Music in the London Theatre from Purcell to Handel Colin Timms, Bruce Wood, 2017-06-29 This book is concerned with a hundred years of musical drama in England It charts the development of the genre from the theatre works of Henry Purcell and his contemporaries to the dramatic oratorios of George Frideric Handel and his En route it investigates the objections to all sung drama in English that were articulated in the decades around 1700 various proposed solutions the importation of Italian opera and the creation of the dramatic oratorio English drama all sung but not staged Most of the constituent essays take an in depth look at a particular aspect of the process while others draw attention to dramatic qualities in non dramatic works that also were performed in the theatre The journey from Purcell to Handel

illustrates the vigour and vitality of English theatrical and musical traditions and Handel's dramatic oratorios and other settings of English words answer questions posed before he was born Daniel Defoe Robert James Merrett, 2013-01-01 A highly conscious wordsmith Daniel Defoe used expository styles in his fiction and non-fiction that reflected his ability to perceive material and intellectual phenomena from opposing but not contradictory perspectives Moreover the boundaries of genre within his wide-ranging oeuvre can prove highly fluid In this study Robert James Merrett approaches Defoe's body of work using interdisciplinary methods that recognize dialectic in his verbal creativity and cognitive awareness Examining more than ninety of Defoe's works Merrett contends that this author's literariness exploits a conscious dialogue that fosters the reciprocity of traditional and progressive authorial procedures Along the way he discusses Defoe's lexical and semantic sensibility his rhetorical and aesthetic theories his contrarian theology and more Merrett proposes that Defoe's contrarian outlook celebrates a view of consciousness that acknowledges the brain's bipartite structure and in so doing illustrates how cognitive science may be applied to further explorations of narrative art **The Living Age** , 1857
