Moseley, 2016-04-29 Hand Made Television explores the ongoing enchantment of many of the much-loved stop frame children's television programmes of 1960s and 1970s Britain The first academic work to analyse programmes such as Pogles Wood 1966 Clangers 1969 Bagpuss 1974 Smallfilms and Gordon Murray's Camberwick Green 1966 Trumpton 1967 and Chigley 1969 the book connects these series to their social and historical contexts while providing in-depth analyses of their themes and hand-made aesthetics Hand Made Television shows that the appeal of these programmes is rooted not only in their participatory address and evocation of a pastoral English past but also in the connection of their stop frame aesthetics to the actions of childhood play This book makes a significant contribution to both Animation Studies and Television Studies combining scholarly rigour with an accessible style it is suitable for scholars as well as fans of these iconic British children's programmes **My Life with Wellington** Stephen Phillips, 2013-08-08 A he and she in the full flush of middle age meet and spend one day together It becomes a lifetime In a tiny terrace house in the heart of London they create together their very own rural idyll They breed chickens ducks cockatiels
