Sumner Welles: FDR's Global Strategist Benjamin Welles, 2022-07-11 Sumner Welles 1892 1961 ranks among the half dozen most influential American career diplomats of this century And among high officials brought down by sexual scandal he has no rivals This long awaited biography by his son Benjamin blends an adequate narrative of diplomatic achievement with a candid and painful description of the subject s alcohol fueled bisexual excess in an era when unconventional sexual behavior was often a matter of criminal prosecution As a diplomat and shaper of foreign policy Welles like Roosevelt showed an appreciation of the importance of power a liberal commitment to the Good Neighbor policy toward Latin America cautious support for the establishment of the United Nations and a belief that difficult problems with the Soviet Union could be worked out He wrote and spoke with educated precision and was able to do more work in a day than most people could do in a week as a candid sympathetic portrait of a great and tragic figure in a bygone era of aristocratic privilege the biography succeeds admirably The New York Times An absorbing study of an enigmatic character who for nearly a decade after 1933 as Franklin Roosevelt's trusted adviser wielded great influence over American foreign policy While the author treats convincingly the diplomatic episodes in which his father played a significant role it is as a study in character that the book makes its most important contribution Foreign Affairs Affectionate yet scrupulously candid this biography by his son is an act of homage Publishers Weekly This is one of the saddest stories of a good soldier that I have ever read Until 1943 Sumner Welles an often arrogant patrician who had attended Groton School and Harvard College a decade after Franklin Delano Roosevelt was one of the most distinguished members of the interwar foreign service rising to become undersecretary of state in Roosevelt's administration He had elaborated the Good Neighbor Policy in the 1930s he wrote the Atlantic Charter which Roosevelt and Winston Churchill endorsed in 1941 he drafted the United Nations charter and supported the creation of Israel as a national homeland for Jews Unfortunately scandal destroyed Welles career a compassionate but ruthlessly honest biography Neither harsh nor apologetic Benjamin Welles shows a deep understanding of his father's character The Los Angeles Times Benjamin Welles has provided a very complete portrait a significant contribution to scholarship in its own right The National Interest A fascinating look at a little remembered contributor to 20th century history Benjamin Welles is also to be commended for seeing his father s weaknesses and not pulling punches when discussing them Kirkus A detailed and sympathetic portrait that does not disguise the flaws of its subject Benjamin Welles s book should stand as the definitive biography for a long time Latin American Research Review This is a graceful life and times summary as well as a look at the sometimes troubled personal life of an important figure a personal life that did affect Welles s public life A son s perspective is unique The International History Review Benjamin Welles has written the best biography and account of Sumner Welles and his diplomatic career the scope of research is extensive and impressive the author has conscientiously laid out his father s painful personal issues alcoholism adultery and homosexuality which adversely affected Welles s career Welles the author

has written the best account about his father s diplomatic career The Americas The diplomat s son has done a remarkable job of seeking to present a balanced picture of his father s service The book is an important one Presidential Studies Quarterly

