## Sunset Tears:

*Taylor Before and After* Jennie Englund, 2020-02-18 In journal entries alternating between two timelines before and after a tragic accident Jennie Englund's heartfelt coming of age story *Taylor Before and After* follows the year that changes one girl's life forever Before Taylor Harper is finally popular sitting with the cool kids at lunch and maybe just maybe getting invited to the biggest most exclusive party of the year After no one talks to her Before she's friends with Brielle Branson the coolest girl in school After Brielle has become a bully and Taylor's her favorite target Before home isn't perfect but at least her family is together After Mom won't get out of bed Dad won't stop yelling and Eli Eli's gone Through everything Taylor has her notebook a diary of the year that one fatal accident tears her life apart In entries alternating between the first and second semester of her eighth grade year she navigates joy and grief gain and loss hope and depression How can Taylor pick up the pieces of what used to be her social life How can her house ever feel like home again after everything that's happened And how can she move forward if she can't stop looking back An Imprint Book Powerful A resonant look at coming of age Kirkus Reviews A Junior Library Guild Selection IT'S ALL MADE UP! Mario III Tidoy, 2024-04-15 This poetry collection contains spontaneously composed works often inspired by fictional scenarios from my imagination The poems mainly focus on romantic themes exploring idealized outcomes alongside their opposites depicting scenarios of what might have been should have been or could have been The decision to start this literary journey came from a lifelong habit of creating detailed scenarios in my mind finding joy in envisioning both realistic and fantastical situations While love is a key theme in the collection I have woven moments of emotional depth to offer a rich narrative These poems serve as channels for my feelings capturing fleeting moments of intense passion and deep sorrow Navigating through my emotions each verse mirrors the complexities of human relationships and the intricacies of the human heart Within my imagination I am free to explore the depths of love loss yearning and everything in between Through language's rhythm and metaphorical artistry I invite you to embark on a journey through a range of emotions that reside within us all Each poem acts as a reflection of the soul providing insight into a heart that beats with vulnerability and resilience As you delve into these lines may you find comfort in the shared experiences that unite us through themes of love and longing All my love Mairux **A Magment of Figmentation** Faucon Of Sakin'El, 2008 The American Mail-bag, Or Tales of the War American mail-bag, 1863 Curious Memories Luke Sheehan, 2023-01-17 I know life is brutal and on some days it may be impossible to breathe But know you will find love and those who wish to help even when all is at its darkest So please hold on brace yourself and ask for help because your light is precious and is worth fighting through those darkest moments This includes you Sam **Simply Obscene** Denise Baer, 2025-02-15 She lives a simple life with a scandalous secret Catherine grew up in the New Order Amish community A dutiful daughter caring sister and a naughty side in which she publishes steamy romance stories One day she goes into town with her father sneaking off to check her P O Box While reading a fan's mail behind the building she runs into her childhood

and returned to civilization and the extended Parker clan Cynthia Ann never adapted to white culture She was shunted from one Parker family to another living in constant grief and doubt about herself and her daughter and about the fate of her Comanche family still on the prairies Convinced she was a captive of the Texans Cynthia Ann was determined to escape to the high plains and the Comanche way The Parkers neither cared for nor understood Cynthia Ann s obsession with returning to her homeland and her people Charles Brashear s thoroughly researched and vividly realistic novel Killing Cynthia Ann tells the story as it might have happened and turns it into a compelling and unforgettable drama Basing his fictional speculation on a careful reading of the historical record Brashear chronicles the heartbreaking descent into despair of a proud woman who could not forget her warrior husband and two sons The public will appreciate this engrossing novel which can also supply a personal perspective to supplement history texts Library Journal      **Delphian Text** Delphian Society,1929
