The Truth About Sunday Minor H.R. Young-Lira, 2018-02-27      Sunday's Best Hendrickson Publishers, 2022-05-03 Can't make it to their vibrant churches in Manhattan California Wisconsin or Washington D C to listen to today's most influential preachers Collected here for your reading pleasure are extraordinary sermons from Timothy Keller John Ortberg Jill Briscoe Mark Dever Francis Chan Joshua Harris Philip Ryken Joni Eareckson Tada William Willimon and others Includes author biographies      **The Apocryphal Sunday** Uta Heil, 2023-10-17 A range of apocryphal and pseudepigraphic texts from Late Antiquity points to the importance of Sunday as a holiday for baptized Christians First and foremost is the so called Letter from Heaven which has experienced a broad and long lasting reception up to modern times although it was also criticized as a forgery from its beginning Unfortunately these texts have not received sufficient attention so far This volume presents various versions of the Letter from Heaven as well as other texts the pseudepigraphic Acts of the Synod of Caesarea pseudepigraphic sermons of Eusebius of Alexandria John Chrysostom and Basil of Caesarea passages from the Didascalia or Diataxis of Jesus Christ the Second Apocryphal Apocalypse of John the Visio Pauli a sermon of Sophronius of Jerusalem and the Apocalypse of Anastasia together with a translation and commentary An introduction tells the story of this letter and integrates it and the other texts into the cultural history of Sunday It becomes clear that Sunday as a day of rest and a feast day was not in the foreground of the development of an ecclesiastical festival calendar for a long time although Emperor Constantine enacted a law on holiday rest on Sunday in 321 CE Sunday rather marks the end of the Christianization of time and the calendar when Easter Pentecost Christmas and martyrs feasts were already taken for granted The authors of these texts obviously wanted to accelerate this process which is why an anonymous person even resorted to presenting Christ himself as the author of this letter Here severe punishments are threatened to all who do not observe Sunday who work as if it were a weekday and who skip worship The broad tradition shows that the letter was read and distributed despite all the criticism and was even turned into an early form of a chain letter      *The Juvenile companion, and Sunday-school hive [afterw.] The Sunday school hive, and juvenile companion. she left Christianity that she began an in depth study of the Christian faith Things I Never Learned in Sunday School is the result of her efforts With nearly 200 reference notes and numerous scripture quotations she examines the infallibility of the bible the resurrection the existence of Satan the fate of the unsaved the Antichrist the end times even the identity of God She also provides extensive insight into why Paul played such an important role in establishing Christianity The final conclusion Many doctrines taught in Sunday School and church often have little basis in fact and several are not addressed at all Some readers may find the contents of this book unsettling On the other hand when read with an open and inquiring mind it could very well result in a spiritual awakening
