Social Trends in Contemporary Russia Michael Ryan,trans,1993-10-13 Social Trends in Contemporary Russia trans,2016-01-29 **Social Trends in Contemporary Russia** ,1993-09-15 Drawing on official sources in the Russian language this book presents new factual information about Russian society before and after the attempted coup of August 1991 **Developments in Russian Politics 5** Stephen White,Alex Pravda,Zvi Y. Gitelman,2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to *Developments in Russian Politics 5* describe the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as media and political communication crime and corruption and Russia s continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic *Developments in Russian Politics 5* will replace earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the politics of the world s largest country *Russia's Liberal Project* Marcia A. Weigle,2010-11-01 A study of contemporary politics in Russia assessing the attempted transition from totalitarianism to liberal democracy It shows that although liberal institutions have been tentatively established the weak social and cultural supports threaten the success of Russia s liberal project *Capitalism with a Human Face* William Gay,T. A. Alekseeva,1996 Combining the theoretical perspectives of a leading Russian political scientist and an American political philosopher who have collaborated for years *Capitalism with a Human Face* analyzes the relation between economics and politics in Russia as it moves toward modernization Throughout the book the authors contrast Western media accounts of the Russian situation with less accessible but more relevant data gathered in Russia since 1991 They advocate a new notion of centrism for Russia one that combines democratic politics and a market economy without abandoning the social guarantees on which many Russians have long relied and without which their political and economic life is likely to remain in turmoil This will be an important work for scholars and students of social and political philosophy international relations comparative politics and economics *Land Reform in the Former Soviet Union and Eastern Europe* Stephen K. Wegren,2003-10-04 Land reform is a key factor in determining the political economic and social future of the transitional states of the former Soviet Union and Eastern Europe This book represents the first major study in this area Utilizing extensive field work unpublished materials statistical data and interviews with land reform officials the contributors explore the key issues Decentralized Democratic Governance in New Millennium U. B. Singh,2009 **The American Bibliography of Slavic and East European Studies** Patt Leonard,Rebecca Routh,2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by

discipline it covers the arts humanities social sciences life sciences and technology Migrants, Refugees, and Foreign Policy Rainer Münz, Myron Weiner, 1997 Foreign policies have always played an important role in the movements of migrants A number of essays in this volume show how the foreign policies of the United States and Germany have directly or inadvertently contributed to the influx from the former Yugoslavia Mexico the Caribbean and the former Soviet Union Now being faced with growing resistance to admit foreigners into their countries both governments have once again been using foreign policy instruments in an effort to change the conditions in the refugees countries of origin which forced people to leave This volume addresses questions such as which policies can influence governments to improve their human rights protect minorities end internal strife reduce the level of violence or improve economic conditions so that large numbers of people need not leave their homes The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs *Russia and the USSR in the 20th Century* David MacKenzie, Michael W. Curran, 1997 This balanced text has been revised to reflect the dramatic changes that have occurred in the former Soviet Union and to give students the context in which they can understand the roots of those changes Introduced by a discussion of Russian history just prior to the Revolution the text looks at the development of the Soviet Union goes beyond the political to reveal the complexity of social economic diplomatic and cultural forces that have shaped this country Two new chapters bring students up to date on the collapse of the Soviet Union and the legacy of Soviet Communism Highly praised Problems sections offer conflicting points of view among Soviet post Soviet and Western historians giving readers insight into the past and present debates in this changing nation Russia and the USSR in the Twentieth Century David MacKenzie, Michael W. Curran, 2002 In this revision of their best selling text MacKenzie and Curran present a succinct updated history from the later imperial tsarist regime to the current Russia Acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history through the Putin presidency and offers Russian as well as post Soviet views of Russian history Active Citizenship and Multiple Identities in Europe Danny Wildemeersch, Veerle Stroobants, 2005 Two major themes are addressed in this book The first one is on **Green Building in the Russian Context** Elena Sergeevna Bondareva, 2005 **Bibliographic Guide to Slavic, Baltic, and Eurasian Studies**, 1994 *Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion* Albert John Walford, Marilyn Mullay, Priscilla Schlicke, Library Association, 1996 This new edition of Volume II last published in 1994 has been extensively expanded and revised in all areas Fully updated the new edition includes major changes and covers a span of topics from archaeology through medieval history to statistics It includes philosophy psychology religion social sciences geography biology and history All areas have been completely updated with additional

material in economics business and management