Sumner Welles Benjamin Welles, 1997-11-15 In 1915 Sumner Welles the son of an aristocratic family began to work for the US State Department Welles quickly showed an aptitude for the delicate job of international negotiation His early successes in Japan later brought him to the attention of FDR who brought him into his administration as Under Secretary of State While Welles provided FDR with invaluable information about Europe and Japan his main achievement was the development of US relations with Latin America His bright career however was not to last In 1940 FDR and his cabinet traveled to the funeral of William Bankhead Speaker of the House Welles traveled with them and on the return journey he propositioned a black Pullman car porter allowing an aspect of his life that was heretofore hidden to emerge The scandal was made public and Welles resigned in 1943 thereby ending his career This life of Sumner Welles is candidly written for the first time by his son Benjamin Welles Anyone interested in the accomplishments of this great man the history of his time and the presidency of FDR will want to read this beautifully written book Sumner Welles Benjamin Welles, 1997 In 1915 Sumner Welles began to work for the US State Department His early successes in Japan later brought him to the attention of FDR who brought him into his administration as Under Secretary of State While Welles provided FDR with information about Europe and Japan his main achievement was the development of US relations with Latin America Franklin Roosevelt's **Foreign Policy and the Welles Mission** J. Rofe, 2007-06-11 A new and original analysis of the mission undertaken by FDR s Secretary of State during the Phoney War Rofe's work explains the motivations and goals of Roosevelt through an analysis of the president's foreign policy and of the nature of the Anglo American relationship of the time FDR's World D. Woolner, W. Kimball, D. Reynolds, 2008-10-27 This volume assesses Franklin Roosevelt's role as war leader from the vantage point of the twenty first century by looking at different aspects of his foreign policy FDR and the End of Empire C. O'Sullivan, 2012-09-25 Based upon extensive archival research in Great Britain the United States and the Middle East including sources never previously utilized such as declassified intelligence records postwar planning documents and the personal papers of key officials this is painstakingly researched account of the origins of American involvement in the Middle East during the Presidency of Franklin D Roosevelt It explores the effort to challenge British and French power and the building of new relationships with Iraq Iran Saudi Arabia Egypt and the Levant states It also reveals new and controversial discoveries about Roosevelt's views on Palestine his relations with Middle East leaders and his often bitter conflicts with Churchill and de Gaulle over European imperialism Modern day parallels make this story compelling for followers of current events World War II Franklin Roosevelt the Middle East or British imperialism **From Isolation to War** Justus D. Doenecke, John E. Wilz, 2015-09-28 The new edition of this popular and widely used American history textbook has been thoroughly updated to include a wealth of new scholarship on American diplomacy in the decade leading up to Japan's attack

on Pearl Harbor Features new material on the Washington Conference of 1921 22 early American diplomacy in the Manchurian crisis the Panay incident Russia s invasion of Finland the destroyer bases deal and much more Pays particular attention to Roosevelt's policies towards Jewish refugees the battle between domestic groups like the America First Committee and Fight for Freedom and the Welles mission of 1940 Includes concise biographical sketches of major world leaders including Hoover FDR Churchill Hitler Stalin Mussolini and Tojo Outlines and examines the debates of historians over the wisdom of U S policies **Rescue Board** Rebecca Erbelding, 2019-03-12 Featured historian in the Ken Burns documentary The U S and the Holocaust on PBS WINNER OF THE NATIONAL JEWISH BOOK AWARD In this remarkable work of historical reclamation Holocaust historian Rebecca Erbelding pieces together years of research and newly uncovered archival materials to tell the dramatic story of America's little known efforts to save the Jews of Europe An invaluable addition to the literature of the Holocaust Andrew Nagorski author of The Nazi Hunters and Hitlerland Brilliantly brings to life the gripping little known story of a transformative moment in American history and the crusading young government lawyers who made it happen Lynne Olson New York Times bestselling author of Last Hope Island For more than a decade a harsh Congressional immigration policy kept most Jewish refugees out of America even as Hitler and the Nazis closed in In 1944 the United States finally acted That year Franklin D Roosevelt created the War Refugee Board and put a young Treasury lawyer named John Pehle in charge Over the next twenty months Pehle pulled together a team of D C pencil pushers international relief workers smugglers diplomats millionaires and rabble rousers to run operations across four continents and a dozen countries Together they tricked the Nazis forged identity papers maneuvered food and medicine into concentration camps recruited spies leaked news stories laundered money negotiated ransoms and funneled millions of dollars into Europe They bought weapons for the French Resistance and sliced red tape to allow Jewish refugees to escape to Palestine A landmark achievement Rescue Board is the first history of the War Refugee Board Meticulously researched and poignantly narrated Rescue Board analyzes policies and practices while never losing sight of the human beings involved the officials who sought to help and the victims in desperate need Top notch history original and riveting Deb rah Dwork founding director of the Strassler Center for Holocaust and Genocide Studies Clark University and coauthor of Flight from the Reich Refugee Jews 1933 1946 Franklin and Winston Jon Meacham, 2004-10-12 NEW YORK TIMES BESTSELLER In this beautifully written and superbly researched dual biography Los Angeles Times Book Review Pulitzer Prize winning biographer Jon Meacham paints a powerful portrait of the enormous friendship between World War II allies Franklin Roosevelt and Winston Churchill Vanity Fair Intense and compelling reading The Washington Post Franklin Roosevelt and Winston Churchill were the greatest leaders of the Greatest Generation In Franklin and Winston Jon Meacham explores the fascinating relationship between the two men who piloted the free world to victory in World War II Born in the nineteenth century and molders of the twentieth and twenty first Roosevelt and Churchill had much in common In their own time both

