## **Someone Else's Child:**

**Someone Else's Child** Debbie Bell, 2012-11 This is a true account of my life until age 45 Years I have written it in the hope that it will inspire and encourage those who have experienced the effects of being without their biological families being placed with the wrong people and other various experiences which are emotionally draining When faced with difficult situations I felt that I could not give up trying as often I found myself in situations that were not of my own making I am sincerely hoping that this account will show people not to give up too soon because sometimes you end up being given the Greatest Gift of All

Someone Else's Child Nancy Woodruff, 2000-07-05 From debut novelist Nancy Woodruff comes this chilling and beautifully wrought story of forgiveness renewal and the ever elusive second chance When fifteen year old Matt and his family move from Oregon to an affluent Connecticut suburb the fact that he is home schooled brands him as more than an outsider he is a town oddity Just when he seems to have made inroads into the closed social circuit just when he is embraced by a trio of teenage girls and feels his life might be changing for the better he is responsible for a devastating car crash that leaves two of the girls dead Tara isn't in the car with her best friends Instead she's by her mother Jennie's bedside as she gives birth to a baby girl While Jennie and her husband Chris mourn Tara's friends and try to make sense of their eldest daughter's loss and their own new baby a pervasive sense of blame begins to rain down on Matt Jennie knows the community's reaction will surely ruin Matt's life But when she reaches out to him hiring him to work for her high school reunion company for the summer Jennie suddenly finds herself vilified as well In the face of community and family derision both imagined and real physical and emotional Jennie and Matt soon find themselves in solidarity As their attachment grows Jennie realizes that she is bound to Matt by more than just compassion that the broken child she sought to save is somehow reviving her Someone Else's Child is a deeply moving story of guilt and forgiveness despair and hope and the intricacies of love and responsibility In rich and unforgettable prose Nancy Woodruff masterfully explores the fraying loyalties that can turn our world upside down in the face of tragedy

Someone Else's Child Sue Phillips, 2011 On a summer morning in Canberra Sue Phillips gave birth for the fourth time Sue's husband was by her side along with Lily the baby's genetic mother Labor was brief but excruciating and only minutes afterwards Sue wrapped the newborn in a blanket and handed her over to Lily What does it take to carry someone else's child What does it feel like to give her up Motivated by a strong desire to help Sue first approached Lily after hearing about her health problems from a mutual friend Facing a childless future Lily and her husband were ecstatic but Sue's surrogacy commitment was only the first step in a long often difficult journey for both couples Someone Else's Child is the story of Sue's experience as a gestational carrier at the age of thirty nine with a family of her own when surrogacy in Australia is still rare and commercial surrogacy illegal In her own words Sue describes the emotional highs and lows bureaucratic hurdles physical challenges family pressures legal confusion and social scrutiny that followed her decision to become a surrogate Someone Else's Child is a unique personal account of what it means to give the

Taylor, 2011-07-28 My life begun hard and it seemed to just become more and more difficult throughout the years I once lived a life like J C Dougard and Elizabeth Smart but instead of one sexual predator I had many They had families to go home to where I had none I was forgotten about years and years ago and pretty much raised myself with only God's guidance since the age of thirteen I've been exploited trafficked raped held hostage kidnapped and more Then God stepped in when death was almost beating at my door He stepped in Sometimes I feel as if my life wasn't planned by me but by God Once you read my story I'm sure you'll understand You see all of my hopes dreams and plans for my life became sidetracked long ago due to many factors that took away so many of my plans my dreams for the future Through it all I've become an amazing woman Able to stand tall and strong finding my inspirations along the way and praising God for all of His Angels Saints and Prophets who've come along and saved me rescued me carried me and blessed my life so profoundly with their kind gentle caring ways Do you view human beings as just people or are you able to experience such a close relationship with God that you can view people as the little Gods they are Aren't we all supposed to be reflections of Our Lord and Savior Then why aren't you able to view those people for the Gifts they are Or are you able to see yourself and others how God sees you I hope you enjoy the journey of my life my story my testimony as much as I enjoyed writing it My story is a story of tragedy but yet it is also one full of inspiration hope strength courage family and love But mainly my story is about Life's Lesson's Learned Enjoy P J
