

MONICA DICKENS

SUMMER AT WORLD'S END

Summer At Worlds End

James Morrow

Summer At Worlds End:

Summer at World's End Monica Dickens, Summer at World's End Monica Dickens, 2011-09-28 Tom Carrie Em and Michael are still living on their own at World s End In between wondering where the next meal will come from and trying to avoid interfering grown ups they are never short of fun and excitement Carrie cannot stand to see an animal suffer and when she plunges into another rescue operation more perilous than any she has attempted before putting her and faithful dog Charlie into terrible danger things quickly spiral out of control Desperately the children struggle to save Charlie from a dreadful fate but it is a race against time Summer at World s End is the second adventure in The World s End Series *The House at World's End* Monica Dickens, 2011-09-28 Carrie Tom Em and Michael Fielding are at the mercy of their rotten Uncle Rudolph after a fire leaves them homeless with their mother in hospital and their father abroad at sea Uncle Rudolph and his vain wife Val reluctantly take the children in but soon let them live alone at World s End their ramshackle house in the countryside rather than look after them So begins a life with no grown ups where the Fielding children can adopt as many dogs cats monkeys and horses as they like Free at last from interference from their relatives they begin to fend for themselves adding to their already sizeable collection of animals rescuing them from the thoughtless cruelty of adults The House at World s End is the first adventure in The World s End series **The Fox-Hunting Controversy, 1781-2004**

Allyson N. May, 2016-03-16 August 1781 saw the publication of a manual on fox hunting that would become a classic of its genre Hugely popular in its own day Peter Beckford s *Thoughts on Hunting* is often cited as marking the birth of modern hunting and continues to be quoted from affectionately today by the hunting fraternity Less stressed is the fact that its subject was immediately controversial and that a hostile review which appeared on the heels of the manual s publication raised two criticisms of fox hunting that would be repeated over the next two centuries fox hunting was a cruel sport and a feudal anachronistic one at that This study explores the attacks made on fox hunting from 1781 to the legal ban achieved in 2004 as well as assessing the reasons for its continued appeal and post ban survival Chapters cover debates in the areas of class and hunting concerns over cruelty and animal welfare party politics the hunt in literature and nostalgia By adopting a thematic approach the author is able to draw out the wider social and cultural implications of the debates and to explore what they tell us about national identity social mores and social relations in modern Britain **Music at World's End** Árni Heimir Ingólfsson, 2025-01-01 In Iceland in the 1930s classical music was only beginning to be seriously practiced at the same time when musicians of Jewish heritage were fleeing Nazi Germany and Austria Despite the country s strict immigration policy three outstanding young musicians were allowed to settle there Robert Abraham Heinz Edelstein and Victor Urbancic Their influence on Iceland s music scene as conductors instrumentalists teachers and scholars proved invaluable In *Music at World s End* the first in depth study of the lives and careers of these three musicians musicologist rni Ing lfsson examines their formative years in Germany and Austria their dramatic escapes from the Nazi regime and their