men were underestimated dismissed as arrogant and faced skeptics in their own nations yet both magnificently rose to the central challenges of the twentieth century Theirs was a kind of love story with an emotional Churchill courting an elusive Roosevelt The British prime minister who rallied his nation in its darkest hour standing alone against Adolf Hitler was always somewhat insecure about his place in FDR s affections which was the way Roosevelt wanted it A man of secrets FDR liked to keep people off balance including his wife Eleanor his White House aides and Winston Churchill Meacham's sources including unpublished letters of FDR s great secret love Lucy Mercer Rutherfurd the papers of Pamela Churchill Harriman and interviews with people who were in FDR and Churchill's joint company shed light on the characters of both men as he engagingly chronicles the hours in which they decided the course of the struggle Charting the personal drama behind the discussions of strategy and statecraft Meacham has written the definitive account of the most remarkable friendship of the The Siege of Tsingtau Charles Stephenson, 2017-06-30 A well written modern narrative of the political and military events leading up to during and after the German Japanese War of 1914 The Australian Naval Institute The German Japanese War was a key yet often neglected episode in the opening phase of the First World War It had profound implications for the future particularly in respect of Japan's acquisition of Germany's Micronesian islands Japan's naval perimeter was extended and threatened the United States naval strategy of projecting force westward The campaign to relieve Germany of Tsingtau the port and naval base in China and its hinterland posed a grave threat to Chinese independence The course of the Second World War in China and the Pacific cannot be explained without reference to these events Charles Stephenson s account makes fascinating reading The siege of Tsingtau by the Japanese with token British participation forms the core of his story He draws on Japanese and German primary sources to describe the defenses the landings the course of the siege and eventual German surrender His study will be absorbing reading for anyone interested in the campaigns of the First World War outside of Europe in German colonial expansion and the rise to power of Japan Overall the volume delivers a much needed interesting and often highly detailed overview of operations in the Pacific and the siege of Tsingtau The volume excels especially in its detailed narrative of naval and land operations in the Pacific and in China The geopolitical background provides a most useful introduction to the history of the region International Journal of Maritime History OK2BG Jack Dunsmoor, 2015 OK2BG is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author's attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in OK2BG is to read reassess before you run asunder Exporting Freedom Anna Su, 2016-01-04 Religious freedom is recognized as a basic human right guaranteed by nearly all national constitutions Anna Su charts the rise of religious freedom as an ideal firmly enshrined in international law and shows how America's promotion of the cause of individuals worldwide to freely practice their faith advanced its ascent as a Seeking Justice for the Holocaust Graham B. Cox, 2019-09-12 The Nuremberg War Crimes Trial has become a symbol of justice the pivotal moment when the civilized world stood up for Europe s Jews and ultimately for human rights Yet the world represented at the time by the Allied powers almost did not stand up despite the magnitude of the horrors perpetrated by the Nazis Seeking justice for the Holocaust had not been an automatic or an obvious mission for the Allies to pursue In this book Graham Cox recounts the remarkable negotiations and calculations that brought the United States and its allies to this point At the center of this story is the collaboration between Franklin D Roosevelt and Herbert C Pell Roosevelt's appointee as U S representative to the United Nations War Crimes Commission in creating an international legal protocol to prosecute Nazi officials for war crimes and genocide Pell emerges here as an unheralded force in pursuing justice and in framing human rights as an international concern The book also enlarges our perspective on Roosevelt's policies regarding European Jews by revealing the depth of his commitment to postwar justice in the face of staunch opposition even from some within his administration What made the international effort especially contentious was a debate over its focus how to punish for aggressive warfare and crimes against humanity Cox exposes the internal contradictions and contortions behind the U S position and the maneuverings of numerous officials negotiating the legal parameters of the trials Most telling perhaps were the efforts of Robert H Jackson the chief U S prosecutor at Nuremberg to circumscribe the scope of new international law for fear of setting precedents that might boomerang on the United States because of its own racial segregation practices With its broad new examination of the background and context of the Nuremberg trials and its expanded view of the roles played by Roosevelt and his unlikely deputy Pell Seeking Justice for the Holocaust offers a deeper and more nuanced understanding of how the Allies came to hold Nazis accountable for their crimes against humanity

