## **Suicidology Essays In Honor Of Edwin Shneidman:**

Comprehensive Textbook of Suicidology Alan Lee Berman, Morton M. Silverman, Bruce Michael Bongar, 2000-08-10  
Multidisciplinary and comprehensive in scope this volume serves as an authoritative overview of scientific knowledge about suicide and its prevention providing a foundation in theory research and clinical applications Issues relevant to clinical case management are highlighted and various treatment modalities are discussed in light of the latest research findings ,

Suicidology Ronald W. Maris, 2019-03-04 Integrating research from multiple disciplines this text provides a comprehensive perspective on suicide and examines what works in prevention and intervention The author is a pioneering researcher and clinician who addresses the classification prevalence and assessment of suicide and self destructive behaviors and explores risk factors at multiple levels from demographic variables personality traits psychiatric diagnoses and neurobiological factors to the social and cultural context Student friendly features include text boxes that dive deeply into specific issues instructive figures and tables thought provoking clinical cases and engaging examples from literature and popular culture The text reviews medical and psychosocial treatment and prevention approaches discusses ways to help those bereaved by suicide and considers issues of professional liability

**Suicide Among Racial and Ethnic Minority Groups** Frederick T.L. Leong, Mark M. Leach, 2010-04-15 *Suicide Among Racial and Ethnic Minority Groups* pulls together cutting edge empirical research from general cultural diversity literature and applies it to suicide assessment treatment and prevention theory and practice By looking outside of the limited cross cultural studies done within suicidal populations the contributors all established experts in both multicultural counseling and suicidology expand the available empirical literature base in order to provide a deeper look into how culture can act as an important catalyst in suicidal intentions

*Suicide as a Dramatic Performance* David Lester, 2017-07-05 Each suicide is as unique as the individuals involved especially if one examines the nature of the act and to what extent these acts can be viewed as a theatrical performance Focusing on the dramatic aspects of suicide may seem tangential to the physical and mental pain experienced by those who try to kill themselves but dramatic aspects often provide important clues for understanding the mental state of suicidal individuals David Lester and Steven Stack investigate what happens in the weeks days and hours before a suicide when the suicidal individual must make decisions and formulate the script for his or her suicidal act The editors argue that these choices may help us understand and prevent other suicides and stimulate new and innovative research in this important area Through twenty five substantive chapters including both quantitative and qualitative analyses this book offers insights into suicide as a dramatic act with chapters on the intended audience the suicide note the location and method chosen and cultural scripts including suicide by cop sati seppuku and duels The contributors to this volume argue that psychological social and cultural factors influence these choices and that the decisions made by the individual are important for understanding the mental state of the person choosing to die by suicide

**Suicide and Homicide-Suicide Among Police** Antoon Leenaars, Dale

Lund,2017-07-28 The goal of this book is to fully explore what the author refers to as the near epidemic levels of suicide and homicide suicide among law enforcement officers and ultimately to offer recommendations and best practices with which to better address the problem The book begins by discussing suicide in some depth for one has to know suicide unequivocally to understand a suicidal or homicidal suicidal officer Suicide and homicide suicide are complex multi determined events the result of an interplay of individual relational social cultural and environmental factors The complexity of causation necessitates a parallel complexity of knowledge There are at least two avenues to understanding the nomothetic general approach which deals with generalizations using empirical statistical and demographic methods or techniques and the idiographic specific approach which typically involves the intense study of individuals This book explores both Attempting to be mindful of the needs of the officer on the street the mental health provider the administrator the forensic specialist and the survivors of these needless tragedies the belief is that by amalgamating the concerns of a diverse audience we can meet the challenge of identifying at risk individuals and situations and saving lives

**Contemporary Perspectives on Rational Suicide** James L. Werth,2013-06-17 This text brings together spokespersons from several different disciplines who can

present their arguments for or against rational suicide as a viable concept and consequently a realistic option The pros and cons of the discussion format bring the readers to search for their beliefs and the final decision of acceptance or rejection of the concept is left to each individual reader

