compelling man Not only does he display a gentle caring side but he also listens to what she says and seems to value her opinions His every look touch and kiss ignite her in the way she s been waiting for all her life But Brus will not completely let her in He has erected a barrier between them and the harder she tries to breach it the more withdrawn he becomes She s determined to prove to him that he can count on her so they can grasp the glorious love she s sure awaits them Yet when a devastating secret comes to light she must decide whether her loyalty remains with the father she s always trusted or whether it belongs with the man she s certain is her destiny

*Hoax* Victor Stater, 2022-01-01 The extraordinary story of the Popish Plot and how it shaped the political and religious future of Britain Stater tells a complex and convoluted story with absolute clarity As a work of historical scholarship *Hoax* is terrific Robert G Ingram *National Review* Stater s accounts have the compulsively fascinating quality of a true crime podcast Jeffrey Collins *Wall Street Journal* In 1678 a handful of perjurers claimed that the Catholics of England planned to assassinate the king Men like the Reverend Doctor Titus Oates and Captain William Bedloe parlayed their fantastical tales of Irish ruffians medical poisoners and silver bullets into public adulation and government pensions Their political allies used the fabricated plot as a tool to undermine the ministry of Thomas Lord Danby and replace him themselves The result was the trial and execution of over a dozen innocent Catholics and the imprisonment of many more some of whom died in custody Victor Stater examines the Popish Plot in full arguing that it had a profound and lasting significance on British politics He shows how Charles II emerged from the crisis with credit moderating the tempers of the time and how as the catalyst for the later attempt to deny James II his throne through parliamentary action it led to the birth of two party politics in England
