Samurai An Illustrated History:

Samurai Mitsuo Kure, 2014-11-25 *Samurai An Illustrated History* brings the violent tumultuous and at the same time elegant world of the medieval Japanese samurai to life. This book of Japanese history traces the story of a unique historical phenomenon a period of 700 years equivalent to the entire stretch of Western history between the reigns of the Crusader king Richard the Lionhearted and of Queen Victoria at the height of the British Empire during which an enclosed civilization was dominated by a single warrior caste. The historical narrative of samurai history is supported by explanations of samurai armor weapons fortifications tactics and customs and illustrated with nearly 800 fascinating color photographs maps and sketches including ancient scroll paintings and surviving suits of armor preserved for centuries in Japanese shrines. From the 12th to the 19th centuries the history of Japan was effectively the history of the samurai the class of professional fighting men. At first they were no more than lowly soldiery employed by the court aristocracy of Kyoto but the growing power of the provincial warrior clans soon enabled them to brush aside the executive power of the imperial court and to form their own parallel military government. Though individual dynasties came and went in cycles of vigor and decadence the dominance of the samurai as a class proved uniquely resilient. *Samurai* 日本武士, 2014. Children's Illustrated History Atlas DK, 2018-08-07. Learn about incredible world history in this first ever history atlas for children ages 7-9. Young history buffs will love this time traveling adventure. This beautiful history atlas helps children learn about world history all the way from the first humans leaving Africa right up to how the world looks now with a modern world map. Journey around the world as you learn its history with maps showing everything from the awe inspiring Great Wall of China to the when and how of the Civil War. This amazing illustrated atlas brings history to life. It is packed with more than 40 colorful historical maps and fascinating nuggets of information about our past. Children are shown how to read a map and how to use a key compass and scale. Each map is bursting with information such as how big the Roman Empire was how explorers made incredible journeys around the world and when humans first traveled into space. Samurai Mitsuo Kure, 2007. *Samurai Arms Armor Costume* is one of the first books to show the history and development of clothing armor and weaponry of Japan's samurai warrior class using reenactment photographic material. Covering almost a thousand years and all of the major periodicals of Japanese history nearly fifty modes of dress are described and illustrated in full color. Most importantly these depict the ever evolving fighting outfits of the samurai class and its warriors. However also shown are their everyday and formal wear including female costumes which are particularly beautiful and fascinating. **Masters of the Battlefield** Paul Davis, 2013-07-25.
