Sister Carrie Limited Edition:

Sister Carrie Theodore Dreiser, 1982-01-01 When a girl leaves home at eighteen she does one of two things Either she falls into saving hands and becomes better or she rapidly assumes the cosmopolitan standard of virtue and becomes worse With Sister Carrie first published in 1900 Theodore Dreiser transformed the conventional fallen woman story into a genuinely innovative and powerful work of fiction As he hurled his impressionable midwestern heroine into the throbbing amoral world of the big city he revealed with brilliant insight the deep and driving forces of American culture the restless idealism glamorous materialism and basic spiritual innocence Sister Carrie brought American literature into the twentieth century This volume which reprints the text Dreiser approved for publication during his lifetime and includes a special appendix discussing his earlier unedited manuscript is the original standard edition of one of the great masterpieces of literary realism

New Essays on Sister Carrie Donald Pizer, 1991-07-26 The four essays in this 1991 volume discuss approaches to Sister Carrie

Sister Carrie Richard Daniel Lehan, 2001 Gale Study Guides to Great Literature is a unique reference line composed of three series Literary Masters Literary Masterpieces and Literary Topics Convenient comprehensive and targeted toward current coursework these guides place authors titles and topics into context for high school and college students as well as general researchers Each Literary Masters volume introduces a significant author covering basic biographical information The related Literary Masterpieces volume explores a major title from this author's works in detail Finally the Literary Topics volume places the author and work within a relevant literary movement or genre Theodore Dreiser Frederic E. Rusch, Donald Pizer, 2004 Hardly shy about himself or his work Theodore Dreiser knew the value of publicity Over four decades he often consented to interviews answering questions about his fiction his politics and even previous interviews Throughout his life Dreiser raised a storm of protest with his realistic novels blistered public figures and other authors with untempered criticism scorned pieties masking brutality in law and economics and expressed a few contradictions of his own This volume collects for the first time more than seventy interviews As a group they show Dreiser dealing with an array of literary and social issues as well as his lifelong incapacity to mince words Dreiser is revealed in these interviews as a public figure of epic proportions *The Argonaut Manuscript Limited Edition of Frank Norris's Works*

The Rise of the Modernist Bookshop Mr Huw Osborne, 2015-08-28 Concerned with the cultural and economic roles of independent bookstores this collection considers how eight shops created during the modernist era exceeded their commercial functions to open the spaces of literary production Understanding these unique social spaces on the threshold of commerce and culture provides a basis for comprehending how the changes to the physical contexts of the twenty first century reading experience have affected our relationship to books and reading

Used and Rare Lawrence Goldstone, Nancy Goldstone, 2010-04-01 Journey into the world of book collecting with the Goldstones rediscover the joy of reading laugh and fall in love with books all over again The idea that books had stories associated with them that had nothing to do with the stories inside them was new to us We had always valued the history the world of ideas contained between the covers of a book or as in the case of *The Night Visitor* some special personal significance Now for the first time we began to appreciate that there was a history and a world of ideas embodied by the books themselves Part travel story part love story and part memoir Lawrence and Nancy Goldstone s *Used and Rare* provides a delightful love letter to book lovers everywhere

[A Theodore Dreiser Encyclopedia](#) Keith Newlin, 2003-07-30 For a century Theodore Dreiser has represented for many readers a rebellious modernism whose novels both critiqued the American dream and embodied a bleakly deterministic perception of life His first novel *Sister Carrie* 1900 was reluctantly published and then ignored by its publisher who thought the book immoral Another publisher withdrew his fifth novel *The Genius* 1915 rather than face prosecution on obscenity charges Dreiser did not enjoy widespread popularity and critical acclaim until his masterpiece *An American Tragedy* appeared in 1925 This reference is an authoritative guide to his life and works Included are several hundred entries on each of Dreiser s books and short stories as well as magazine and newspaper pieces he collected during his life Noteworthy uncollected and posthumously collected works are given separate entries as are major characters in the novels family members friends and other persons important to understanding his

writings There are also entries on Dreiser's publishers his major influences the places and events important to his life and the literary and social contexts of his works Expert contributors wrote each of the entries many of which cite works for further reading The volume closes with a selected bibliography of works by and about Dreiser
