# Social Contract Theories Political Obligation Or Anarchy

**Christopher Berry Gray**

## **Social Contract Theories Political Obligation Or Anarchy:**

Social Contract Theories Vicente Medina,1990 An exposition of the work of writers such as Hobbes Locke Rousseau Kant and Rawls who belong to the contractarian tradition The author discusses the concepts of nature man and freedom and the connection between social contract and natural rights that were central to their thought **A Theory of Political**

**Obligation** Margaret Gilbert,2006-05-11 Margaret Gilbert offers an incisive new approach to a classic problem of political philosophy when and why should I do what the laws of my country tell me to do Beginning with carefully argued accounts of social groups in general and political societies in particular the author argues that in central standard senses of the relevant terms membership in a political society in and of itself obligates one to support that society's political institutions The obligations in question are not moral requirements derived from general moral principles as is often supposed but a matter of one's participation in a special kind of commitment joint commitment An agreement is sufficient but not necessary to generate such a commitment Gilbert uses the phrase plural subject to refer to all of those who are jointly committed in some way She therefore labels the theory offered in this book the plural subject theory of political obligation The author concentrates on the exposition of this theory carefully explaining how and in what sense joint commitments obligate She also explores a classic theory of political obligation actual contract theory according to which one is obligated to conform to the laws of one's country because one agreed to do so She offers a new interpretation of this theory in light of a theory of plural subject theory of agreements She argues that actual contract theory has more merit than has been thought though the more general plural subject theory is to be preferred She compares and contrasts plural subject theory with identification theory relationship theory and the theory of fair play She brings it to bear on some classic situations of crisis and in the concluding chapter suggests a number of avenues for related empirical and moral inquiry Clearly and compellingly written *A Theory of Political Obligation* will be essential reading for political philosophers and theorists *Philosophical Anarchism and Political Obligation* Magda Egoumenides,2014-08-28 Political obligation refers to the moral obligation of citizens to obey the law of their state and to the existence nature and justification of a special relationship between a government and its constituents This volume in the Contemporary Anarchist Studies series challenges this relationship seeking to define and defend the position of critical philosophical anarchism against alternative approaches to the issue of justification of political institutions The book sets out to demonstrate the value of taking an anarchist approach to the problem of political authority looking at theories of natural duty state justification natural duty of justice fairness political institutions and more It argues that the anarchist perspective is in fact indispensable to theorists of political obligation and can improve our views of political authority and social relations This accessible book builds on the works of philosophical anarchists such as John Simmons and Leslie Green and discusses key theorists including Rousseau Rawls and Horton This key resource will make an important contribution to anarchist political theory and to anarchist studies more generally The Social Contract from Hobbes to

Rawls David Boucher, Paul Kelly, 2003-09-02 First published in 2004 Routledge is an imprint of Taylor Francis an informal company     **The Philosophy of Law** Christopher Berry Gray, 1999 This encyclopedia offers systematic and sustained coverage of the many dimensions of legal thought and gives expression to the breadth and depth of the philosophy of law

**Reinventing Anarchy, Again** Howard J. Ehrlich, 1996 This book brings together the major currents of social anarchist theory in a collection of some of the most important writers from the United States Canada England and Australia The book is organized into eight sections What is Anarchism The State and Social Organization Moving Toward Anarchist Society Anarcha feminism Work The Culture of Anarchy The Liberation of Self and finally Reinventing Anarchist Tactics     The

Philosophy of Law Christopher Berry Grey, 2013-07-04 From articles centering on the detailed and doctrinal exposition of the law to those which reside almost wholly within the realm of philosophical ethics this volume affords comprehensive treatment to both sides of the philosophico legal equation Systematic and sustained coverage of the many dimensions of legal thought gives ample expression to the true breadth and depth of the philosophy of law with coverage of The modes of knowing and the kinds of normativity used in the law Studies in international constitutional criminal administrative persons and property contracts and tort law including their historical origins and worldwide ramifications Current legal cultures such as common law and civilian European and Aboriginal Influential jurists and their biographies All influential schools and methods

