**Legends of Arthur** ,2001 The image of Arthur has haunted the poets and writers of western Europe for nearly nine centuries and there is no sign of an end to the reign of the once and future king in the world of literature The Arthurian epic is as popular a subject now as it was when it was first fashioned and the stories about Arthur and the heroes associated with him come in a bewildering number of guises The sheer variety of the legends both in style and content is extraordinary and this collection attempts to present in a small space something of this diversity Sir Thomas Malory half a millennium ago plundered a whole range of sources to create his masterpiece *Le Morte Darthur* but he did so to weld them together within the framework of Arthur's own career *Legends of Arthur* draws on different sources but emphasizes the way in which writers have created new stories around the great heroes or have told the stories in different ways So there are two versions of each hero's exploits Arthur is shown as emperor and warlord and as the triumphant and tragic king of the romances betrayed by Lancelot and Guinevere Gawain is the central figure of the wonderful adventures of a Dutch romance and the courtly and subtle hero of the English masterpiece *Sir Gawain and the Green Knight* Tristan appears as the single minded lover of Iseult in the original version of his story and then as a knight of the Round Table whose devotion to chivalry is almost as great as his passion for his beloved In these differing versions we can see how the Arthurian romances held the medieval world spellbound for so long in all their color and variety

*Sir Tristan of All Time* Sabra Holbrook,1970 Traces the origins and history of the legend of Tristan and Iseult examines its many variations and discusses its appearance in and influence on modern opera and poetry

*The Reincarnation Sensation* Norman L. Geisler,J. Yutaka Amano,2004-06-21 One in every four Americans believes in reincarnation according to a recent Gallup poll Why does our society have such a growing preoccupation with death and past life experiences Authors Norman L Geisler and J Yutaka Amano conclude that among the reasons for the popularity and influence of reincarnation philosophy are the rapid rise of the New Age Movement and society's fascination with Eastern thought They examine cases of spontaneous past life recall and point out alternative explanations for these phenomena Ultimately *The Reincarnation Sensation* shows that the doctrine of reincarnation is contrary to the Bible's teaching about eternal life and incompatible with the Christian faith

**Italian Literature IV: Il Tristano Riccardiano, MS 1729 (Parodi's Siglum 'F')** Gloria Allaire, 2024 A critical edition with facing page English translation of the fourteenth century Il Tristano Riccardiano MS 1729 The French prose Roman de Tristan circulated widely in medieval Italy as attested by numerous translations and adaptations in different dialects Two of these preserved in Florence's Biblioteca Riccardiana reveal important links amongst the extant Italian Tristans The longer version Tristano Riccardiano MS 2543 has been edited re edited and translated into English However its shorter sister found in the fourteenth century MS Ricc 1729 has suffered almost complete critical neglect perhaps due to its

amateur production traits complex amalgam of regional dialects and idiosyncratic script While its contents Tristan s birth early adventures love affair with Yseut largely correspond to MS 2543 there are noteworthy variants For example the famous three day tournament conserved in the Tristano Panciatichiano and constituting the bulk of the Tristano Corsiniano does not appear MS 1729 also preserves the final episodes Tristan s fatal wounding the lovers deaths lamentation at Camelot which are not found in MS 2543 This volume offers the first critical edition of this Italian exemplar permitting further linguistic analysis it is accompanied by a facing page English translation which will open the text to a wider audience The full introduction considers the manuscript itself looking at such matters as its dating illustrations watermarks and contents and comparing it with other redactions whilst notes a bibliography and index of proper names complete the apparatus **Music**