**H.V. Evatt and the Establishment of Israel** Daniel Mandel,2004 This book provides a valuable study of Evatt the Zionist as well as illuminating a fascinating political figure **New Deal Cowboy** Michael Duchemin,2016-09-22 Best known to Americans as the singing cowboy beloved entertainer Gene Autry 1907 1998 appeared in countless films radio broadcasts television shows and other venues While Autry s name and a few of his hit songs are still widely known today his commitment to political causes and public diplomacy deserves greater appreciation In this innovative examination of Autry s influence on public opinion Michael Duchemin explores the various platforms this cowboy crooner used to support important causes notably Franklin D Roosevelt s New Deal and foreign policy initiatives leading up to World War II As a prolific performer of western folk songs and country western music Autry gained popularity in the 1930s by developing a persona

that appealed to rural small town and newly urban fans It was during this same time Duchemin explains that Autry threw his support behind the thirty second president of the United States Drawing on a wealth of primary sources Duchemin demonstrates how Autry popularized Roosevelt's New Deal policies and made them more attractive to the American public In turn the president used the emerging motion picture industry as an instrument of public diplomacy to enhance his policy agendas which Autry s films backed by Republic Pictures unabashedly endorsed As the United States inched toward entry into World War II the president's focus shifted toward foreign policy Autry responded by promoting Americanism war preparedness and friendly relations with Latin America As a result Duchemin argues Sergeant Gene Autry played a unique role in making FDR s internationalist policies more palatable for American citizens reluctant to engage in another foreign war New Deal Cowboy enhances our understanding of Gene Autry as a western folk hero who during critical times of economic recovery and international crisis readily assumed the role of public diplomat skillfully using his talents to persuade a marginalized populace to embrace a nationalist agenda By drawing connections between western popular culture and American political history the book also offers valuable insight concerning the development of leisure and western tourism the information industry public diplomacy and foreign policy in twentieth century America June 1940, Great Britain and the First Attempt to Build a European Union Andrea Bosco, 2016-06-22 June 2016 represents a significant moment in British history The decision to leave the European Union at the most critical period since its existence could bring unpredictable and far reaching consequences both for the United Kingdom and the Union itself June 1940 was also a turning point in British history On the afternoon of 16 June a few hours before the French Government opted for the capitulation Churchill made on behalf of the British Government an offer of indissoluble union When a sceptical Churchill put forward to the British Cabinet the text of the declaration drafted by Jean Monnet Sir Arthur Salter and Robert Vansittart he was surprised at the amount of support it received The Cabinet adopted the document with some minor amendments and de Gaulle who saw it as a means of keeping France in the war telephoned Reynaud with the proposal for an indissoluble union with joint organs of defence foreign financial and economic policies a common citizenship and a single War Cabinet The proposal however never reached the table of the French Government The spirit of capitulation embodied in Weygand and P tain prevailed and France submitted herself to the German will for the second time in seventy years After the Munich crisis Great Britain had to face the danger of another European war with the inevitable loss of the Empire and it was at this point that the country first began to favour the application of the federalist principle to Anglo French relations In this conversion to federalism a fundamental role was played by the Federal Union the first federalist movement organised on a popular basis The contribution of Federal Union to the development of the federal idea in Great Britain and Europe was to express and organise the beginning of a new political militancy and it represented the first step of a historical process the overcoming of the nation State the modern political formula which institutionalises the political division of mankind This study principally examines

the first eighteen months of the Federal Union during which time it was able to raise itself to the attention of the general public and the political class as the heir of the League of Nations Union The research is based on extensive unpublished archival material found across the globe from London Oxford Brighton and Edinburgh to Washington Paris and Geneva