triumphs and frustrating setbacks in their new homeland a country in which Jews were virtually unknown This fascinating case study is a valuable addition to studies of musical exile during World War II and beyond **Birch Hills at World's End** Geoff Hyatt, 2011-09-10 Birch Hills at World's End begins between Detroit and nowhere in 1999 when high school senior Josh Reilly senses an apocalypse approaching Josh's unease increases as his privileged but disturbed friend Erik schemes in a journal he calls The Doomsday Book where he plots revenge against the suburbia he's learned to despise When Lindsay a sixteen year old famed for dramatic self mutilation and questionable poetry becomes Josh's girlfriend Erik finds companionship in a circle of bikers and small time meth traffickers Josh suspecting his friend Erik has become a competitor for Lindsay's affections peeks into the Doomsday Book and is shocked by what he learns A web of domestic strife romantic rivalry and millennial anxiety challenges two boys to stand together as their youth comes apart Columbine Y2K can friendships survive the end of the world Praise for Birch Hills at World's End Birch Hills at World's End is a terrific coming of age tale told in a way that feels completely fresh Hyatt handles the important themes of alienation young love friendship and family with scrupulous honesty which is why we care about his characters so deeply by the end He perfectly captures the heartbreak and hilarity of adolescence artfully detailing the ugliness and confusion as well as the epiphanal moments of grace It's a great book by an exciting new author Don De Grazia author of American Skin Buy this book Geoff Hyatt is the real deal and Birch Hills at World's End is proof that you're in the hands of a major talent Hyatt is that rare author in contemporary fiction a visionary brilliantly meshing the apocalyptic with the absurd and bringing to mind the best of Denis Johnson searing prose that makes you laugh one moment and cringe the next Birch Hills isn't John Updike's suburb with its afternoon cocktails and key parties No Birch Hills is our very own suburb and Geoff Hyatt has lifted the rock for all to see John McNally author of After the Workshop and The Book of Ralph Against the backdrop of the gas stations Dairy Queen parking lots and under construction subdivisions of an economically changing Michigan town Hyatt draws us in with his original voice and spot on awareness of what it feels like to try to grow up and face difficult sometimes life altering choices during an uncertain time At turns hilarious and heartbreaking Birch Hills at World's End will make us all glad that we lived through Y2K if for no other reason than to have the chance to read this book Patricia Ann McNair author of The Temple of Air **The Wide**

World's End James Enge, 2015-02-17 The tale of the early days of Morlock Ambrosius master of all magical makers wandering swordsman and son of Merlin concludes From beyond the northern edge of the world the Sunkillers undying enemies of everything that lives and breathes and is an individual are reaching into the sky of Laent to drain out its light and warmth Their hope is to scrape sky land and sea clean of mortal life and return to where they once dwelled before the first rising of the sun Against them stand only the Graith of Guardians defenders of the peaceful anarchy of the Wardlands But the agents of the Sunkillers are abroad even in the Wardlands plotting betraying murdering among the Graith Married now for a century Morlock Ambrosius and Alo Oaij will take different paths to counter the threat As Alo ferrets out the enemy within

the Graith Morlock joins forces with his sister the formidable Ambrosia Viviana and crosses the monster haunted plains of the deep north to confront the Sunkillers in their own realm Morlock and Alo think their parting is temporary but it is final They may or may not save the world but they will not save each other or themselves *The Well at the World's End* William Morris,2025-01-06T22:18:48Z The King of Upmeads has four sons who are tired of living in the peaceable kingdom and yearn to adventure abroad Three are sent out but the fourth Ralph is chosen to stay home He can't stand being left behind and so he runs away wandering to the many lands beyond Upmeads On his travels he encounters much evil meeting both thieves and tyrants At the start Ralph is somewhat naive and is merely carried along by events But when he hears of a legendary Well at the World's End that grants health and long life he devotes himself to finding it though many before him have tried Ralph must make allies escape evil plots and take charge of his journey to fulfill his quest Along the way he'll grow into a confident warrior and the kind of ruler that can set things right in the world The Well at the World's End is an early example of the high fantasy genre as it takes place in a fictional world filled with romance and features a heroic protagonist The magic is subtle and the story is largely an adventure of knights damsels villains and heroes The prose is written in an archaic style of English which inspired many later fantasy writers including J R R Tolkien who may have been influenced by the book's King Gandolf and horse Silverfax and C S Lewis This book is part of the Standard Ebooks project which produces free public domain ebooks **World's End** Charlie Gere,2022-03-29 A memoir and cultural history the World's End a West London area once home to bohemian artists and punk rock and now an outpost of neoliberalism Charlie Gere's account of growing up in the World's End area of West London during the Cold War combines local history cultural history memoir and a strong sense of the apocalyptic Once a rundown part of Chelsea at the wrong end of the King's Road the World's End has long been a place for bohemian writers and artists including Turner Whistler Beckett Bacon and Bacon's muse Henrietta Moraes all of whom evinced an appropriate apocalyptic sensibility After World War II in which the area suffered severe bombing it became a center of the counterculture that emerged from what Jeff Nuttall called Bomb Culture formed by the threat of nuclear annihilation The famous boutique Granny Takes a Trip opened there in 1966 joined later on by Hung On You Puss Weber's Flying Dragon Tea Room and the commune Gandalf's Garden The area also featured trepanning aristocrats and pet lions among other eccentricities In the 1970s the World's End was the center of punk rock Gere's parents arrived as part of a wave of gentrification and Gere born and brought up there witnessed its social and cultural evolution As an adolescent he was traumatized by the prospect of nuclear war He has lived long enough to see the World's End now bearing the marks of out of control neoliberalism and its grotesque accompanying inequality But this too shall pass as world's end **This Is the Way the World Ends** Jeff Nesbit,2024-05-01 Bustle's 17 Best Nonfiction Books Coming Out In September 2018 With This is the Way the World Ends Jeff Nesbit has delivered an enlightening and alarming explanation of the climate challenge as it exists today Climate change is no far off threat It's impacting communities all over the world at this very moment and

