## Sunday Clothes:

**Faulkner's Fashion** Christopher Rieger, 2023-12-14 The first book length study of clothing and dress across William Faulkner's novels and short stories Clothing is one of the most important and pervasive material items throughout William Faulkner's fiction Faulkner's Fashion analyzes the writer's use of clothing from a variety of critical approaches considering how clothing and dress intersect with race class and gender across Faulkner's works It also considers clothes as material objects using Thing Theory and Object Oriented Ontology to illuminate the role clothing plays as an object in conjunction with its multiple layers of symbolic meaning to both the wearer and the observer Faulkner's Fashion reveals how much attention Faulkner pays to garments and fashion in his own life and in his fiction arguing that dress is often a means of characterization for Faulkner while it also connects his narrative representations of gender sexuality class poverty race and modernity

**A Dictionary of Slang and Unconventional English** Eric Partridge, 1984 The definitive work on slang and unconventional English this edition is fully revised and updated by Paul Beale and includes some 500 new entries The dictionary gives a fully documented account of English slang over four centuries and will entertain and inform all lovers of the English language

*The Dressed Society* Peter Corrigan, 2008-01-16 It was traditionally said that clothes maketh the man But what codes and meanings are associated with dress in a society that consists of divisions between class race gender family status and religion Is social and cultural life still fundamentally themed by the clothes that we wear If so how should we read these codes and themes in order to decipher their relation to power and meaning This exhaustive book demonstrates how dress shapes and is shaped by social processes and phenomena such as beauty time the body the gift exchange class gender and religion It does this through an analysis of topics like the Islamic clothing controversy in state schools the multitude of identities associated with dress the Dress Reform movement the construction of the body in fashion magazines and the role of the internet in fashion What emerges is a trenchant sharply observed account of the place of dress in contemporary society The book will be of interest to students and researchers in Sociology Cultural Studies Women's Studies Gender Studies Anthropology and Fashion Studies

**Fashion and Its Social Agendas** Diana Crane, 2012-06-12 It has long

been said that clothes make the man or woman but is it still true today? If so, how has the information clothes convey changed over the years? Using a wide range of historical and contemporary materials, Diana Crane demonstrates how the social significance of clothing has been transformed. Crane compares nineteenth-century societies (France and the United States) where social class was the most salient aspect of social identity signified in clothing with late twentieth-century America where lifestyle, gender, sexual orientation, age, and ethnicity are more meaningful to individuals in constructing their wardrobes. Today, clothes worn at work signify social class, but leisure clothes convey meanings ranging from trite to political. In today's multicode societies, clothes inhibit as well as facilitate communication between highly fragmented social groups. Crane extends her comparison by showing how nineteenth-century French designers created fashions that suited lifestyles of Paris elites but that were also widely adopted outside France. By contrast, today's designers operate in a global marketplace shaped by television, film, and popular music. No longer confined to elites, trendsetters are drawn from many social groups, and most trends have short trajectories. To assess the impact of fashion on women, Crane uses voices of college-aged and middle-aged women who took part in focus groups. These discussions yield fascinating information about women's perceptions of female identity and sexuality in the fashion industry. An absorbing work, *Fashion and Its Social Agendas* stands out as a critical study of gender, fashion, and consumer culture. Why do people dress the way they do? How does clothing contribute to a person's identity as a man or woman, as a white-collar professional or blue-collar worker, as a preppie, yuppie, or nerd? How is it that dress no longer denotes social class so much as lifestyle? Intelligent and informative, this book proposes thoughtful

answers to some of these questions. *Library Journal*      **A Dictionary of the English and German, and the German and English Language** Joseph Leonhard Hilpert, 1857      **Splash the Living Water** Esther Burroughs, 1999-05-24 Life can be frustrating, busy, and hard. Often we wonder how we will survive the demands of the day, let alone take time to nurture our spirit or encourage others for Christ. We need refreshment, sustenance, and support; we need the Living Water of Jesus. *Splash the Living Water* revives, cleanses, and restores as it shows us how to fully embrace Christ's love and acceptance, how to discover a new intimacy with God, and how to reach out and splash those around us with God's wellspring of hope.

