He lived his life the way he wanted rarely stopping to apologize Even in death Hemingway proved his determination trying to take his own life at least twice before he ultimately succeeded with the final blast of a shotgun Hemingway served as an ambulance driver for the Red Cross in WWI While in Italy on duty he decided that he was not near enough to the action and went closer to the front Just as he got to the front an enemy mortar shell exploded in close proximity to Hemingway Despite being injured in the blast Ernest found a young Italian soldier who was severely hurt and carried him to safety taking several rounds of machine gun fire to his leg For his bravery Hemingway was awarded the Italian silver medal of valor While in the hospital still recovering from his injuries Hemingway fell in love with a nurse named Agnes von Kurowsky Ernest had to return to America but he vowed that one day he would marry von Kurowsky It was not to be however as Hemingway received a letter only months after returning home saying that his love had fallen for an Italian officer He was devastated and his initial broken heart may explain why he made a habit out of leaving women before they could leave him Hemingway was married four times and had affairs in each of his marriages **Sun Valley Memories** Leif Odmark, Anndel Kininmonth, 2002

A History of American Sports in 100 Objects Cait Murphy, 2016-10-11 Beautifully designed and carefully curated a

fascinating collection of the things that shaped the way we live and play in America What artifact best captures the spirit of American sports The bat Babe Ruth used to hit his allegedly called shot or the ball on which Pete Rose wrote I m sorry I bet on baseball Could it be Lance Armstrong s red white and blue bike now tarnished by doping and hubris Or perhaps its ancestor the nineteenth century safety bicycle that opened an avenue of previously unknown freedom to women The jerseys of rivals Larry Bird and Magic Johnson Or the handball that Abraham Lincoln threw against a wall as he waited for news of his presidential nomination From nearly forgotten heroes like Tad Lucas rodeo and Tommy Kono weightlifting to celebrities like Amelia Earhart Muhammad Ali and Michael Phelps Cait Murphy tells the stories of the people events and things that have forged the epic of American sports in both its splendor and its squalor Stories of heroism and triumph rub up against tales of discrimination and cheating These objects tell much more than just stories about great games they tell the story of the nation Eye opening and exuberant A History of American Sports in 100 Objects shows how the games Americans play are woven into the gloriously infuriating fabric of America itself
