Size Matters:

Why Size Matters John Tyler Bonner, 2011-12-05 Why size plays such a big role in the living world John Tyler Bonner one of our most distinguished and creative biologists here offers a completely new perspective on the role of size in biology In his hallmark friendly style he explores the universal impact of being the right size By examining stories ranging from Alice in Wonderland to Gulliver's Travels he shows that humans have always been fascinated by things big and small Why then does size always reside on the fringes of science and never on the center stage Why do biologists and others ponder size only when studying something else running speed life span or metabolism Why *Size Matters* a pioneering book of big ideas in a compact size gives size its due by presenting a profound yet lucid overview of what we know about its role in the living world Bonner argues that size really does matter that it is the supreme and universal determinant of what any organism can be and do For example because tiny creatures are subject primarily to forces of cohesion and larger beasts to gravity a fly can easily walk up a wall something we humans cannot even begin to imagine doing Bonner introduces us to size through the giants and dwarfs of human animal and plant history and then explores questions including the physics of size as it affects biology the evolution of size over geological time and the role of size in the function and longevity of living things As this elegantly written book shows size affects life in its every aspect It is a universal frame from which nothing escapes

Size Matters - Understanding Monumentality Across Ancient Civilizations Federico Buccellati, Sebastian Hageneuer, Sylva van der Heyden, Felix Levenson, 2019-07-30 When talking about monuments size undeniably matters or does it But how else can we measure monumentality Bringing together researchers from various fields such as archaeology museology history sociology Mesoamerican studies and art history this book discusses terminological and methodological approaches in both theoretical contributions and various case studies While focusing on architectural aspects this volume also discusses the social meaning of monuments the role of forced and free labour as well as textual monumentality The result is a modern interdisciplinary take on an important concept which is notoriously difficult to define

Revealing Male Bodies Nancy Tuana, William Cowling, Maurice Hamington, Greg Johnson, 2002-05-06 *Revealing Male Bodies* is the first scholarly collection to directly confront male lived experience There has been an explosion of work in men's studies masculinity issues and male sexuality in addition to a growing literature exploring female embodiment Missing from the current literature however is a sustained analysis of the phenomenology of male gendered bodies *Revealing Male Bodies* addresses this omission by examining how male bodies are physically and experientially constituted by the economic theoretical and social practices in which men are immersed Contributors include Susan Bordo William Cowling Terry Goldie Maurice Hamington Don Ihde Greg Johnson Björn Krondorfer Alphonso Lingis Patrick McGann Paul McIlvenny Terrance MacMullan Jim Perkinson Steven P Schacht Richard Schmitt Nancy Tuana Craig L Wilkins and John Zuern

White Men Can't Hump (As Good As Black Men) Todd Wooten, 2006-10 *White Men Can't Hump* is a book of hope The hope is that one day Black Men in America will no longer be

viewed as unintelligent unattractive undesirable uncivilized and just plain old worthless White Men Can't Hump will address why Black Men in America are perceived in such a negative way and will also explore the origins of this negativity White Men Can't Hump will also explore how this negativity has been spread for the last four centuries a la stereotypes and why this negativity has been spread a la Fear of the Black Penis Several of these so called negative Stereotypes will be closely examined and shown in a new light White Men Can't Hump will ask why two well known Stereotypes that have been historically assigned to Black Men are only considered negative when applied to Black Men Most men desire a large Penis and an elevated sexual prowess but all across America in offices bars and locker rooms the Black Penis and Black Prowess are routinely the Punch Line to jokes White Men Can't Hump will ask why and will also ask a question that will create a debate for the ages Who's better in bed Black Men or White Men White Men Can't Hump will take you the reader on an educational and enlightening journey through America's past and present with the hope of changing America's future So sit back and enjoy or cuss agree or disagree and most importantly think with an open mind Because whether you like it or not White Men Can't Hump tells the story of who all of us are where we've come from and where we're going White Men Can't Hump is divided into two VOLUMES VOLUME I focuses on how Sex has historically affected Race relations in America and VOLUME II focuses on how Race has affected Sex relations in America Don't be confused by the similar titles because both VOLUMES pack a different Sexual Racial Political and Social punch For more information feel free to visit www.whitemencanthump.com Enjoy the ride my friend
