*The One & Only* Emily Giffin, 2014-05-20 1 NEW YORK TIMES BESTSELLER The beloved author of Something

Borrowed and Where We Belong returns with an extraordinary story of love and loyalty and an unconventional heroine struggling to reconcile both. This ebook edition contains an excerpt from Emily Giffin's *First Comes Love*. Emily Giffin, the beloved author of such novels as *Something Borrowed* and *Where We Belong*, returns with an extraordinary story of love and loyalty and an unconventional heroine struggling to reconcile both. Thirty-three-year-old Shea Rigsby has spent her entire life in Walker, Texas, a small college town that lives and dies by football, a passion she unabashedly shares. Raised alongside her best friend Lucy, the daughter of Walker's legendary head coach Clive Carr, Shea was too devoted to her hometown team to leave. Instead, she stayed in Walker for college, even taking a job in the university athletic department after graduation, where she has remained for more than a decade. But when an unexpected tragedy strikes the tight-knit Walker community, Shea's comfortable world is upended, and she begins to wonder if the life she's chosen is really enough for her. As she finally gives up her safety net to set out on an unexpected path, Shea discovers unsettling truths about the people and things she has always trusted most and is forced to confront her deepest desires, fears, and secrets. Thoughtful, funny, and brilliantly observed, *The One* gets a cool drink and just luxuriates in the joy of a book well written. *The Huffington Post*: Brace yourself for a tearjerker. A tale of friendship and loyalty in a small football-crazed Texas town shows how quickly things can change when tragedy challenges all that the characters hold dear. A page-turner. InStyle: Giffin's protagonists live full, interesting lives outside the purely personal realm, no more so than Shea Rigsby, the funny, flawed but sympathetic central character in *The One*. Only The Atlanta Journal-Constitution In bestseller Giffin's much anticipated latest, a young woman's life is upended when tragedy strikes the football-obsessed Texas town she's always called home. People: To fill your Friday Night Lights void. A tale of die-hard love in a die-hard Texas football town from the bestselling author of *Something Borrowed*. *Cosmopolitan*: *Staying Alive—The Life and Times of an American Baby Boomer Part 2*. Gene Baumgaertner, 2011-12-02. *Staying Alive* is the sequel to *An Innocent Man*. The *Life and Times of an American Baby Boomer*: The first book explored growing up in the 1950s and 1960s. *Staying Alive* continues the adventure into the serendipitous 1970s. The same characters we enjoyed so much in *An Innocent Man* return and try to take the great leap from late adolescence into early adulthood. Follow our baby boomers as they struggle to survive college, avoid or cope with the Vietnam War, and eventually join mainstream society. Watch these reckless students try to turn themselves into budding professionals, struggle with marriage, child rearing, and divorce, and try to survive the ups and downs of the volatile 1970s. Totally submerged in their own lives and interests, they still can't avoid the impacts of multiple wars, two oil embargos, rampant inflation, on-again-off-again recession, and other world and life-changing events. Follow Ed Baker's efforts to just keep staying alive, John Fitzmorris's transition from Vietnam to a normal life, Johnny Latella's desire to keep scoring on and off the athletic field, Jerry Prinz's simple desire to succeed in business, and Jack Fitzhugh's tenacious struggle to turn bad luck into good. Will they survive the gyrating 1970s, and can they do it alone, or does friendship really make a difference. Through the Hoop (1979). Tema Okun, Peter Wood, Bob Hall, Chris Mayfield, Marc

Miller, Jim Overton, Joe Pfister, Kathleen Zobel, Through the Hoop To arc a jump shot through the orange rim to tap in a rebound putting the ball through the hoop represents a transcendent moment in basketball for player team and crowd Such a moment exists in every sport But to enjoy it fans and athletes alike are often forced through other kinds of hoops Sports can be violent lonely poetic painful uplifting It can breed fitness or injury sufficiency or dependence pride or prejudice friendship or hostility When does the discipline of sport become dangerous obedience When does self mastery become self aggrandizement When does athletic activity cease to be empowering for the participants and fans to become an exercise of power over us Answers to such questions are hard to find Sports unlike most topics previously addressed in special issues of Southern Exposure labor women folk life health prisons has never had a network of informed progressives working outside the established channels posing critical questions offering insightful direction for our thinking and doing Trusted commentators and friends who know where they stand and why with regard to other central aspects of our culture shy away from giving serious thought to sport As a result many of us are left with personal confusions brought on by alternating experiences of frustration and fulfillment How do we talk about a subject that on the one hand can be so easily criticized for abuses and on the other hand remains so compelling How do we effectively criticize the sports establishment that manages ACC basketball or NFL football when we find ourselves glued to the set at playoff time Soon Will Come the Light Thomas A.
