Stefka Ritchie,2017-03-07 This book explores what remains an under studied aspect of Samuel Johnson s profile as a person and writer namely his attitude to social improvement The interpretive framework provided here is cross disciplinary and applies perspectives from social and cultural history legal history architectural history and of course English literature This allows Johnson s writings to be read against the peculiarities of their historical milieu and reveals Johnson in a new light as an advocate of social improvement for human betterment Considering the multiplicity of narrative modes that have been employed the book points to the blurred boundaries and overlapping between history testimony and fiction and argues that a future biography of Samuel Johnson has to recognise that throughout his life he valued the utilitarian aspect of his manifesto as a writer to impart a more charitable attitude in the pursuit of a more caring society **The Town House in Georgian London**

Rachel Stewart,2009 This title takes a fresh look at a familiar building type the town house in 18th century London and investigates the circumstances in which individuals made decisions about living in London and particularly about their West End house **The Charity School Movement** M. G. Jones,2019-03-19 Originally published in 1938 this book is an attempt to present a study of eighteenth century elementary education not as the history of educational ideas nor as the history of administration in which two garbs the history of the history of education usually appears but as the study of a neglected aspect of social history Its main interest lies in the different reactions of philanthropic men and women in England Scotland Ireland and Wales to the movement for establishing schools on a religious basis for the children of the poor
