**Sixty-Six Years in Custer's Shadow** Henry Weibert, *Sixty-six Years in Custer's Shadow* Henry Weibert, Don L. Weibert, 1985-01-01 *Custer, the Seventh Cavalry, and the Little Big Horn* Mike O'Keefe, 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn fascination with the battle and with Lieutenant George Armstrong Custer has never ceased Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time This two volume bibliography of Custer literature is the first to be published in some twenty five years and the most complete ever assembled Drawing on years of research Michael O Keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets Covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890 Included within this span are Custer's experiences in the Civil War and in Texas the 1873 Yellowstone and 1874 Black Hills expeditions the Great Sioux War of 1876-77 and the Seventh Cavalry's pursuit of the Nez Perces in 1877 The literature on Custer the Battle of the Little Big Horn and the Seventh Cavalry touches the entire American saga of exploration conflict and settlement in the West including virtually all Plains Indian tribes the frontier army railroading mining and trading Hence this bibliography will be a valuable resource for a broad audience of historians librarians collectors and Custer enthusiasts [The Last Stand](#) Nathaniel Philbrick, 2023-01-03 An engrossing and tautly written account of a critical chapter in American history Los Angeles Times Nathaniel Philbrick author of *In the Hurricane's Eye* Pulitzer Prize finalist *Mayflower and Valiant Ambition* is a historian with a unique ability to bring history to life *The Last Stand* is Philbrick's monumental reappraisal of the epochal clash at the Little Bighorn in 1876 that gave birth to the legend of Custer's Last Stand Bringing a wealth of new information to his subject as well as his characteristic literary flair Philbrick details the collision between two American icons George Armstrong Custer and Sitting Bull that both parties wished to avoid and brilliantly explains how the battle that ensued has been shaped and reshaped by national myth **Osteological Analysis of Human Skeletons Excavated from the Custer National Cemetery** Patrick S. Willey, 1997 **Custer's Last Campaign** John S. Gray, 1993-01-01 Easily the most significant book yet published on the Battle of the Little Bighorn Paul L Hedren *Western Historical Quarterly* Gray has applied rigorous analysis as no previous historian has done to these oft analyzed events His detailed time motion study of the movements of the various participants frankly boggles the mind of this reviewer No one will be able to write of this battle again without reckoning with Gray Thomas W Dunlay *Journal of American History* Gray challenges many time honored beliefs about the battle Perhaps most significantly he brings in as much as possible the testimony of the Indian witnesses especially that of the young scout Curley which generations of historians have dismissed for contradictions that Gray convincingly demonstrates were caused not by Curley but by the assumptions made by his questioners The contrasts in this book restate the basic components of what still attracts the imagination to the Little

Bighorn Los Angeles Times Book Review Gray's analysis by and large is impressively drawn it is an immensely logical reconstruction that should stand the test of time As a contribution to Custer and Indian wars literature it is indeed masterful Jerome A Greene New Mexico Historical Review John S Gray was a distinguished historian whose books included the acclaimed Centennial Campaign The Sioux War of 1876 Custer's Last Campaign is the winner of the Western Writers of America Spur award and the Little Bighorn Associates John M Carroll Literary Award They Died With Custer Douglas D. Scott, P. Willey, Melissa A. Connor, 2013-07-10 Dead men tell no tales and the soldiers who rode and died with George Armstrong Custer at the Battle of the Little Bighorn have been silent statistics for more than a hundred years By blending historical sources archaeological evidence and painstaking analysis of the skeletal remains Douglas D Scott P Willey and Melissa A Connor reconstruct biographies of many of the individual soldiers identifying age height possible race state of health and the specific way each died They also link reactions to the battle over the years to shifts in American views regarding the appropriate treatment of the dead **Lakota Recollections of the Custer Fight** Richard G. Hardorff, 1997-01-01 The fifteen Sioux and one Cheyenne who speak in Lakota Recollections of the Custer Fight witnessed Custer's Last Stand Their testimony sheds light on what happened at the Little Bighorn on the bloodiest of Sundays June 25 1876 Flying Hawk Standing Bear He Dog Red Feather Moving Robe Woman Eagle Elk White Bull Hollow Horn Bear and other Indian survivors of the Custer fight were interviewed during the early decades of the twentieth century by men genuinely interested in the historical truth including Judge Eli S Ricker General Hugh L Scott John G Neihardt and Walter S Campbell The interviews are collected here with introductions and notes by the editor *Archaeology, History, and Custer's Last Battle* Richard A. Fox, 2015-02-16 On the afternoon of June 25 1867 an overwhelming force of Sioux and Cheyenne Indians quickly mounted a savage onslaught against General George Armstrong Custer's battalion driving the doomed troopers of the U S Seventh Cavalry to a small hill overlooking the Little Bighorn River where Custer and his men bravely erected their heroic last stand So goes the myth of the Battle of the Little Bighorn a myth perpetuated and reinforced for over 100 years In truth however Custer's Last Stand was neither the last of the fighting nor a stand Using innovative and standard archaeological techniques combined with historical documents and Indian eyewitness accounts Richard Allan Fox Jr vividly replays this battle in astonishing detail Through bullets spent cartridges and other material data Fox identifies combat positions and tracks soldiers and Indians across the Battlefield Guided by the history beneath our feet and listening to the previously ignored Indian testimonies Fox reveals scenes of panic and collapse and ultimately a story of the Custer battle quite different from the fatalistic versions of history According to the author the five companies of the Seventh Cavalry entered the fray in good order following planned strategies and displaying tactical stability It was the sudden disintegration of this cohesion that caused the troopers' defeat The end came quickly unexpectedly and largely amid terror and disarray Archaeological evidences show that there was no determined fighting and little firearm resistance The last soldiers to be