Hedy's Folly Richard Rhodes, 2011-11-29 Pulitzer Prize winning author Richard Rhodes delivers a remarkable story of science history how a ravishing film star and an avant garde composer invented spread spectrum radio the technology that made wireless phones GPS systems and many other devices possible Beginning at a Hollywood dinner table Hedy's Folly tells a wild story of innovation that culminates in U S patent number 2 292 387 for a secret communication system Along the way Rhodes weaves together Hollywood's golden era the history of Vienna 1920s Paris weapons design music a tutorial on patent law and a brief treatise on transmission technology Narrated with the rigor and charisma we ve come to expect of Rhodes it is a remarkable narrative adventure about spread spectrum radio s genesis and unlikely amateur inventors collaborating to change the world **Pretext** James Trapani, Dr Drew Cottle, 2020-08-01 The spectre of Communism was used to justify the expansion of American global leadership throughout the twentieth century Nowhere was this more evident than in their backyard of Latin America The fear and hysteria created by the perceived communist menace justified the demonization of democratic reformers the mischaracterization of political unrest the overthrow of democratic regimes the prolonged support of military dictatorships and the continued political and economic subservience of much of Latin America to the USA throughout the era of the Cold War and beyond Pretext Anti Communism in Latin America examines the origins of this hysteria from 1930 1965 It suggests that the academic focus on the rise and fall of communism has distracted analysis from the non communist reformers who fought for democracy social justice and independent economic development This timely reinterpretation of the origins of the Cold War in Latin America seeks to explain the continuing power imbalance between the US and the Latin American republics A New Idea Each Morning Wendy Way, 2013-05-17 In the years between the two world wars of the twentieth century leaders in Western countries worried about a food surplus The hardships of the Great Depression were intensified by a glut of wheat and consequent low prices on the world market Yet at the same time nutrition scientists protested that significant proportions of populations even in affluent countries were unable to afford a diet adequate for health Fresh fruits vegetables dairy products and meat were out of reach for the poor This book traces the work of three men who sought to bring together the interests of farmers and the needs of the hungry scientist and passionate campaigner for better nutrition John Boyd Orr Australian politician and international statesman Stanley Melbourne Bruce and Economic Adviser to Bruce at the Australian High Commission in London Frank Lidgett McDougall Bruce once said McDougall brings me a new idea every morning One of those ideas became the genesis of their work which helped bring about the formation of the Food and Agriculture Organization of the United Nations in 1945 All three undertook significant roles in the formative years of the organisation The story of this contribution to the international world order is little known

The cooperation diplomacy and persistence of these men provides inspiration for tackling the alarming prospect of food shortages in the present century A Companion to U.S. Foreign Relations Christopher R. W. Dietrich, 2020-03-04 Covers the entire range of the history of U S foreign relations from the colonial period to the beginning of the 21st century A Companion to U S Foreign Relations is an authoritative guide to past and present scholarship on the history of American diplomacy and foreign relations from its seventeenth century origins to the modern day This two volume reference work presents a collection of historiographical essays by prominent scholars The essays explore three centuries of America s global interactions and the ways U S foreign policies have been analyzed and interpreted over time Scholars offer fresh perspectives on the history of U S foreign relations analyze the causes influences and consequences of major foreign policy decisions and address contemporary debates surrounding the practice of American power The Companion covers a wide variety of methodologies integrating political military economic social and cultural history to explore the ideas and events that shaped U S diplomacy and foreign relations and continue to influence national identity The essays discuss topics such as the links between U S foreign relations and the study of ideology race gender and religion Native American history expansion and imperialism industrialization and modernization domestic and international politics and the United States role in decolonization globalization and the Cold War A comprehensive approach to understanding the history influences and drivers of U S foreign relation this indispensable resource Examines significant foreign policy events and their subsequent interpretations Places key figures and policies in their historical national and international contexts Provides background on recent and current debates in U S foreign policy Explores the historiography and primary sources for each topic Covers the development of diverse themes and methodologies in histories of U S foreign policy Offering scholars teachers and students unmatched chronological breadth and analytical depth A Companion to U S Foreign Relations Colonial Era to the Present is an important contribution to scholarship on the history of America's interactions with the world

The Top Books of the Year Sumner Welles Fdrs Global Strategist A Biography By The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read: Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic: Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