we ignore the scientific reality at our own peril The good news As Nesbit underscores disaster is not preordained The global community can meet this moment and we must Senator John Kerry A unique view of climate change glimpsed through the world's resources that are disappearing The world itself won't end of course Only ours will our livelihoods our homes our cultures And we're squarely at the tipping point Longer droughts in the Middle East Growing desertification in China and Africa The monsoon season shrinking in India Amped up heat waves in Australia More intense hurricanes reaching America Water wars in the Horn of Africa Rebellions refugees and starving children across the globe These are not disconnected events These are the pieces of a larger puzzle that environmental expert Jeff Nesbit puts together Unless we start addressing the causes of climate change and stop simply navigating its effects we will be facing a series of unstoppable catastrophes by the time our preschoolers graduate from college Our world is in trouble right now This Is the Way the World Ends tells the real stories of the substantial impacts to Earth's systems unfolding across each continent The bad news Within two decades or so our carbon budget will reach a point of no return But there's good news Like every significant challenge we've faced from creating civilization in the shadow of the last ice age to the Industrial Revolution we can get out of this box canyon by understanding the realities and changing the worn out climate conversation to one that's relevant to every person Nesbit provides a clear blueprint for real time workable solutions we can tackle together

This Is How They Tell Me the World Ends Nicole Perlroth, 2021-05-13 THE INSTANT NEW YORK TIMES BESTSELLER An intricately detailed deeply sourced and reported history of the origins and growth of the cyberweapons market Hot propulsive Sets out from the start to scare us out of our complacency New York Times A terrifying expos The Times Part John le Carr and more parts Michael Crichton Spellbinding New Yorker Zero day a software bug that allows a hacker to break in and scamper through the world's computer networks invisibly until discovered One of the most coveted tools in a spy's arsenal a zero day has the power to tap into any iPhone dismantle safety controls at a chemical plant and shut down the power in an entire nation just ask the Ukraine Zero days are the blood diamonds of the security trade pursued by nation states defense contractors cybercriminals and security defenders alike In this market governments aren't regulators they are clients paying huge sums to hackers willing to turn over gaps in the Internet and stay silent about them This Is How They Tell Me the World Ends is cybersecurity reporter Nicole Perlroth's discovery unpacked A intrepid journalist unravels an opaque code driven market from the outside in encountering spies hackers arms dealers mercenaries and a few unsung heroes along the way As the stakes get higher and higher in the rush to push the world's critical infrastructure online This Is How They Tell Me the World Ends is the urgent and alarming discovery of one of the world's most extreme threats