killed had rushed from Custer Hill      **Hokahey! A Good Day to Die!** Richard G. Hardorff, 1999-01-01 Traditionally historians of the Little Big Horn fight have focused on Custer and his troops on what they were doing and where they died But as one Miniconjou warrior told a gathering at a 1926 commemoration of the battle the Lakotas and Cheyennes also lost brave men These men had died defending their homes and families and they too deserved recognition Hokahey A Good Day to Die details the final moments of each of the fallen Cheyenne and Lakota heroes Richard G Hardorff sifted through the many interviews with Indian survivors of the battle cross checking every story of a wounded or dead individual to ascertain who was killed in which action and by whom He concludes that the Indian dead comprised thirty one men six women and four children astonishingly light losses when compared with the number of cavalry dead Concise well written and respectful of Cheyenne and Lakota cultural practices this book is an essential contribution to our understanding of how the Cheyennes and Lakotas waged the Battle of the Little Big Horn      Archaeological Perspectives on the Battle of the Little Bighorn

Douglas D. Scott, Richard A. Fox, Melissa A. Connor, Dick Harmon, 2013-05-01 Ever since the Custer massacres on June 25 1876 the question has been asked What happened what REALLY happened at the Battle of the Little Bighorn We know some of the answers because half of George Armstrong Custer s Seventh Cavalry the men with Major Marcus Reno and Captain Frederick Benteen survived the fight but what of the half that did not the troopers civilians scouts and journalist who were with Custer Now because a grass fire in August 1983 cleared the terrain of brush and grass and made possible thorough archaeological examinations of the battlefield in 1984 and 1985 we have many answers to important questions On the basis of the archaeological evidence presented in this book we know more about what kinds of weapons were used against the cavalry We know exactly where many of the men fought how they died and what happened to their bodies at the time of or after death We know how the troopers were deployed what kind of clothing they wore what kind of equipment they had how they fought Through the techniques of historical archaeology and forensic anthropology the remains and grave of one of Custer s scouts Mitch Boyer have been identified And through geomorphology and the process of elimination we know with almost 100 percent certainty where the twenty eight missing men who supposedly were buried en masse in Deep Ravine will be found      **Touched by Fire** Louise Barnett, 2006-10-01 A comprehensive and balanced biography of the controversial George Armstrong Custer      *Uncovering History* Douglas D. Scott, 2013-03-13 Almost as soon as the last shot was fired in the Battle of the Little Bighorn the battlefield became an archaeological site For many years afterward as fascination with the famed 1876 fight intensified visitors to the area scavenged the many relics left behind It took decades however before researchers began to tease information from the battle s debris and the new field of battlefield archaeology began to emerge In *Uncovering History* renowned archaeologist Douglas D Scott offers a comprehensive account of investigations at the Little Bighorn from the earliest collecting efforts to early twentieth century findings Artifacts found on a field of battle and removed without context or care are just relics curiosities that arouse romantic imagination When investigators recover

these artifacts in a systematic manner though these items become a valuable source of clues for reconstructing battle events Here Scott describes how detailed analysis of specific detritus at the Little Bighorn such as cartridge cases fragments of camping equipment and clothing and skeletal remains have allowed researchers to reconstruct and reinterpret the history of the conflict In the process he demonstrates how major advances in technology such as metal detection and GPS have expanded the capabilities of battlefield archaeologists to uncover new evidence and analyze it with greater accuracy Through his broad survey of Little Bighorn archaeology across a span of 130 years Scott expands our understanding of the battle its protagonists and the enduring legacy of the battlefield as a national memorial **Thomas H. French, Captain, 7th**

