Chess Warrior László Jakobetz,2024-05-14 The Patriarch of Hungarian Chess Ask any chessplayer today if they recognize the name Mar czy and you will probably get a reply that it describes a pawn configuration designed to limit black pawn levers While technically correct such a reply would overlook the life and legacy of one of the great grandmasters organizers and arbiters in chess history G za Mar czy was the first Hungarian world class grandmaster In the most comprehensive biography of him ever written Hungarian chess historian L szl Jakobetz traces Mar czy s life from the earliest years his maturing to an elite player and his significant contributions to the royal game This remarkable book has over 180

annotated games supplemented by hundreds of rare archival photographs Also included are Mar czy s complete tournament and match records along with crosstables from Budapest 1892 to his final tournament in the Netherlands in 1947 Until now very few books worthy of G za Mar czy s influence and chess legacy have been published worldwide Therefore I am delighted that this comprehensive biography presents to chess loving readers the exceptional personalities and chess events of past eras along with many interesting lessons and insights for the present generation from the foreword by Lajos Portisch Most players are familiar with modern Hungarian grandmasters such as Judit Polg r and P ter L k but it was the great patriarch of Hungarian chess G za Mar czy who paved the way for them