The Well at the World's End William Morris, 2019-09-04 The Well at the World's End tells the story of Peter King of Upmeads and his four sons Blaise Hugh Gregory and Ralph These four sons decide one day that they would like to explore the world so their father gives them permission except for Ralph who is to remain at home to ensure at least one living heir Ralph however secretly departs

contrary to his father's orders and begins his explorations at Bourton Abbas after which he goes through the Wood Perilous. During his explorations Ralph learns about the Well at the World's End and so begins the quest that will lead him into numerous adventures and misadventures. **A Very Long Summer's Day** Brian Schmidt, 2023-10-27 While looking through a very old telescope belonging to his grandfather Phil sees a town that isn't there. He peers through the open door of a house and gets pulled through the telescope and deposited on the floor of its living room. He is quite surprised when Nanny a goat begins speaking to him. Phil finds himself in a land of magic. And not a very nice kind of magic. Here when a little girl wants a pony another child loses a pony. A group of animal lovers thought it would be a great idea for animals to have the same rights as people. Their misguided idealism put Nanny in the body of a goat and a goat in Nanny's body. Many years before when Phil's grandfather was young he'd visited the land. Seemingly just by being there the land changed for the better. Nanny believes Phil could do the same and in the process be the key to getting her body back. Nanny decides to take Phil to the capital. **A Very Long Summer's Day** is the story of their travels through a realm filled with quirky characters, magic and wizards who have their own plans for Phil. It's reminiscent of books, TV shows and movies that are fun for all ages as a lot of the references and humor pass over the heads of the younger ones. It's sure to become a family favorite. 2 **This Is the Way the World Ends** James Morrow, 2013-08-20 Nebula Award Finalist A fantastical and darkly comic tale of nuclear apocalypse that begins where Dr Strangelove ends. The Philadelphia Inquirer George Paxton is a simple man happy enough with his job carving inscriptions on gravestones. All he needs is a high tech survival garment a scopa suit to protect his beloved daughter in the event of nuclear Armageddon. But when George finally acquires the coveted suit the deal comes with a catch. He must sign a sales contract admitting to his complicity in the nuclear arms race between the US and the Soviets. Inevitably the bombs fall and our hero finds himself imprisoned on a submarine headed for Antarctica where he and five other survivors will stand trial for crimes against humanity. George Paxton's accusers are no ordinary plaintiffs. They are the unadmitted potential people whose hypothetical lives were canceled in consequence of humankind's self extinction. In the months that follow George's dark journey will take him through the hellscape that was once the Earth through a human past that has become as unthinkable as the human future to his day in court before the South Pole tribunal and finally into the intolerable heart of loss. From the World Fantasy Award winning author of *Only Begotten Daughter* and *Towing Jehovah* this is an astute, highly engaging and moving journey into a bizarre postapocalyptic world. Los Angeles Times **When Your World Ends** Dawn Mann Sanders, 2024-09-17 How do you rebuild your life after it falls apart? Dawn Sanders has traveled that path and lived to tell the tale twice. With her unique perspective, authenticity and courage Dawn digs deep into the creation story and unearths a seven step process by which God brings us out of the void and guides us into renewed hope. **Cultural Landscape Report for the Boston Harbor Islands, Boston Harbor Islands National & State Park, Boston, Massachusetts** Olmsted Center for Landscape Preservation (U.S.), 2017 **The World Ends at the River** Cary Herwig, 2023-03-28 During

the hot and humid summer of 57 Vivien Brennan's father is sent to France to protect the free world during the Cold War Vivien lives on a remote farm in Middle Tennessee with her grandma mother and sister Compared to her earlier encounter with the nurse's ghost last summer life is idyllic School is out and down the road from the farm the ford of Little Duck River offers cool water But rivers can be dangerous even deadly For the second time in Vivien's life a ghost seeks her help But this is the specter of a Japanese girl unjustly imprisoned during WWII The spirit never speaks Does she want help Does she seek transition Resolution Something else Were her contemporaries now adults involved in her death In this breathtaking sequel to Herwig's award winning *The Ghost's Daughter* Vivien once again risks everything in a quest for justice and peace But can she she conquer the forces of darkness circling around her Read *The World Ends at the River* for a truly haunting experience

The Select Works of Mrs. Ellis ... Sarah Stickney Ellis, 1845 The Prose Workd of Mrs. Ellis: The poetry of life. Pictures of private life (first and second series) A voice from the vintage Sarah Stickney Ellis, 1844 **The Prose Works of Mrs. Ellis** Sarah Stickney Ellis, 1845