**Treatment Of Suicidal People** Robert A. Neimeyer,John T.

Maltsberger,Antoon A. Leenaars,2013-02-01 Treatment of suicidal people takes three forms prevention strategies to avert conditions leading to suicide intervention treatment and care during the crisis and postvention response after the event has occurred Unlike other current literature here the focus is on the state of the art of intervention This type of examination is essential because suicidal people themselves are in need of such treatments crisis intervention psychotherapy psychopharmacology and hospitalization Written by professionals in the field the Treatment of Suicidal People allows readers to participate in a learning experience First is a case presentation of an individual Arthur Inman and his long road toward suicide as chronicled in his personal diary The second section puts forth guidelines for the evaluation of suicide risk and crisis intervention A focus on more sustained efforts in psychotherapy is next a theme which is continued in the fourth part by addressing psychiatric issues that are essential for treatment of highly disturbed and lethal patients The following section examines a number of clinical and legal issues that transcend any one population of suicidal people and any particular treatment approach or context And lastly the volume returns to Arthur Inman with case consultations providing alternative perspectives and recommendations on his treatment Suicide and related forms of self injurious behaviour can be circumvented if the involved professionals are sufficiently trained in assessment and prevention

International Handbook of Suicide Prevention Rory C. O'Connor,Stephen Platt,Jacki Gordon,2011-06-03 The International Handbook of Suicide Prevention showcases the latest cutting edge research from the world s leading authorities and highlights policy and practice

implications for the prevention of suicide Brings together the world's leading authorities on suicidal behaviour renowned for their suicide prevention research policy and practice Addresses the key questions of why people attempt suicide the best interventions treatments and care for those at risk and the key international challenges in trying to prevent suicide Describes up to date theoretically derived and evidence based research and practice from across the globe which will have implications across countries cultures and the lifespan

**The Oxford Handbook of Suicide and Self-injury** Matthew Nock, 2014 This handbook provides a comprehensive summary of the most important and exciting advances in our understanding of suicide and self injury and our ability to predict and prevent it

Bioethics Megan-Jane Johnstone, 2008-11-04 The 5th edition of Bioethics provides nursing students with the necessary knowledge and understanding of the ethical issues effecting nursing practice Groundbreaking in its first edition Bioethics continues its role as a vital component of nursing education and provides a framework for students to understand the obligations responsibilities and ethical challenges they will be presented with throughout their careers This latest edition responds to new and emerging developments in the field and marks a significant turning point in nursing ethics in that it serves not only to inform but also to revitalise and progress debate on the issues presented

**Relating to Self-Harm and Suicide** Stephen Briggs, Alessandra Lemma, William Crouch, 2009-05-07 Alessandra Lemma Winner of the Levy Goldfarb Award for Child Psychoanalysis Relating to Self Harm and Suicide presents original studies and research from contemporary psychoanalysts therapists and academics focusing on the psychoanalytic understanding of suicide and self harm and how this can be applied to clinical work and policy This powerful critique of current thinking suggests that suicide and self harm must be understood as having meaning within interpersonal and intrapsychic relationships offering a new and more hopeful dimension for prevention and recovery Divided into three sections the book includes a theoretical overview examples of psychoanalytic practice with self harming and suicidal patients applications of psychoanalytic thinking to suicide and self harm prevention Relating to Self Harm and Suicide will be helpful to psychoanalytic therapists analysts and mental health professionals wanting to integrate psychoanalytic ideas into their work with self harmers and the suicidal This text will also be of use to academics and professionals involved in suicidal prevention

**No Time to Say Goodbye** Carla Fine, 2011-05-11 Suicide would appear to be the last taboo Even incest is now discussed freely in popular media but the suicide of a loved one is still an act most people are unable to talk about or even admit to their closest family or friends This is just one of the many painful and paralyzing truths author Carla Fine discovered when her husband a successful young physician took his own life in December 1989 And being unable to speak openly and honestly about the cause of her pain made it all the more difficult for her to survive With No Time to Say Goodbye she brings suicide survival from the darkness into light speaking frankly about the

overwhelming feelings of confusion guilt shame anger and loneliness that are shared by all survivors Fine draws on her own experience and on conversations with many other survivors as well as on the knowledge of counselors and mental health professionals She offers a strong helping hand and invaluable guidance to the vast numbers of family and friends who are left behind by the more than thirty thousand people who commit suicide each year struggling to make sense of an act that seems to them senseless and to pick up the pieces of their own shattered lives And perhaps most important for the first time in any book she allows survivors to see that they are not alone in their feelings of grief and despair

