A MEDIEVAL VISION

SEVEN CENTURIES ON SKELLIG MICHAEL

"Hugely impressive history of monastic life."
Sunday Tribune

GEOFFREY MOORHOUSE

Sundancing A Medieval Vision

Roman Wölfel

Sundancing A Medieval Vision:

Sun Dancing Geoffrey MOORHOUSE,1997 *Sun Dancing a Medieval Vision* Geoffrey MOORHOUSE,1998-12-01

Sun Dancing Geoffrey Moorhouse,1999 Part 1 is a fictionalized history of fourth century Irish monks describing their spirituality and their influence on other areas of the world Part 2 is a historical treatment of Irish monasticism *Celtic Journeys* Steve Rabey,Lois Mowday Rabey,2001-05 The Ireland of myth and legend still to be sensed and appreciated in the modern world is the focus of this new and different travel guide It contains not only the usual tips on what to see where to stay and how to get there but also plentiful details about dozens of memorable and mystical sites from New Grange to Staigue to Skellig Michael to Aran and beyond The traveler in search of wider experience of this ancient verdant land will find fascinating information about archaeology geography comparative religion and local customs as well as highlights from lively Irish literature and haunting Celtic music Complete with maps illustrations and photographs Celtic Journeys is a practical easy to use treasure for those planning a trip to Ireland and for anyone interested in the world of the ancient Celts and its significance today Book jacket **Beacons in the Landscape** Ian Brown,2009-07-20 Of all Britain s great archaeological monuments the Iron Age hillforts have arguably had the most profound impact on the landscape if only because there are so many yet we know very little about them Were they recognised as being something special by those who created them or is the hillfort purely an archaeologists construct How were they constructed who lived in them and to what uses were they put This book which is richly illustrated with photography of sites throughout England and Wales addresses these and many other questions After discussing the difficult issue of definition and the great excavations on which our knowledge is based Ian Brown investigates in turn hillforts origins their architecture and the role they played in Iron Age society He also discusses the latest theories about their location social significance and chronology The book provides a valuable synthesis of the rich vein of research carried out in Britain on hillforts over the last thirty years Hillforts great variability poses many problems and this book should help guide both the specialist and non specialist alike though the complex literature Furthermore it has an important conservation objective Land use in the modern era has not been kind to these monuments with a significant number either disfigured or lost Public consciousness of their importance needs raising if their management is to be improved and their future assured *The Lost Art of Silence* Sarah Anderson,2023-12-05 A unique celebration of silence in art literature nature and spirituality and an exploration of its ability to bring inner peace widen our perspectives and inspire the human spirit in spite of the noise of contemporary life Silence is habitually overlooked after all throughout our lives it has to compete with the cacophony of the outside world and our near constant interior dialogue that judges analyzes compares and questions But if we can get past this barrage there lies a quiet place that s well worth discovering The Lost Art of Silence encourages us to embrace this pursuit and allow the warm light of silence to glow Invoking the wisdom of many of the greatest writers thinkers contemplatives historians musicians and artists Sarah Anderson

reveals the sublime nature of quiet that is all too often undervalued Throughout she shares her own penetrating insights into the potential for silence to transform us This celebration of silence invites us to widen our perspective and shows its power to inspire the human spirit in spite of the distracting noise of contemporary life **Celtic Saints of Ireland** Elizabeth

Rees,2013-05-01 Most books about Celtic saints are based on their legendary medieval lives This book however is based upon our earliest surviving information an examination of the sites where these early Christians lived and worked Archaeology combined with the study of place names inscribed stones and early texts offers us important clues which help us to piece together something of the fascinating world of early Irish Christianity Elizabeth Rees an acknowledged authority on Celtic Christianity has produced this insightful history which is the first in an exciting new series Illustrated throughout with her own evocative photographs of where these saints resided and worked the reader is drawn into the beautiful world which these men and women inhabited **Rainsongs** Sue Hubbard,2018-09-04 A grieving woman finds solace in the rugged

beauty of Ireland's Atlantic coast in this elegiac tale of loss and valediction Guardian UK Newly widowed Martha Cassidy has returned to a remote cottage in a nearly abandoned village on the west coast of Ireland There she reflects on another loss in her life that of her ten year old son Bruno who met an untimely death twenty years earlier Alone on the windswept headland Martha searches for a way forward beyond grief But she finds herself drawn into a standoff between the successful hotel developer Eugene Riordan and an elderly local hill farmer Paddy O Connell As the crisis between these men escalates and Paddy suspiciously ends up in the hospital Martha encounters Colm a talented but much younger musician and poet roughly the same age that Bruno would have been if he'd lived Caught between her history and future and that of a rapidly changing Ireland Martha is beset with choices that will alter her life forever In richly poetic language Rainsongs conjures the remote Irish coastline as well as the inner landscapes of its characters It moves effortlessly between the lives of people and the life of the terrain between the forces that shape character and those that shape the world *Celtic Sites and Their Saints*

