Social Bridges and Contexts in Criminology and Sociology Lorine Hughes, Lisa Broidy, 2020-12-29 Social Bridges and Contexts in Criminology and Sociology brings together leading scholars to commemorate the illustrious career and enduring contributions of Professor James F Short Jr to the social sciences Although Professor Short is best known as a gang scholar he was a bridging figure who advanced the study of human behavior across multiple domains Individual chapters document Professor Short's intellectual development and highlight the significance of his theoretical and empirical work in a range of specialty areas including suicide and homicide criminological theory field and self report survey research methodologies white collar crime hazards and risks levels of explanation microsocial group processes and the etiology of gang violence and delinquency A special feature of this book is the collection of brief personal reflection essays appearing after the main chapters Authored by Professor Short's students colleagues collaborators and friends these essays provide powerful testimonials of the influence of his intellectual legacy as well as his generous spirit and commitment to mentorship Written in a clear and direct style this book will appeal to students and scholars of criminology and sociology and all those

interested in the important contributions of Professor James F Short Ir to these subject areas **Violence in America: Historical and Comparative Perspectives** Hugh Davis Graham, Ted Robert Gurr, 1969 Suicide and Justice Fei Wu,2009-09-15 By analyzing 30 cases Wu Fei studies the dynamics of suicide in terms of family politics and local psychology and finds that suicide is committed when a power balance is broken in the games of power in the family of Gangs Scott H. Decker, David C. Pyrooz, 2015-09-28 Pulling together the most salient current issues in the field today The Handbook of Gangs provides a significant assessment by leading scholars of key topics related to gangs gang members and responses to gangs Chapters cover a wide array of the most prominent issues in the field of gangs written by scholars who have been leaders in developing new ways of thinking about the topics Delivers cutting edge reviews of the current state of research and practice and addresses where the field has been where it is today and where it should go in the future Includes extensive coverage of the individual theories of delinquency and provides special emphasis on policy and prevention program implications in the study of gangs Offers a broad understanding of how other countries deal with gangs and their response to gangs including Great Britain Latin America Australia and Europe Chapters covering the legacies of four pioneers in gang research Malcolm W Klein Walter B Miller James F Short Jr and Irving A Spergel **Library Book Catalog** United States. Office of Technology Transfer, 1972 Questions and Answers in Lethal and Non-lethal Violence Homicide Research Working Group. Annual Workshop, 1993 Warriors and Peacemakers Mark Cooney, 1998-04 Cooney sociology and law U of Georgia looks at the role of people such as relatives friends neighbors workmates strangers and legal officials in encouraging or discouraging others to resolve conflict without violence He argues that the behavior of the third party depends on how close they are to the principals and whether they are above below or level with them in social status Annotation copyrighted by Book News Inc Portland OR The Roots of Violent Crime in America Barry Latzer, 2021-03-17 The Roots of Violent Crime in America is criminologist Barry Latzer's comprehensive analysis of crimes of violence including murder assault and rape in the United States from the 1880s through the 1930s Combining the theoretical perspectives and methodological rigor of criminology with a synthesis of historical scholarship as well as original research and analysis Latzer challenges conventional thinking about violent crime of this era While scholars have traditionally cast American cities in the late nineteenth and early twentieth centuries as dreadful places Latzer suggests that despite overcrowding and poverty U S cities enjoyed low rates of violent crime especially when compared to rural areas The rural South and the thinly populated West both suffered much higher levels of brutal crime than the metropolises of the East and Midwest Latzer deemphasizes racism and bigotry as causes of violence during this period noting that while many social groups confronted significant levels of discrimination and abuse only some engaged in high levels of violent crime Cultural predispositions and subcultures of violence he posits led some groups to participate more frequently in violent activity than others He also argues that the prohibition on alcohol in

the 1920s did not drive up rates of violent crime Though the bootlegger wars contributed considerably to the murder rate in some of America's largest municipalities Prohibition also eliminated saloons which served as hubs of vice corruption and lawlessness. The Roots of Violent Crime in America stands as a sweeping reevaluation of the causes of crimes of violence in the United States between the Gilded Age and World War II compelling readers to rethink enduring assumptions on this contentious topic **Crime and Coercion** M. Colvin,2000-09-01 In a major new theory of criminal behavior Mark Colvin argues that chronic criminals emerge from a developmental process characterized by recurring erratic episodes of coercion Colvin's differential coercion theory which integrates several existing criminological perspectives lays out a compelling argument that coercive forces create social and psychological dynamics that lead to chronic criminal behavior While Colvin's presentation focuses primarily on chronic street criminals the theory is also applied to exploratory offenders and white collar criminals In addition Colvin presents a critique of current crime control measures which rely heavily on coercion and offers in their place a comprehensive crime reduction program based on consistent non coercive practices Indicators of Crime and Criminal Justice Stephen E.
