extraordinary tales of the imperial court of Tsar Ivan the Terrible The tragic mysterious story of the other two ships has had to be pieced together through the surviving captain's log book after he and his crew became lost and trapped by the advancing Arctic winter This exceptional endeavour was one of the boldest in British history and its impact was profound Although the merchant adventurers failed to reach China as they had hoped their achievements would lay the foundations for England's expansion on a global stage As James Evans vivid account shows their voyage also makes for a moving story of daring discovery tragedy and adventure

Completely Mad James R. Hansen, 2023-07-04 From the New York Times bestselling author of *The First Man* comes a sweeping saga involving two extraordinary and extraordinarily different adventurers who have only one thing in common the ambition to cross the Atlantic in a rowboat alone In this bracing adventure tale the stories of John Fairfax and Tom McLean are woven together for the first time Fairfax would set off from the Canary Islands off the coast of Africa with his sights on Florida McClean charted a course from Newfoundland to Ireland The two men couldn't have been more different John Fairfax was a golden haired playboy gambler whiskey gun smuggler and ex pirate who blamed his boat often and who brazenly took time off from his goal of reaching America to hop aboard large ships for a drink a shower and good food He courted the press like a modern day Richard Branson or Elon Musk The egoless Tom McClean was an orphan with a tough Dickensian childhood who ran off to become a British paratrooper and later joined the SAS his training rivaled the U S Navy Seals Tom was a purist who loved his boat Silver and never once took time off from rowing to sun himself on a remote beach or jump aboard a cruise ship After 70 days he landed on the rocky coast of Ireland to no fanfare and headed straight to the nearest pub Though the two men's remarkable transoceanic journeys seem pulled from a different era both embarked within days of the first landing on the Moon July 20th 1969 Filled with gale force winds backbreaking effort menacing sharks playful dolphins aweing natural beauty great mishaps failed equipment hyperthermia near drowning the fighting of mental and physical lethargy creative problem solving phantom illusions on the water and glorious moments of bliss *Completely Mad* stands alongside other classics of ocean adventure With gripping and insightful prose James R Hansen brings to life Fairfax and McLean's expeditions from their battle with the elements to their own inner demons *Completely Mad* is a nail biting epic tale of endurance and readers will be gripped until the end to find out who won

The Quiet Adventurers in North America Marion G.