Elizabeth Rees,2003-02-10 Most biographies of the Celtic saints are filled with legends and were written centuries after they lived But the places where they lived and worked generally in the more remote parts of their home or adopted countries can still be visited Their chapels and huts are often placed in beautiful landscapes sheltered valleys sacred springs peaceful lakeshores sea caves headlands and offshore islands Archaeology the study of sites and place names inscribed stones and early texts can bring us closer to how these men and women lived and to the unique ideals they held Elizabeth Rees using this archaeological and literary evidence has produced a guidebook to major sites in the British Isles where the Celtic saints lived and worked Brigid and Patrick in Ireland David in Wales Columba in Scotland and Aidan in Northumbria are among those who have left monasteries and hermitages chapels and holy wells dedicated to them The 250 sites examined here are listed alphabetically by area with some fifty described in Ireland Scotland Wales Cornwall and the rest of Britain Accurate descriptions are given with a history of each site directions how to find it and where relevant useful directions such as sailing

times or where to find the key A final section gives an outline of the lives of the saints with whom these places are associated

Path of the Purified Heart Laura Dunham,2012-02-01 Path of the Purified Heart traces the classic Christian spiritual journey toward transformation into the likeness of Christ in a unique fascinating way Drawing on the voices of wise elders from the past and present Dunham illumines the common path all Christians and spiritual seekers may take toward union with God Through the motifs of the liturgical year and the labyrinth the author weaves in her own journey on this path during her year of purification

Sun Dancing Geoffrey Moorhouse,1997 A fictionalized history of fourth century Irish monks describes their spirituality and their influence on other areas of the world

Resources for Preaching and Worship-Year A Hannah Ward,Jennifer Wild,2004-01-01 This is the third volume published in a three volume set of lectionary resources providing preachers and worship leaders of all denominations a host of written material for worship and reflection Designed to complement the three volumes in WJK s acclaimed Texts for Preaching this book weaves together a rich tapestry of quotations meditations poems and prayers With material from both classic and contemporary spiritual writings Resources for Preaching and Worship complements the lectionary readings for Sundays and important festival days in the church s year Biblical and thematic indexes are included

The British National Bibliography Arthur James Wells,2005 **Who's Who in the Middle Ages** Mary Ellen Snodgrass,2024-10-18 From Abelard to Zubaydah here is a biographical dictionary of notable men and women of the Middle Ages Hundreds of entries span the fifth to the fifteenth centuries covering a broad range of creative vigorous and influential people from Europe and the Middle East Each entry includes both personal and historical details alternate name spellings and references for further reading A rich selection of appendices includes a chronology of events a chronology of popes emperors and monarchs a list of colleges and universities of the Middle Ages a list of major monasteries abbeys and convents and an alphabetical list of individuals by occupation

Ringleaders of Redemption Kathryn Dickason,2021 In popular thought Christianity is often figured as being opposed to dance Throughout the medieval era the Latin Church denounced and prohibited dancing often aligning it with demonic intervention lust pride and sacrilege However Ringleaders of Redemption reveals how the historical sources including biblical commentaries sermons saints lives ecclesiastical statutes mystical treatises vernacular literature and iconography from France Italy Germany England Spain and beyond tell a different story During the High and Late Middle Ages Western theologians liturgists and mystics not only tolerated dance they transformed it into a dynamic component of religious thought and practice

The Literary Review,1997 *Julia of Bunnamairie* Jessica Eden,2021-01-12 The Black Nun of Bunnamairie Friary Julia MacQuillan lived in the 15th and 16th centuries in Ballycastle Ireland known then as Margeytown due to the proximity of the Margie River She was called the black nun because of the color of the cloak habit that she wore The nun s story unfolds as a present day McQuillan Cathleen is searching for her family s history and travels to Ballycastle to find out more She comes across Julia s journal and the story of this beautiful young lass who is a mystic with prophetic visions The visions eventually have repercussions for her

in Margeytown village Her benefactors Count Randall and Countess Mary MacDonald were historically long time foes of the MacQuillins but become her friends **The Tablet** ,1997 The international Catholic weekly *British Travel Writers, 1940-1997* Barbara Brothers,Julia Marie Gergits,1999 Essays on British travel writers explores the political and social changes that occurred after World War II Technology such as color television home video the Internet and CD ROM s brought people pictures from around the world broadened their interest in travel Includes discussion of the various types of travel literature including political scientific historical and adventurous as well as the role of women travel writers Essays in Faith and Learning Michael Bollenbaugh,Steven N. Goetz,2015-12-07 This book represents the collected thinking of a few people who have had strong personal connections to Dr Song Nai Rhee Because the integration of faith and learning is a core value held by Dr Rhee the various authors have written essays on this topic in honor of his life and work Such a book is typically referred to as a Festschrift a celebratory writing given for a special person Dr Rhee s robust career at Northwest Christian College University is celebrated by the essays brought together in this book All the authors have known Dr Rhee as students or as academic colleagues or both What they write about ranges from topics found in biblical literature to expressly theological ideas to matters that are eminently practical Yet each essay is held in place by its relevancy to the ongoing conversations about how faith and learning are integrated in the context of the Christian liberal arts university More important each author has a deep and abiding respect for Dr Song Nai Rhee His teaching and mentoring at Northwest Christian College University have left an indelible mark on each of their lives
