture no view of the world without On a shelf over the bed was a Bible a Prayer Book and a dingy library book He made a grimace at the book it was a singularly dull account of a singularly dull lady missionary who had spent twenty years in North Borneo without absorbing more of the atmosphere of that place than that it was very hot and further that native servants could be on occasion very trying Amber was never fortunate with his library books Five years ago when he had first seen the interior of one of His Majesty's gaols he had planned a course of study embracing Political Economy and the Hellenic Drama and had applied for the necessary literature for the prosecution of his studies He had been served out with an elementary Greek grammar and Swiss Family Robinson neither of which was noticeably helpful Fortunately the term of imprisonment ended before he expected but he had amused himself by translating the adventures of the virtuous Swiss into Latin verse though he found little profit in the task and abandoned it During his fourth period of incarceration he made chemistry his long suit but

here again fortune deserted him and no nearer could he get to his reading of the science than to secure the loan of a Squire and a Materia Medica Amber at the time I describe was between twenty eight and thirty years of age a little above medium height well built though he gave you the impression of slightness His hair was a reddish yellow his eyes grey his nose straight his mouth and chin were firm and he was ready to show two rows of white teeth in a smile for he was easily amused The lower part of his face was now unshaven which detracted from his appearance but none the less he was even in the ugly garb of his bondage a singularly good looking young man
