John Williams

Six Bob A Day Tourist:

German Anzacs and the First World War John Williams, 2003 By 1914 Australia's German immigrants were well regarded in their communities and made up after Irish and Scots the fourth largest white ethnic community in Australia This history traces the experience of the immigrants who enlisted for service in World War I and the difficulties they faced The Great War Ian F. W. Beckett, 2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict's strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States The British Empire and the First World War Ashley Jackson, 2017-06-26 The British Empire played a crucial part in the First World War supplying hundreds of thousands of soldiers and labourers as well as a range of essential resources from foodstuffs to minerals mules and munitions In turn many imperial territories were deeply affected by wartime phenomena such as inflation food shortages combat and the presence of large numbers of foreign troops This collection offers a comprehensive selection of essays illuminating the extent of the Empire's war contribution and experience and the richness of scholarly research on the subject Whether supporting British military operations aiding the British imperial economy or experiencing significant wartime effects on the home fronts of the Empire the war had a profound impact on the colonies and their people The chapters in this volume were originally published in Australian Historical Studies The Journal of Imperial and Commonwealth History First World War Studies or The Round Table The Commonwealth Journal of International Affairs **Our Corner of the Somme** Romain Fathi, 2019-02-07 An analysis of the memorialisation of Australia's role in the Somme and the Anzac mythology that contributes to Australia's identity **Over the Top (Volume 3 of 3) (EasyRead Super Large 24pt Edition)** , **APAIS 1991: Australian public affairs information service** , **Sisters in Peace** Kate Laing, 2023-11-03 Is preparing for war the best means of preserving peace In Sisters in Peace Kate Laing contends that this question has never been solely the concern of politicians and strategists She maps successive generations of twentieth century women who were eager to engage in political debate even though legislative and cultural barriers worked to exclude their voices In 1915 during the First World War the Women's International Congress at The Hague was convened after alarmed and bereaved women from both sides of the conflict insisted that their opinions on war and the pathway to peace be heard From this gathering emerged the Women's

International League for Peace and Freedom WILPF which to this day campaigns against militarism and nuclear weapons In Australia the formation of a section of WILPF connected political women to a worldwide network that sustained their anti war activism throughout the last century In examining the rise of WILPF in Australia *Sisters in Peace* provides a gendered history of this country s engagement with the politics of internationalism This is a history of WILPF women who committed to peace activism even as Australia s national identity and military allegiances shifted over time a history that has until now been an overlooked part of the Australian peace movement

The Ghost at the Wedding Shirley Walker,2011-05-24 In 1914 in the canefields of northern New South Wales the young men couldn t wait to set off for the adventure of war The women coped as best as they could raised the children lived in fear of being the next to receive an official telegram They grieved their dead and came to learn that for returned men there are worse things than death in combat They bore more children to replace those lost in the First World War and the sons were just the right age to go off to the second The Ghost at the Wedding is like no other account of war chronicling events from both sides the horror of the battlefields and the women who were left at home Shirley Walker s depictions of those battles Gallipoli the Western Front the Kokoda Track are grittily accurate their reverberations haunting Written with the emotional power of a novel here is a true story whose sorrow is redeemed by astonishing beauty and strength of spirit

Zero Hour Leon Davidson,2010-03-01 The First World War was only meant to last six months When the Australians and New Zealanders arrived at the Western Front in 1916 the fighting had been going for a year and a half and there was no end in sight The men took their place in a line of trenches that spread through Belgium and France from the North Sea to the Swiss Alps Beyond the trenches was no man s land an eerie wasteland where rats lived in the ribs of the dead and the wounded cried for help Beyond that was the German Army The Anzacs had sailed for France to fight a war the whole world was talking about Few who came home ever spoke about it again Zero Hour is the third book by Leon Davidson author of the best selling and multi award winning Scarecrow Army the Anzacs at Gallipoli and Red Haze Australians New Zealanders in Vietnam

