Buckley, 2020-01-13 This book is likened to a department store elevator wherein you are the operator Twenty three floors on which to stop to browse and you with all the time in the world Wherever shall you begin The beginning is always a good place to begin Our beginning concerns a gullible youth s first encounter with religious idiocy Perhaps you re more in the mood to find out how a chicken or chickens can bring about far reaching affirmations Consider a brief stopover for some truth in advertising The class of 68 fraught with its political assassinations demonstrations and opportunism may amuse you Or maybe the continuing adventures of a sperm donor Just a few floors up is procrastination justified at long last Something for everyone from burning pictures to the freedom of the road for the less inhibited there s even an adult fairy tale The door slides open again finds you face to face with Louise May and

Legacies and Black Feminism Angela Y. Davis,2011-10-05 From one of this country s most important intellectuals comes a brilliant analysis of the blues tradition that examines the careers of three crucial black women blues singers through a feminist lens Angela Davis provides the historical social and political contexts with which to reinterpret the performances and lyrics of Gertrude Ma Rainey Bessie Smith and Billie Holiday as powerful articulations of an alternative consciousness profoundly at odds with mainstream American culture The works of Rainey Smith and Holiday have been largely misunderstood by critics Overlooked Davis shows has been the way their candor and bravado laid the groundwork for an aesthetic that allowed for the celebration of social moral and sexual values outside the constraints imposed by middle class respectability Through meticulous transcriptions of all the extant lyrics of Rainey and Smith published here in their entirety for the first time Davis demonstrates how the roots of the blues extend beyond a musical tradition to serve as a consciousness raising vehicle for American social memory A stunning indispensable contribution to American history as boldly insightful as the women Davis praises **Blues Legacies and Black Feminism** is a triumph *Herald and Presbyter* ,1903 **Somebody's Child** Randi G.