Leadership Without Easy Answers Ronald A. Heifetz, 2009-07-01 Drawing on a dozen years of research among managers officers and politicians in the public realm and the private sector among the nonprofits and in teaching Heifetz presents clear concrete prescriptions for anyone who needs to take the lead in almost any situation under almost any organizational conditions no matter who is in charge     **Contract, Culture, and Citizenship** Mark E. Button, 2010 Explores the concept of

the social contract and how it shapes citizenship Argues that the modern social contract is an account of the ethical and cultural conditions upon which modern citizenship depends Provided by publisher     **Western Political Thought** Robert Eccleshall, Michael Kenny, 1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability     *The Ways of a King* Geoffrey P. Miller, 2011-11-16 Geoffrey P. Miller argues that the narratives from Genesis to Second Kings present a sophisticated argument for political obligation and for limited monarchy as the best form of government The Hebrew Bible in this sense can be considered as one of the earliest political philosophies of the western world The Garden of Eden story identifies revelation consent utopia natural law ownership power patriarchy and justice as bases for political obligation The stories of life after the expulsion from Eden argue that government and law are essential for a decent life The Genesis narratives recognize patriarchal authority but also identifies limits based on kinship higher authority and power The book of Exodus introduces the topic of political authority arguing that nationhood strictly dominates over other forms of political organization The Sinai narratives explore two

important sources of authority revelation and consent of the governed The book of Joshua presents a theory of sovereignty conceived of as the exclusive and absolute control over territory The book of Judges examines two types of national government military rule and confederacy It argues that military rule is inappropriate for peacetime conditions and that the confederate form is not strong enough to deliver the benefits of nationhood The books of Samuel and Kings consider theocracy and monarchy The bible endorses monarchy as the best available form of government provided that the king is constrained by appropriate checks and balances Contrary to the view of some scholars no text from Genesis to Second Kings disapproves of monarchy as a form of government

**Marx and Modern Political Theory** Philip J. Kain, 1993 Philip J Kain deftly demonstrates the historical antecedents to and continuing relevance of Karl Marx's thought Kain reveals the unappreciated pluralism of Marx how it has endured and how it will continue to adapt to the challenges of modern day thought such as feminist theory

*Moral Rights and Political Freedom* Tara Smith, 1995-06-06 Seeking a way out of today's bewildering rush of rights claims Tara Smith's *Moral Rights and Political Freedom* offers a systematic account of the nature and foundations of rights The book carefully elucidates what political freedom is and demonstrates why it should be protected by rights Smith's thesis is that rights are teleological respect for freedom is necessary for individuals flourishing or eudaimonia Smith illustrates how many alleged rights would actually undermine that objective Her decisive refutation of the assumption that conflicts between rights are inevitable demonstrating how such conflicts are theoretically incoherent and practically self-defeating should go a long way toward resolving many contemporary disputes about rights

*Soul, Self, and Society* Edward L. Rubin, 2015-02-17 Political and social commentators regularly bemoan the decline of morality in the modern world They claim that the norms and values that held society together in the past are rapidly eroding to be replaced by permissiveness and empty hedonism But as Edward Rubin demonstrates in this powerful account of moral transformations these prophets of doom are missing the point Morality is not diminishing instead a new morality centered on an ethos of human self-fulfillment is arising to replace the old one As Rubin explains changes in morality have gone hand in hand with changes in the prevailing mode of governance throughout the course of Western history During the Early Middle Ages a moral system based on honor gradually developed In a dangerous world where state power was declining people relied on bonds of personal loyalty that were secured by generosity to their followers and violence against their enemies That moral order exemplified in the early feudal system and in sagas like *The Song of Roland* *The Song of the Cid* and the Arthurian legends has faded but its remnants exist today in criminal organizations like the Mafia and in the rap music of the urban ghettos When state power began to revive in the High Middle Ages through the efforts of the European monarchies and Christianity became more institutionally effective and more spiritually intense a new morality emerged Described by Rubin as the morality of higher purposes it demanded that people devote their personal efforts to achieving salvation and their social efforts to serving the emerging nation states It insisted on social hierarchy confined women to subordinate roles restricted

sex to procreation centered child rearing on moral inculcation and countenanced slavery and the marriage of pre teenage girls to older men Our modern era which began in the late 18th century has seen the gradual erosion of this morality of higher purposes and the rise of a new morality of self fulfillment one that encourages individuals to pursue the most meaningful and rewarding life path Far from being permissive or a moral abdication it demands that people respect each other s choices that sex be mutually enjoyable that public positions be allocated according to merit and that society provide all its members with their minimum needs so that they have the opportunity to fulfill themselves Where people once served the state the state now functions to serve the people The clash between this ascending morality and the declining morality of higher purposes is the primary driver of contemporary political and cultural conflict A sweeping big idea book in the vein of Francis Fukuyama s *The End of History* Charles Taylor s *The Secular Age* and Richard Sennett s *The Fall of Public Man* Edward Rubin s new volume promises to reshape our understanding of morality its relationship to government and its role in shaping the emerging world of High Modernity

