Situation To Sentence An Evolutionary:

Linguistic Evolution through Language Acquisition Ted Briscoe, 2002-08-08 This is a study of how children acquire language and how this affects language change over generations Written by an international team of experts the volume proceeds from the basis that we can not only address the language faculty per se within the framework of evolutionary theory but also the origins and subsequent development of languages themselves languages evolve via cultural rather than biological transmission on a historical rather than genetic timescale The book is distinctive in utilizing computational simulation and modelling to help ensure the theories constructed are complete and precise Drawing on a wide range of examples the book covers the why and how of specific syntactic universals the nature of syntactic change the language learning mechanisms required to acquire an existing linguistic system accurately and to impose further structure on an emerging system and the evolution of language s in relation to this learning mechanism

Evolutionary Syntax Ljiljana Progovac, 2015-06-05 This is an open access publication available online and distributed under the terms of a Creative Commons Attribution Non Commercial No Derivatives 4.0 International licence

CC BY NC ND 4 0 a copy of which is available at <http://creativecommons.org/licenses/by-nc-nd/4.0/> Subject to this license all rights are reserved In this book Ljiljana Progovac proposes a gradualist adaptationist approach to the evolution of syntax subject to natural selection She provides a specific framework for its study combining the fields of evolutionary biology theoretical syntax typology neuroscience and genetics The author pursues an internal reconstruction of the stages of grammar based on the syntactic theory associated with Chomskyan Minimalism and arrives at specific testable hypotheses which are then corroborated by an abundance of theoretically analysed living fossils drawn from a variety of languages Her approach demonstrates that these fossil structures do not just coexist alongside more modern structures but are in fact built into the very foundation of more complex structures leading to quirks and complexities that are suggestive of a gradualist evolutionary scenario By reconstructing a particular path along which syntax evolved Evolutionary Syntax sheds light on the crucial properties of language design itself as well as on the major parameters of crosslinguistic variation As a result this reconstruction can be meaningfully correlated with both the hominin timeline and the ever growing body of genetic evidence that is available

The Evolution of the Private Language Argument Keld Stehr Nielsen, 2017-05-15 The Evolution of the Private Language Argument presents a continuous view of modern analytical philosophy by telling the history of one of its central strands It is an in depth history of this well known philosophical argument the evolution of Wittgenstein's thoughts and its influence on analytical philosophy of mind and language Nielsen looks at early discussions of the private language argument in the Vienna Circle and the influence of Wittgenstein's ideas and examines the relation between the early and later Wittgenstein on this subject He discusses which influential versions of the private language argument have been presented in the fifty years since Philosophical Investigations was published and how they relate to Wittgenstein's thoughts and considers how the role and the interpretation of the argument and Wittgenstein's philosophy changed along with changes in the conception of the nature of analytic philosophy
