

Small Town America

Robert Wuthnow

Small Town America:

Small-Town America Robert Wuthnow, 2015-05-26 A revealing examination of small town life More than thirty million Americans live in small out of the way places Many of them could have joined the vast majority of Americans who live in cities and suburbs They could live closer to more lucrative careers and convenient shopping a wider range of educational opportunities and more robust health care But they have opted to live differently In *Small Town America* we meet factory workers shop owners retirees teachers clergy and mayors residents who show neighborliness in small ways but who also worry about everything from school closings and their children's futures to the ups and downs of the local economy Drawing on more than seven hundred in depth interviews in hundreds of towns across America and three decades of census data Robert Wuthnow shows the fragility of community in small towns He covers a host of topics including the symbols and rituals of small town life the roles of formal and informal leaders the social role of religious congregations the perception of moral and economic decline and the myriad ways residents in small towns make sense of their own lives Wuthnow also tackles difficult issues such as class and race abortion homosexuality and substance abuse *Small Town America* paints a rich panorama of individuals who reside in small communities finding that for many people living in a small town is an important part of self identity

Small Town America Richard R. Lingeman, 1980 The history of America is the history of its small towns For better or worse small town values convictions and attitudes have shaped the psyche of this nation This book chronicles the rise and fall of small towns from the Atlantic to the Pacific and interweaves the story of their development with the main strands of American history inside flap

Small Town America, 1994 And his poignant engaging text grounded in his memories of his own small town upbringing and populated by characters he has met in the course of his work brings to life the essence of the small town experience

On the Back Roads Bill Graves, 1999 The author tells the tales of 40 000 miles of travel in his motorhome through California Arizona Utah Nevada Oregon and Wyoming

Habits of the Heartland Lyn C. Macgregor, 2013-09-15 Although most Americans no longer live in small towns images of small town life and particularly of the mutual support and neighborliness to be found in such places remain powerful in our culture In *Habits of the Heartland* Lyn C Macgregor investigates how the residents of Viroqua Wisconsin population 4 355 create a small town community together Macgregor lived in Viroqua for nearly two years During that time she gathered data in public places attended meetings volunteered for civic organizations talked to residents in their workplaces and homes and worked as a bartender at the local American Legion post Viroqua has all the outward hallmarks of the idealized American town the kind of place where local merchants still occupy the shops on Main Street and everyone knows everyone else On closer examination one finds that the town contains three largely separate social groups Alternatives Main Streeters and Regulars These categories are not based on race or ethnic origins Rather social distinctions in Viroqua are based ultimately on residents ideas about what a community is and why it matters These ideas both reflect and shape their choices as consumers whether

at the grocery store as parents of school age children or in the voting booth Living with and listening to the town s residents taught Macgregor that while traditional ideas about community especially as it was connected with living in a small town still provided an important organizing logic for peoples lives there were a variety of ways to understand and create community

Small-Town America Robert Wuthnow, 2013-06-30 A revealing examination of small town life More than thirty million Americans live in small out of the way places Many of them could have joined the vast majority of Americans who live in cities and suburbs They could live closer to more lucrative careers and convenient shopping a wider range of educational opportunities and more robust health care But they have opted to live differently In *Small Town America* we meet factory workers shop owners retirees teachers clergy and mayors residents who show neighborliness in small ways but who also worry about everything from school closings and their children s futures to the ups and downs of the local economy Drawing on more than seven hundred in depth interviews in hundreds of towns across America and three decades of census data Robert Wuthnow shows the fragility of community in small towns He covers a host of topics including the symbols and rituals of small town life the roles of formal and informal leaders the social role of religious congregations the perception of moral and economic decline and the myriad ways residents in small towns make sense of their own lives Wuthnow also tackles difficult issues such as class and race abortion homosexuality and substance abuse *Small Town America* paints a rich panorama of individuals who reside in small communities finding that for many people living in a small town is an important part of self identity

The Left Behind Robert Wuthnow, 2018-02-27 How a fraying social fabric is fueling the outrage of rural Americans What is fueling rural America s outrage toward the federal government Why did rural Americans vote overwhelmingly for Donald Trump And beyond economic and demographic decline is there a more nuanced explanation for the growing rural urban divide Drawing on more than a decade of research and hundreds of interviews Robert Wuthnow brings us into America s small towns farms and rural communities to paint a rich portrait of the moral order the interactions loyalties obligations and identities underpinning this critical segment of the nation Wuthnow demonstrates that to truly understand rural Americans anger their culture must be explored more fully We hear from farmers who want government out of their business factory workers who believe in working hard to support their families town managers who find the federal government unresponsive to their communities needs and clergy who say the moral climate is being undermined Wuthnow argues that rural America s fury stems less from specific economic concerns than from the perception that Washington is distant from and yet threatening to the social fabric of small towns Rural dwellers are especially troubled by Washington s seeming lack of empathy for such small town norms as personal responsibility frugality cooperation and common sense Wuthnow also shows that while these communities may not be as discriminatory as critics claim racism and misogyny remain embedded in rural patterns of life Moving beyond simplistic depictions of the residents of America s heartland *The Left Behind* offers a clearer picture of how this important population will influence the nation s political future *Small-town*

America in Film Emanuel Levy,1991 *Jewish Life in Small-Town America* Lee Shai Weissbach,2008-10-01 In this book Lee Shai Weissbach offers the first comprehensive portrait of small town Jewish life in America Exploring the history of communities of 100 to 1000 Jews the book focuses on the years from the mid nineteenth century to World War II Weissbach examines the dynamics of 490 communities across the United States and reveals that smaller Jewish centers were not simply miniature versions of larger communities but were instead alternative kinds of communities in many respects The book investigates topics ranging from migration patterns to occupational choices from Jewish education and marriage strategies to congregational organization The story of smaller Jewish communities attests to the richness and complexity of American Jewish history and also serves to remind us of the diversity of small town society in times past **The 100 Best Small Towns in America** Norman Crampton,1993 A nationwide guide to the best in small town living Cover subtitle

Right here, we have countless ebook **Small Town America** and collections to check out. We additionally pay for variant types and along with type of the books to browse.