**Contract Ethics** Howard Kahane,1995 Recent theorists have suggested that human altruism toward non family members evolved because of the tremendous benefits of reciprocity Developing further the notion that evolutionary theory can help to explain moral sentiments Howard Kahane proposes that a sense of fair play is essential to ethics and argues that moral obligation too narrowly construed prevents us from living rationally He brings his account of fair play to bear on the ethics of various domains of social life including friendship taxes civil rights and nation states

**Islam and International Relations** Faiz Sheikh,2016-07-11 International Relations tends to rely on concepts that developed on the European continent obscuring the fact that its history is far less international than one might expect But in today s global world who does this ignore and marginalize And what impact does that have on the discipline s potential to assess world politics This book explores an Islamic approach to the international showing that Islam can contribute keen insights into how we do IR and how we might change that practice to be more inclusive while also highlighting the limits of an Islamic International Relations Exploring conceptualizations of community and difference in Islamic traditions the book relates these notions to concepts that are considered universal in IR such as state based politics and the necessity for secularism In this way the book shows how the study of political Islam might help to interrogate and redefine key concepts within international politics In a world of continuing polarization between Islam and the West this book offers IR a chance to engage in a constructive dialogue with Islamic traditions in order to better understand global politics

*For Anarchism (RLE Anarchy)* David Goodway,2013-06-26 This collection discusses both the history and theory of anarchism and in particular examines italian anarchism the relationship between Marxism and anarchism the influence of Kropotkin new social movements and the anarchist theory of history

**The Routledge Handbook of Anarchy and Anarchist Thought** Gary Chartier,Chad Van Schoelandt,2020-12-30 This Handbook offers an authoritative up to date introduction to the rich scholarly conversation about anarchy about the possibility dynamics and appeal of social order

without the state Drawing on resources from philosophy economics law history politics and religious studies it is designed to deepen understanding of anarchy and the development of anarchist ideas at a time when those ideas have attracted increasing attention The popular identification of anarchy with chaos makes sophisticated interpretations which recognize anarchy as a kind of social order rather than an alternative to it especially interesting Strong centralized governments have struggled to quell popular frustration even as doubts have continued to percolate about their legitimacy and long term financial stability Since the emergence of the modern state concerns like these have driven scholars to wonder whether societies could flourish while abandoning monopolistic governance entirely Standard treatments of political philosophy frequently assume the justifiability and desirability of states focusing on such questions as What is the best kind of state and What laws and policies should states adopt without considering whether it is just or prudent for states to do anything at all This Handbook encourages engagement with a provocative alternative that casts more conventional views in stark relief Its 30 chapters written specifically for this volume by an international team of leading scholars are organized into four main parts I Concept and Significance II Figures and Traditions III Legitimacy and Order IV Critique and Alternatives In addition a comprehensive index makes the volume easy to navigate and an annotated bibliography points readers to the most promising avenues of future research

**New Approaches to Social Contract Theory** Michael Moehler, John Thrasher, 2024 This book discusses new directions in social contract theory While social contract theory has a long history in moral and political philosophy social circumstances have significantly changed over time It presents new approaches to social contract theory that apply to such conditions addressing some of most pressing social problems today

**Rousseau** Timothy O'Hagan, 2003-09-02 Timothy O Hagan investigates Jean Jacques Rousseau s writings concerning the formation of humanity of the individual and of the citizen in his three master works the Discourse on the Origin of Inequality among Men Emile and the Social Contract He explores Rousseau s reflections on the sexes language and religion O Hagan gives Rousseau s arguments a close and sympathetic reading He writes as a philosopher not a historian yet he never loses sight of the cultural context of Rousseau s work

### **Social Contract Theories Political Obligation Or Anarchy Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Social Contract Theories Political Obligation Or Anarchy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Social Contract Theories Political Obligation Or Anarchy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Social

Contract Theories Political Obligation Or Anarchy free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Social Contract Theories Political Obligation Or Anarchy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Social Contract Theories Political Obligation Or Anarchy any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Social Contract Theories Political Obligation Or Anarchy Books**