**Hard-Boiled** Erin Smith, 2010-07-07 An examination of the culture that produced and supported pulp fiction      **The Old Crop in Indiana** Sara Smith Pratt, 1928      *The Lure* William J. Vande Kopple, 2012-08-17 They say that a fisherman never runs out of stories. Lucky for readers of this book, William J. Vande Kopple wants to do more than regale us with tales of the one that got away. In this winsome collection, Vande Kopple spins fifteen funny, poignant yarns out of his experience as a father, angler, and believer. From its haunting opening vignette to more expansive recollections of road trips, family reunions, and solitary forays into nature, Vande Kopple effortlessly perceives the connections between families fishing and faith. He is steadfast in his faith yet comfortable with doubt; see the starkly untidy ending of *Not a Hair Shall Fall* in which he and his son wrestle with both a big fish and the question of God's providence. He is contagiously exuberant yet mindful of the vicissitudes

of aging Have I waited too long he wonders after a much delayed fishing trip with his father in Time Is Tapping on My Forehead He is an able raconteur whose spirits are never dampened for long in Longing he promises never to drive up to Canada on a whim again to fish until the locals tell him about a river he just has to try Fishermen and their long-suffering friends and family members will relish Vande Kopple's latest book So too will nature lovers of all stripes particularly those who know the beauty of the pristine wildernesses of Michigan and Northwestern Ontario In any case whether or not readers share Vande Kopple's love for fishing these stories are sure to catch those who are angling for a good story Streetlife in Late Victorian London P. Andersson,2013-08-29 Focusing on the everyday behaviour of people in the late Victorian street this extensive study provides an alternative history of the modern city and sheds new light on the relationship between police constables and civilians A wealth of source material is scrutinised to explore this public interaction in the capital

**Religion and Society in Twentieth-Century Britain** Callum G. Brown,2014-09-11 During the twentieth century Britain turned from one of the most deeply religious nations of the world into one of the most secularised nations This book provides a comprehensive account of religion in British society and culture between 1900 and 2000 It traces how Christian Puritanism and respectability framed the people amidst world wars economic depressions and social protest and how until the 1950s religious revivals fostered mass enthusiasm It then examines the sudden and dramatic changes seen in the 1960s and the appearance of religious militancy in the 1980s and 1990s With a focus on the themes of faith cultures secularisation religious militancy and the spiritual revolution of the New Age this book uses people's own experiences and the stories of the churches to display the diversity and richness of British religion Suitable for undergraduate students studying modern British history church history and sociology of religion **Back on the Farm** Harold W. Sullivan,2023-01-05 Back on the Farm is a collection of 176 humorous stories Harold Sullivan wrote for his grandchildren about growing up on a farm in Comet West Virginia during the 30s and 40s The moments that were the basis of the stories were frozen in time for the author and his fond retelling When I was a boy back on the farm recreates that life in the reader's mind too His stories are of small triumphs giant failures and a few in between They are funny tales of his relationship with his younger sister whom as one story recounts he convinced to let him shoot her with a homemade BB gun This sister then pretended it didn't hurt so she would shoot him too Many of the stories are about his hardworking mother such as the time Harold and his sister made mud pies with eggs from the farm a huge financial loss in the Depression and Momma spanked them twice once for the act and again when she found they had taken all the eggs The hero of many of his stories was his father a big man in many ways whose battle with the pushy cow showed the personality of the man and of the cow Harold's stories are of a way of life that doesn't exist anymore in the tiny community of Comet West Virginia which doesn't exist anymore either But for the people who lived there or for anyone who has lived on a farm the tales from Harold's memory bring back a simpler time worth revisiting These stories of a boy growing up among hardworking and close knit family and community are a love song to life Back on the Farm