**With Love and Squalor** Kip Kotzen, Thomas Beller, 2002-02-11 Reading *The Catcher in the Rye* has become a rite of passage for young Americans landing the book on bestseller lists and banned book lists each year even though it was published a half century ago What is it about J D Salinger and his body of work that has left such a lasting mark on American fiction And who better to answer that question than the current generation of writers Here are fourteen of the most vital voices in the contemporary American fiction scene pulling no punches in response to a writer who continues to beguile charm fascinate and frustrate generations of readers Contributors Walter Kirn Ren Steinke Charles D Ambrosio Emma Forrest Aleksander Hemon Lucinda Rosenfeld Amy Sohn John McNally Karen E Bender Thomas Beller Benjamin Anastas Aimee Bender Joel Stein and Jane Mendelsohn turn themselves inside out as they discuss their personal reactions to reading Salinger classics not only *The Catcher in the Rye* but also *Franny and Zooey* *Raise High the Roofbeams Carpenters* and the short stories and explore with begrudging gratitude how Salinger helped to form the deepest reaches of their literary imaginations

**Melville Biography** Hershel Parker, 2012 *Melville Biography An Inside Narrative* is Hershel Parker's history of the writing of Melville biographies enriched by his intimate working relationships with great Melvilleans dead and living The first part is a mesmerizing autobiographical account of what went into creating his award winning two volume life of Herman Melville Next Parker traces six decades the persistent war New Critics have waged against biographical scholarship on Melville American literary critics he finds impose New Critical theories of organic unity on Melville's disrupted career even while truncating his body of work and minimizing his aesthetic interests Parker celebrates the divine amateurs who use new technology to discover dazzling Melville stories and also lauds the writers of literature blogs as potential redeemers of academic and mainstream media reviewing In the third part Parker invites readers into his biographical workshop and challenges them with ambitious research assignments Throughout this bold book Parker seeks to reinvigorate the all but lost art of scholarly literary criticism and biography

**J. D. Salinger's the Catcher in the Rye** Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2014-05-14 Presents a collection of essays analyzing Salinger's *The catcher in the rye* including a chronology of his works and life

**Suicide Century** Andrew Bennett, 2017-10-05 *Suicide Century* investigates suicide as a prominent theme in twentieth century and contemporary literature Andrew Bennett argues that with the waning of religious and legal prohibitions on suicide in the eighteenth and nineteenth centuries and the increasing influence of medical and sociological

accounts of its causes and significance in the twentieth century literature responds to the act and idea as an increasingly normalised but incessantly baffling phenomenon Discussing works by a number of major authors from the long twentieth century the book explores the way that suicide makes and unmakes subjects assumes and disrupts meaning induces and resists empathy and insists on and makes inconceivable our understanding of ourselves and of others      **Oxford Textbook of Suicidology and Suicide Prevention** Danuta Wasserman,2021 Part of the authoritative Oxford Textbooks in Psychiatry series the new edition of the Oxford Textbook of Suicidology and Suicide Prevention remains a key text in the field of suicidology fully updated with new chapters devoted to major psychiatric disorders and their relation to suicide      **The International Handbook of Suicide Prevention** Rory C. O'Connor,Jane Pirkis,2016-09-14 The International Handbook of Suicide Prevention 2nd Edition presents a series of readings that consider the individual and societal factors that lead to suicide it addresses ways these factors may be mitigated and presents the most up to date evidence for effective suicide prevention approaches An updated reference that shows why effective suicide prevention can only be achieved by understanding the many reasons why people choose to end their lives Gathers together contributions from more than 100 of the world s leading authorities on suicidal behavior many of them new to this edition Considers suicide from epidemiological psychological clinical sociological and neurobiological perspectives providing a holistic understanding of the subject Describes the most up to date evidence based research and practice from across the globe and explores its implications across countries cultures and the lifespan
