Jesus, the Bible, and Homosexuality Jack Bartlett Rogers, 2006-01-01 In this sure to be controversial book former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual Christianity he observes has moved through history in the direction of ever greater openness and inclusiveness Today s church is led by many of those who were once cast out people of color women and divorced and remarried people It is inevitable he believes that gay lesbian bisexual and transgender people will one day walk in the same steps as other Christian leaders Rogers an evangelical begins by discussing his own personal change of heart and mind on the issue a change that has moved him into the middle of this controversy in his own church the Presbyterian Church U S A He examines how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians Rogers concludes with his thoughts on how the church can heal itself and move forward

Lockwood,2018-01-31 In the New Testament figures drawn from common experience often communicate deep theological truth depicting the vital relationship of the believer to Jesus Christ However there is one figure used throughout Scripture to describe the relationship of peoples to their Lord which for the most part is either minimized or ignored the figure of master and slave From the Introduction *An Introduction to Biblical Ethics* J. Robertson McQuilkin,1995 A highly readable book which states the need for a clear system of moral values and duties based on solid biblical scholarship and an understanding of today s culture Part One deals with what the Bible says about love law sin and ethics Part Two tells how to apply all these biblical principles to life *Does the Bible Affirm Same-Sex Relationships?* Rebecca McLaughlin,2024-05-15 Examines the arguments used to claim that the Bible affirms same sex relationships You may have heard the claim that the Bible when read correctly is not against believers entering monogamous faithful same sex relationships The arguments sound quite compelling Jesus never talked about same sex relationships Paul was only condemning exploitative relationships not consensual ones We don t keep the Old Testament food laws so why would we keep the ones on same sex sex If God is love he can t be against relationships of love And more Have Christians through the ages just been getting this one wrong In this concise book Rebecca McLaughlin looks at ten of the most common arguments used to claim that the Bible affirms same sex sexual relationships She analyzes the arguments and associated Bible passages one by one to uncover what the Bible really says For Rebecca as someone with a lifelong history of same sex attraction this is not just an academic question But rather than concluding that the Bible does affirm same sex marriage she points readers to the gospel purpose of male female marriage a different kind of gospel centered love between believers of the same sex and God s life and love filled vision for singleness [Answers to Your Biblical Questions](#) Jean Billy Beaufils,2022-07-22 In this book The Reverend Doctor J Billy Beaufils Pastor former President of the Mission Th ophile in Christ Inc Current President of the Association of Haitian Evangelical Pastors of Georgia Veteran in radio broadcasting for 26 years with a determination and an extraordinary courage like that of Jeremiah does not stop teaching and exposing the Word of God to the Haitian communities throughout the United States of America and Haiti He has just offered us this brilliant and vigorous work which I call an encyclopedia which all Bible teachers should have a copy for reference in their archives This book is a gift that Dr Beaufils my friend my brother my colleague made for the Haitian and Haitian American communities but especially to humanity in general Let s face it Dr Beaufils has shown unflinching honesty in his work by denouncing and exposing the lies of the gods of this century conveyed by false disguised ministers whom our Lord Jesus Christ calls ravening wolves We know that man is a tragic actor placed in a totally absurd environment where it is impossible for him to satisfy his rational aspirations that some
