*The Summers of James and Annie Wright* James Wright, Edith Anne Wright, 1981      **James Wright** Jonathan Blunk, 2017-10-17 The authorized and sweeping biography of one of America's most complex influential and enduring poets. In the extraordinary generation of American poets who came of age in the middle of the twentieth century James Wright 1927-1980 was frequently placed at the top of the list. With a fierce single-minded devotion to his work Wright escaped the steel town of his Depression era childhood in the Ohio valley to become a revered professor of English literature and a Pulitzer Prize winner. But his hometown remained at the heart of his work and he courted a rough enduring muse from his vivid memories of the Midwest. A full-throated lyricism and classical poise became his tools honesty and unwavering compassion his trademark. Using meticulous research hundreds of interviews and Wright's public readings Jonathan Blunk's authorized biography explores the poet's life and work with exceptional candor making full use of Wright's extensive unpublished work letters poems translations and personal journals. Focusing on the tensions that forced Wright's poetic breakthroughs and the relationships that plunged him to emotional depths Blunk provides a spirited portrait and a fascinating depiction of this turbulent period in American letters. A gifted translator and mesmerizing reader Wright appears throughout in all his complex and eloquent urgency. Discerning yet expansive James Wright will change the way the poet's work is understood and inspire a new appreciation for his enduring achievement.      *James Wright* William H. Roberson, 1995 James Wright 1927-1980 authored nine volumes of poetry. This is the first comprehensive record of Wright's work and the criticism that it generated. Pulitzer Prize-winning poet Louis Simpson contributed the introduction.      **The Leonard L. Milberg Collection of American Poetry** Princeton University. Library. Department of Rare Books and Special Collections, Molly Weigel, Leonard L. Milberg, 1994 Princeton NJ 08544 Library Publications Dept of Rare Books 1 Washington Rd. A catalogue of the Milberg collection of contemporary American poetry at the Firestone Library Princeton U. It covers 70 poets and over 1,800 items as of the end of July 1993. Most of the poets were first published commercially after the end of WWII others were included because of their connection to Princeton or because they were too important to be excluded. An introduction about two pages and small photograph introduce each poet. Really much more thrilling than it sounds a pellucid companion to the contemporaries and beautifully produced as well. Available from Princeton University Libraries. Annotation c by Book News Inc. Portland Or.      Magill's Survey of American Literature Frank Northen Magill, 1991 This set presents 190 American writers for the 17th to the late 20th century.      **So Much Secret Labor** Anne Wright, Sandra Rose Maley, Jeffrey Katz, 2025-03-04 So Much Secret Labor is a window into the work of the great American poet James Wright 1927-1980 whose love of languages and quest for the true imagination helped transform American poetry. The book draws on memoir archival research interviews letters and previous unpublished journal excerpts presenting a scrupulous and intimate reading of Wright's work and the translations he insisted were as redemptive in his life as they were crucial to his poetics. At its center

is a selection of Wright's translations both from German and Spanish poems by Trakl, Rilke, Heine, Vallejo, Lorca and Neruda among others including draft versions discovered among his collected papers that have never been published. It also provides an important assessment of the little known formative influence of German poetry on Wright's own poems. Wright's literary relationship with another great mid-century American poet, Robert Bly, is featured here in a portfolio of unpublished letters, typescripts and holographs. These tell the story of their ardent friendship and earliest translation collaborations and situate them in the history of the emergence of poetry of the true imagination that they were beginning to explore at that time.

**Twentieth-century American Literature**, 1988    *The Georgia Review*, 2019    [The Living Church](#), 1966    **British and Irish Paintings in Public Collections** Christopher Wright, Catherine May Gordon, 2006-01-01. This book sets a new standard as a work of reference. It covers British and Irish art in public collections from the beginning of the sixteenth century to the end of the nineteenth and it encompasses nearly 9,000 painters and 90,000 paintings in more than 1,700 separate collections. The book includes as well pictures that are now lost, some as a consequence of the Second World War and others because of deaccessioning, mostly from 1950 to about 1975, when Victorian art was out of fashion. By listing many tens of thousands of previously unpublished works, including around 13,000 which do not yet have any form of attribution, this book becomes a unique and indispensable work of reference, one that will transform the study of British and Irish painting.