**Cavalry** Ethan Harris,2012-06-23 Without a doubt John M Carroll was one of the finest historians to have ever written in the 7th Cavalry and Little Bighorn genre However many of his works were only made available in limited editions and often available on from the author himself I hope this present volume honors and extends his scholarship to another generation of investigators The court martial of Captain Thomas H French is of particular interest since it reflects on the character of the Army officer responsible for arguably providing the sole supporting fire during the withdrawal of Major Reno s forces from the valley fight at the onset of the Battle of the Little Bighorn *The Other Custers* Bill Yenne,2018-11-20 Not one not two but three Custer brothers died at the Little Bighorn and so did their only sister s husband Most do not realize that not one not two but three Custer brothers died with the 7th Cavalry at the hands of the Sioux and Cheyenne at Little Bighorn in 1876 So too did their nephew and the husband of their only sister Less than half the immediate Custer family would survive the massacre This is their story This book is a must for all those interested in the enduring Custer legend Where other Custer literature focuses solely on George Armstrong The Other Custers is the only volume to explore the lives of the Custer siblings in depth War hero Tom Custer earned two Medals of Honor during the Civil War before riding into the West with his brother There was the bashful and enigmatic Nevin Custer and the young Boston Custer whose one desire in life was to share the adventures of his idolized older brothers Margaret Custer married into the 7th Cavalry and was widowed at twenty four when her husband James Calhoun was among the dead at the Little Bighorn The Other Custers traces the upbringing of the family and follows Nevin and Margaret as they carried the Custer name beyond Little Bighorn The book also uncovers much more detail about the ancestors and descendants of the Custer siblings than is to be found in other Custer biographies *Where Custer Fell* James S. Brust,Brian C. Pohanka,Sandy Barnard,2007-03-01 Historical and contemporary photographs accompany a narrative reflection on Lieutenant Colonel George Armstrong Custer s Last Stand at the Battle of Little Bighorn which includes personal accounts of battle veterans **The Oxford Handbook of the History of Archaeology** Margarita Díaz-Andreu,Laura Coltofean,2024 The Oxford Handbook of the History of Archaeology offers comprehensive perspectives on the origins and developments of the discipline of archaeology and the direction of future advances in the field Written by thirty six archaeologists and historians from all over the world it covers a wide range of themes and debates including

biographical accounts of key figures scientific techniques and archaeological fieldwork practices institutional contexts and the effects of religion nationalism and colonialism on the development of archaeology     Encyclopedia of American Indian Wars, 1492-1890 Jerry Keenan, 1999 Focusing on the longest running conflict in American history this illustrated encyclopedia reveals the common threads that weave through four centuries of clashes from Columbus's voyage to the Wounded Knee Massacre 450 entries 70 illustrations     *In Custer's Shadow* Ronald Hamilton Nichols, 2000 During the Battle of the Little Big Horn five entire companies of the 7th Cavalry including their leader George Armstrong Custer were lost For years the shadow of blame for the defeat has been cast upon Custer What role did his subordinates play in the battle Did they contribute to the Custer failure or was he the only one to blame In Custer's Shadow presents the complex life of Major Marcus Reno Custer's second in command Employing photographs and maps to help the reader visualize the text Ronald H Nichols unravels the controversy surrounding Reno's role in the battle and questions the scrutiny to which he was subjected in the years following     **The End of Custer** Dale T. Schoenberger, 1995 Author provides vignettes in detail of how officers and enlisted men died as well as the Indian perspective of the battle The battle at Little Big Horn unfolds its drama more completely than ever before in this monumental work by the greatly respected and recently deceased Dale T Schoenberger The telling of the destruction of Custer's battalion is a masterpiece not only do we see how the companies of his battalion perished but we are also given vignettes in intimate detail of how the officers and several of the enlisted men died Throughout the drama a number of so called Custer truisms are refuted Dale T Schoenberger was not a man afraid of controversy We see that Custer did have a battle plan his horses were not tired and Custer did not disobey his final orders