Letters from France Charles Edwin Woodrow Bean,1917

Finding Gallipoli Brad West,2022-04-28 This book is about how Australian and Turkish historical understanding of the First World War Gallipoli Campaign has been shaped by travel to the battlefield for the purposes of commemoration Utilizing a cultural historical method the study begins with examining how cultural conceptions of travel influenced the experience of those fighting in the 1915 Battle and ends with the way that new global insecurities and the withdrawal of Western troops from Afghanistan in 2021 is reflecting and influencing Australia and Turkey s social memory of their military past This wide historical lens and the author s original fieldwork and analysis of documents allows for an in depth exploration of the ways in which cultural patterns of social memory develop over time and mapping of how specific cultural representations in the past are reclaimed The book argues that travel is a key factor influencing social change by providing distinctive ritual experiences that afford unique discursive opportunities and empowering particular carriers and custodians of social memory

Soldiers

and Gentlemen William Westerman, 2017-02-14 *Soldiers and Gentlemen* Australian Battalion Commanders in the Great War 1914-1918 is the first book to examine the background role and conduct of Australian commanding officers during the First World War. Though they held positions of power, commanding officers inhabited a leadership no man's land; they exerted great influence over their units but they were also largely excluded from the decision-making process and faced the same risks as junior officers on the battlefield. A soldier's well-being and success in battle was heavily dependent on a commanding officer's competence, but little is known about the men who filled these roles. In his groundbreaking book, William Westerman explores the stories of the vitally important yet often forgotten commanding officers. There is a story of the timeless challenges of military leadership, and this book prevents them from slipping from the public memory to enhance our knowledge of the conflict.

From Gallipoli to the Skies Gillian Watch Whittall, 2014-09-09 Fred Reeve is a nineteen-year-old young man from Melbourne who dreams of flying. He builds a Bleriot in his back yard but does not finish it as war breaks out in 1914. After he enlists, he writes to his mother and family regularly, and these letters give a poignant account of life for a young soldier who tries to understand love, life, and war, and the expectation that every soldier should be a hero. He is critical of training in Egypt and comments that thousands of Australians have been lost just because of inexperience, no discipline. While hospitalised in Egypt, he hears of the experiences of the wounded at Gallipoli, and a fellow in the next bed is the only non-commissioned officer left alive in his battalion. On the way to Gallipoli, his ship is torpedoed, and he spends many hours in the water before being rescued. At Gallipoli, he is in the Hell of fighting for five weeks before being evacuated. After recuperation on Malta and in Oxford, he finally achieves his dream of joining the Royal Flying Corps in 1916. His daredevil flying exploits are recounted in newspaper articles in both the USA and Australia. He is flying on a mission in France when his aircraft comes down, and he is killed.

The Anzac Illusion Eric Montgomery Andrews, 1993 This provocative book is a reassessment of Australia's role in World War I and its relations with Britain.

Tommy, Doughboy, Fritz Emily Brewer, 2014-04-15 From Ammo to Zig Zag many of the words we use today were invented in World War I. They provide a unique insight into the experience of the war and the inventiveness and humour of ordinary soldiers.

The Fair Dinkums Glenn McFarlane, 2016-03-22 A chronicle of sad loss. Sydney Morning Herald eloquent heartbreaking a sterling tribute. The stuff of legends. Nick Richardson Herald Sun FAIR DINKUM def honesty guts directness fortitude courage truth. You had to be fair dinkum to enlist after the hell of Gallipoli hit home. A new breed of warrior and patriot stepped up as Anzac's second wave. Among them were 152 men of the 7th Battalion fruit pickers and farmers bootmakers and blacksmiths miners and mailmen. They fought under the colours of mud and blood in the searing sands of Egypt on Gallipoli's fatal shore across killing fields in France and beyond. Born in the right place at the wrong time, the bravery and ingenuity of these young Australian men forged a legendary band of brothers. *The Fair Dinkums*
